MONTHLY PLANNER FOR NOVEMBER
GRADE VI (2025-2026)

“In November, the earth is growing quiet. It is making its bed, a winter bed for flowers and small creatures.”
- Cynthia Rylant

Dear Parent,

As November begins, our school brims with excitement and energy! With Annual Day preparations soon to commence, students will be seen channeling their creativity and talents toward making it a memorable celebration. October brought pride and joy as we hosted the 5th edition of *Maadhyam*, an inter-school competition where our students shone with remarkable achievements. The festive season saw a joyful break for Dussehra and Diwali, and our *Sharing and Caring Week* touched hearts through card-making and donations. We also captured beautiful school moments during a recent promotional shoot. Here's to a vibrant and eventful November ahead!

Let us have a look at all that students and teachers accomplished this past month.

- **Interhouse Competition - Toran Making:** The school celebrated the Festival of Lights with an exciting and artistic Inter-House Diwali Competition that brought colour, creativity, and joy to the school building. Students were divided into three groups, each given a unique task – creating a Toran, designing a lantern, and preparing a rangoli with colours, flowers, and decorative items. The competition not only highlighted the beauty of Diwali but also tested students' ability to think and plan independently, translate their imagination and visualisation into art, and work effectively within a time limit. The wall hanging group displayed artistic skills with innovative patterns.

Interhouse Toran Making Competition Result:

WARRIORS	1st position	Ivanshika Singh VI B
LEADERS	2nd position	Ridhima Singh VI A
CHAMPIONS	3rd position	Aanya Khushwaha VI A

- **Space Workshop:** The students engaged in an advanced engineering challenge by building hydrobots — water-powered machines that demonstrated fluid pressure, hydraulic systems, and Pascal's Law. The workshop was not only interactive and fun but also a great way to build 21st-century skills like creativity, critical thinking, teamwork, and problem-solving. Students gained hands-on STEM experience, learned to apply science in real-world contexts, and were inspired to dream big about space exploration and innovation.
- **Caring and Sharing Week:**
 - **Donation Drive:** The students kick-started the Sharing and Caring Week with the Donation drive. Students brought dry rations to donate to those in need at an NGO, Earth Saviours Foundation.
 - **Diwali Card:** Students also designed beautiful greeting cards highlighting the festive cheer. They wrote short and loving messages. These cards were sent to the children in the Earth Saviours Foundation.

- **Gratitude Messages for Grandparents:** In the “Gratitude Messages for Grandparents” Intra-Class Competition, students expressed affection and gratitude through beautifully designed postcards. Each message reflected treasured memories and heartfelt emotions, celebrating the special bond between generations. The activity helped children appreciate family values and the unconditional love of their grandparents.

Results of the Intra-Class Competition:

POSITION	VI A	VI B
FIRST	Raisha Rana, Ananya Ravesh	Paarth Yadav, Aadya Sanvi
SECOND	Dikshha Bhandari, Nayonika Yadav	Drishti, Suhana
THIRD	Arisa Srivastava, Pranjhana Indoriya	Rehansh Bhada

- **MAADHYAM 2025–26**, our Interschool Event on the theme “Reboot the Bard”, was conducted on 15th October. It gave an opportunity to reimagine Shakespeare through fresh perspectives, where timeless tales meet the limitless creativity of Gen Beta. Different schools participated in a variety of events and thrilled everyone with their presentation and performance.
- **World Mental Health Day:** On World Mental Health Day, students created a vision board-style collage to express the importance of mental well-being. Through images and words, they shared the meaning of mental health and ways to nurture it, such as self-care, positivity, and seeking support. This creative activity helped raise awareness and encouraged open conversations about emotional wellness.
- **Term I Result on ERP:** Term I results were uploaded on the ERP platform on 17th October, enabling parents to review their ward’s academic progress conveniently. This digital initiative reflected IHS’s commitment to transparency and effective communication. The results inspired students to reflect on their achievements, set new learning goals, and prepare with renewed focus for the upcoming term.
- **CBSE Activity: A Road Safety Quiz** was conducted in class to raise awareness among students about road safety rules, preventing accidents, ensuring smooth traffic flow, and discouraging underage driving. The quiz aimed to instill responsible behavior, awareness about traffic regulations, and the importance of adhering to rules, ultimately promoting a safe and accident-free environment for young road users.

