CHILDREN'S DAY CELEBRATION

Every child is a different kind of flower, and
all together,

Make this world a beautiful garden.

“ Happy Children's Day!”

If there is something that all of us like, it can
be nothing else but children. They conquer
our hearts with their angelic eyes and
innocent smiles. It makes us realize that may
be this is the way, God wanted us all to be.

IHS celebrated Children's day on 14th
November, 2018. The program started with
a funny chit chat between the students and
the teachers. Respected principal Ma'am
addressed the children and expressed her
love and care towards them.

The school organized a magic show on this
occasion. The magician showed his
impressive skills. He improved many tricks
and illusions that made the children and
teachers watch him in rapt attention and
excitement. The magic wand, the magic
words and the interesting and
distributivestyle of magician kept
everybody astounded. The students and
teachers kept guessing as to how the tricks
worked. All of them couldnotstopclapping as
he un folded his magic tricks one by one.
This way the whole day spent with lots of
fun and frolic.

SPORTS DAY

'Winning is not everything

But making the effort to win is.'

On this note HIS hosted its first annual sports day on 15th and 16th November, 2018. In these two days the students displayed a wide array of energetic and bouncy sports events. The playground was overflowing with zeal, passion and excitement. The young talents of HIS mesmerized the viewers with their energetic performance.

On the first day that is 15th Nov 2018, a variety of events took place. Students participated in large numbers in various engaging and innovative races like shuttle race, sprint race, huddle + zigzag race, balancing, lemon spoon race and one leg race and many more. Students cheered for their teams with high spirit.

The closing ceremony of the event took place on 16th Nov. 2018. The ceremony started with a march past which was done to honour the revered chief guests Mr. Satpal Dahiya honourable chairman and Mr. Yogesh Dahiya honourable Vice President in the presence of Respected Principal Madam Mrs. Indu Paruti. The march past was followed by a brilliant football match which was played between Team Phoenix and Team Dynamos. The match was won by the Team Dynamos.

After this, to encourage and appreciate the winners, the prize distribution took place. Medals and trophies were given to the individual and team winners. The overall sports trophy was won by the Team Dynamos. The whole day spent with great feivour and excitement. The aim behind the whole event was to inculcate the spirit of sportsmanship and fondness for sports in students.

IMPORTANCE OF DISCIPLINE

"A discipline mind leads to happiness and an undisciplined mind leads to suffering."

Discipline brings stability and structure into a person's life. It teaches a person to be responsible and respectful. The observance of well – defined rules is the basis of society .It promotes good human behaviour to better society and make it a more enjoyable place for everyone to live.

The ability for an individual to have self- restraint allows them to behave in a consistently stringent and controlled manner. A lack of this ability can have disastrous results. Without discipline, it is very difficult to lead a happy life in society. These will be indiscipline and chaos if we try to live in our own way. Both , individual and society will be in jeopardy.

Discipline has a major role in a students life and school is the second place after home where a child learns discipline. Discipline is basically the suppression of base desires and is often understood to be similar to self – restraint and control. A disciplined person always choose the best course of action irrespective of other's wishes. The honest behaviour is another form of discipline, it can be described as when one's value and aims are aligned.

"Discipline is the bridge between goals and accomplishment."

WORKSHOP ON TEACHING TECHNIQUES

A teacher is a learner before he or she is a teacher. The spirit of bettering oneself is what defines an educationist. In this regard it is essential for teachers to upgrade themselves attain a set of differential skills. A workshop on enhancing teaching techniques was organised for the teachers of Imperial heritage School on 2nd December, 2018. The focus of the workshop was on enabling teachers to develop their ability to help students. Today's teacher is more as a facilitator who promotes self learning and help students develop critical thinking skills and retain knowledge that leads to self actualisation.

FUN AND ACADEMICS GO HAND IN HAND

"All work and no play makes John a dull boy" . Participation in extracurricular activities makes the child more responsible, better time manager and positive. Kids,who are part of a team, learn to work together and handle problems in a better way. To develop their psychological, social and physical skills, IHS organises music , skating and sports classes for its young talents where they showcase their boundless energy levels and learn life lessons.
