Dear Parents,

Greetings!

Welcome back to school after a refreshing break. The classroom and corridors are eagerly awaiting the children as they return all rejuvenated and energised after the vacations.

The first day of the session 2023- 24 was very exciting for the students and teachers as they entered their new class. Our little ones enjoyed their first hand and thumb printing activity using different colors as the first activity of the session. They went home happy, carrying a beautiful Welcome to School card, specially crafted by their teachers. It was a pleasure to see the youngest members of the school so comfortable and eager to try new things.

The first month had a lot of activities carefully planned for them. They enjoyed Baisakhi with a grain pasting activity. Green color is the symbol of growth and prosperity and was also the Colour of the Month. Our Toddlers made caterpillars with balloon printing and were also very happy playing with the 3D frog craft. They celebrated Environment Week with different activities. They did blue and green hand printing on a cutout of the Earth depicting a clean planet, made an Earth Day flower card and also enjoyed an activity of bubble wrap printing on Earth.

Through a play way method, they learnt about seasonal fruits and enjoyed their fruit shop by selling and purchasing fruits. Exploring the theme-All about Me – they enjoyed tearing and pasting activity in the cutout of a human body to learn about different body parts. The students celebrated World Laughter Day with laughter therapy and giggles galore. They learnt about different objects related to letter L, letter T, number 1, number 2 and the shape of a Circle. They also learnt about Big and Small concept by segregation of fish according to their size.

Mother’s Day was a very exciting day for our little ones. They welcomed their mothers with enthusiasm and gave them the beautiful cards they had made for their mothers. They also enjoyed a Trashion Show- outfits made with waste with their mother in school as part of Mother’s Day Parent Involvement Activity.
