MONTHLY PLANNER FOR JULY
Grade III (2023-2024)

“Education’s purpose is to replace an empty mind with an open one.” – Malcolm Forbes

Dear Parents,
Greetings!!

“Welcome back, students! We have missed you over the summer months and are so excited to have you back with us. We hope that you have had a fantastic break, filled with rest, relaxation, and fun. We can’t wait to hear all about your summer adventures and to catch up on everything that’s happened since we last saw you. We are looking forward to another amazing month together, filled with learning, growth and new experiences. Let’s get started!”

On the first day of school, a Special Assembly was presented by teachers to welcome the students for the new academic session. The students did the First Day Activity on the topic Myself where they wrote about themselves. They enjoyed the welcome activity and showcased their creative side. Teachers also made a welcome card for their students and presented them with love.

One week of recapitulation was done to make the students comfortable in their new class and to help build a rapport with their teachers.

The first two months of the new session were full of enthusiasm, fervor, and excitement. The month of April was filled with exciting and engaging activities and started with the Environment Week. This week has a special significance in today’s world as it makes everyone aware of the causes and consequences of global warming and climate change. Students participated in various activities and competitions:

- **Make an article using recyclable substances** in which students recycled their old socks and made sock puppets out of that.
- **Cooking without fire (Healthy food)** In this students made sprouts salad with all the green and leafy vegetables and shared it with their peers and teachers.
- **Poetry Recitation-Intra Class Competition** in which students recited a poem on the topic SAVE THE ENVIRONMENT. Congratulations to the winners!!!

I	Rhythm Ganotra	Navanya Mishra	Avyukt Singh
II	Vivaan Saxena	Anshika Katuria	Vidhi Rohilla
III	Avika Aggarwal	Vamika Shankla and Sutanu Ghosh	Neer Gupta and Vihaan Bansal

CBSE First Expression Series for the session 2023-24 was organized on the theme Skill Development in India from Local to Global in which students wrote about famous personalities who had achieved success through his or her skills or they wrote on Skills a Child Needs to Excel.

Children celebrated World Day for the Safety and Health of Workers, where they explored different safety measures in the school like a fire alarm, fire extinguishers, etc. Students were also taken to the infirmary to gain knowledge about the first aid box and how to use it during an emergency.

Baisakhi is a vibrant harvest festival celebrated in the Indian state of Punjab. It marks the beginning of the new harvest season and is considered one of the most significant festivals for Sikhs. A special assembly on Baisakhi was conducted by senior students. In addition to this, students also made a beautiful card depicting Baisakhi.

The value of the month was **RESPECT** for living things which was discussed through discussions and role plays. Moreover, moral values were also inculcated during the regular teaching-learning process.

Children also did a lot of hands-on activities in different subjects to understand various concepts which were introduced to them. In English, they made Punctuation marks Finger Puppets to understand the concept of usage of punctuation marks. They enjoyed doing this activity and understood the concept well.

In E.V.S, students made family puppets related to the chapter – My Family. Through this activity, they were sensitized about big, joint and nuclear families. They were also explained the importance of showing love and care towards their elders. In addition to this, they did an activity related to the Chapter- We Care in which students wrote the first letter of their name with raised dots and they felt it with their closed eyes to understand the Braille script. Moreover, related to the chapter-Games We Play, students creatively made their favorite Indoor and outdoor games on paper and discussed the same with their peers.

In Mathematics students were introduced to the concept of addition through an activity I HAVE WHO HAS.

The month of April also played host to an Inter House Competition to celebrate Environment Week to develop their awareness about environmental issues. Students participated enthusiastically and won everyone's hearts with their excellent performance. They were even more excited as it was the first time they were participating in an Inter House Competition.

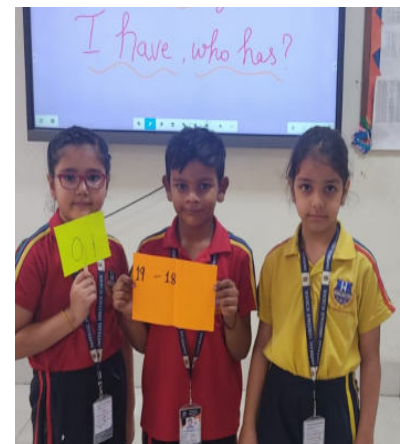

Congratulations to the winners!!!!
