MONTHLY PLANNER FOR AUGUST
KG (2023-24)

*“One child , one teacher , one book and one pen can
change the world”*

Dear Parents,

Greetings !

We are extremely excited to welcome the month of August and look forward to providing an effective, calm and happy learning environment. July was a fun packed month with the children immersed in a number of activities like Father’s Day, Sugar Cookie Day, Blue Colour Day, Book Week, Theme Craft and Proficiency Ceremony.

On the academic front, students were introduced to cursive letters- u, v, w, y, z, m, n and p. It is a skill that has aesthetic value which enables them to develop their fine motor skills. In Numeracy, students were introduced to What comes After, Before, In Between and Missing numbers. The shape SQUARE was also introduced through an activity. They were asked to identify the square shape amongst other geometrical shapes and jump on it. The theme in EVS was Healthy and Junk food. Students engaged in a discussion on the importance of food in our daily lives. The concept of Farm to Table was also introduced to them. Daily routine habits were discussed as part of the theme.

Everyday is a special day because God made them for everyone. There are some special days that are celebrated with passion and zeal. A father is someone you look up to no matter how tall you grow. Father’s Day was a good experience for our little ones where they expressed their feelings towards their fathers through a small token of love. Three Leg Race and Fruit Punch activity was enjoyed between them. Our little munchkins enjoyed Blue Color Day where the students were able to identify blue items around themselves. They made an ocean with a paper plate. Sugar Cookie Day was celebrated by decorating one of their favorite cookies with gems, tutti frutti. Hershey's syrup etc. Book Week was organized to make the students explore the world of books through various activities. They participated in Panchtantra Story narration with beautiful props. They also made book marks using origami craft. Show and Tell (My Favorite Food) was organized for KG students.

Proficiency Ceremony for the session 2022- 23 was held where students were felicitated for their brilliant performance in academics and co- curricular activities.