Results of the Quiz:

POSITIONS	VI A	VI B
FIRST	Nayonika Yadav	Kunal Singh
SECOND	Raisha Rana	Paarth Yadav and Ridhaan Jain

- **MUN** - Four students from VI B proudly represented the school at the Model United Nations, held at Blue Bells International, Sector 4. **Reyanshi Bhada, Aadya Sanvi, Kunal Singh, and Dhruvit Singh** had a great opportunity to express their views and come to solutions for some of the world’s pressing issues.

Subject Enrichment Activities:

In English, the students studied a poem about the Laburnum tree in the school grounds. They observed the trees around and described how trees add beauty to human lives without any monetary value.

In French, the students studied nationalities from around the world. The activity helped them to understand how to write them in the French language, following the rules and their representation in terms of language, landmarks, and flag.

In Hindi, कक्षा 6 के छात्रों ने “मैया मैं नहीं माखन खायो” पर एक सुंदर अभिनय प्रस्तुत किया। बच्चों ने भगवान श्रीकृष्ण के बालरूप और उनकी माखन चोर लीलाओं को बहुत ही मनमोहक ढंग से दर्शाया। उनके अभिनय में भाव, संवाद और उत्साह देखने लायक था। मंच पर कृष्ण और यशोदा के संवादों ने सभी का मन मोह लिया। इस प्रस्तुति ने न केवल बच्चों की अभिनय कला को उजागर किया, बल्कि उनमें धार्मिक और सांस्कृतिक मूल्यों के प्रति प्रेम भी जगाया। यह कार्यक्रम अत्यंत सराहनीय और प्रेरणादायक रहा।

In Maths, students participated in a ‘*Fraction Activity*’ where they made two colourful circles to visually represent fractions. They demonstrated the *addition of like and unlike fractions* by shading and combining different parts of the circles. The main objective of this activity was to help students develop a clear understanding of how fractions represent parts of a whole and how they can be added visually.

Value of the month: The value of the month was Gratitude. Through the Caring and Sharing Week, the students expressed gratitude through loving postcards for their grandparents. A class discussion was held on how gratitude helps us steer away from negativity and embrace positivity. Students recalled what they had researched during the Mental Health Vision Board and shared enthusiastic responses.

Star Performers of the Month: Each month, students who consistently excel in academics, co-curricular activities, discipline, and overall participation are recognised with a Star Performer Certificate. This initiative not only celebrates their hard work and dedication but also encourages others to strive for excellence.

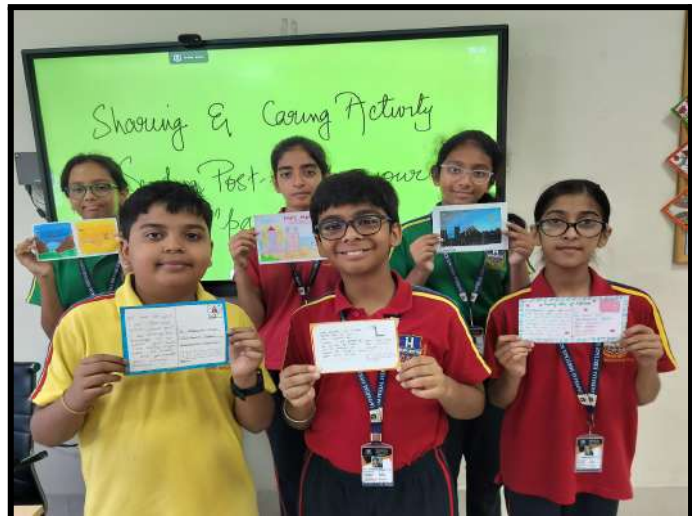

MONTH	VI A	VI B
October	Nayonika Yadav	Riyanshi Bhada

IHS News –

We are thrilled to announce that IHS has begun preparations for its **5th Annual Day Celebration!** This much-awaited event promises to be a grand showcase of our students’ talents, creativity, and hard work. The entire school is buzzing with excitement as students, teachers, and staff come together to make this celebration truly memorable. We look forward to an evening filled with joy, performances, and cherished memories that highlight the spirit and unity of our IHS family.
