

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR NOVEMBER
Grade VII (2025-2026)

Ultimately, education in its real sense is the pursuit of truth. It is endless journey through knowledge and enlightenment.
-Dr. A. P. J. Abdul Kalam

Dear Parents,

Greetings!

Historically, November has been viewed as a reflective month, marking the approach of winter. It was a time when communities focused on preserving their harvest and preparing their homes for the colder days ahead. In contrast, October was a vibrant month filled with both celebrations and academic milestones. Students received the results of their Term I Examinations, marking an important milestone in their academic journey. These assessments provided mentors an opportunity to share insightful feedback and constructive guidance, helping learners reflect on their performance. Reviewing the exams enabled students to recognize their strengths, address areas for improvement, and reinforce their understanding of key concepts—laying a strong foundation for continued growth and success. Team IHS is abuzz with excitement as preparations for the Annual Function are in full swing. The entire school community is gearing up with great enthusiasm to make the event a memorable celebration of talent and teamwork.

Value of the month: The value of the month was *Gratitude*, encouraging students to appreciate the blessings in their lives. To instill this value, an activity was conducted where students expressed heartfelt thanks to their family and friends for their love and support. They also reflected on what they have and offered prayers of gratitude to the Almighty.

Diwali Dhoom - Inter House Competition: The month was filled with festive enthusiasm as students participated wholeheartedly in the “Diwali Dhoom” Inter-House Competition, celebrating the joyous spirit of Diwali with creativity and collaboration. The event brought a radiant atmosphere to the school as participants designed beautiful torans, rangolis, and lanterns, reflecting the festival’s essence of light, colour, and togetherness. Each house displayed commendable effort and artistic expression, making the celebration truly vibrant and memorable. After a wonderful display of skill and imagination, **Challengers** secured the 1st position, followed by **Leaders** in the 2nd position and **Champions** in the 3rd position. The event not only showcased the students’ creative talents but also fostered team spirit and cultural appreciation. It was indeed a delightful celebration of Diwali — spreading brightness, harmony, and festive joy across the campus.

World Mental Health Day: On World Mental Health Day, students created a **vision board-style collage** to express the importance of mental well-being. Through images and words, they shared the meaning of mental health and ways to nurture it, such as self-care, positivity, and seeking support. This creative activity helped raise awareness and encouraged open conversations about emotional wellness.

Caring Gifts: October marked our *Sharing and Caring Week* — a special time dedicated to spreading kindness, generosity, and empathy within our community. As part of this meaningful initiative, we organized a *Donation Drive* in support of the **Earth Saviours Foundation**, an organization devoted to caring for the elderly, the differently-abled, survivors of abuse, and individuals battling chronic or terminal illnesses. This drive was not just about giving material support, but also about acknowledging the dignity and resilience of those often

forgotten by society. The spirit of sharing is a value cultivated over time, and events like these help our students develop compassion and social responsibility. With the festive season upon us, it was the perfect moment to extend our gratitude by making a positive impact in the lives of others.

My Card of Compassion: Small acts of compassion can make a big difference in someone's life. Students created *My Card of Compassion* to show kindness and understanding to others. It reminded them to be caring, helpful, and respectful every day.

Love Messages for Grandparents Intra Class Competition: Our *Love Messages for Grandparents* competition celebrated the special bond students share with their grandparents. Students expressed their love, gratitude, and cherished memories through heartfelt messages on beautifully made postcards. It was a beautiful way to honour the wisdom, warmth, and unconditional love of the grandparents. In Grade VII A, **Aditi Chaurasia** secured the First Position, **Ananya** and **Kyna Pathania** jointly secured the Second Position, and **Atharv Kesarvani** secured the Third Position. In Grade VII B, **Shivansh Yadav** and **Paridhi Tomar** jointly secured the First Position, **Manya Tyagi** and **Reyansh Burman** jointly secured the Second Position, and **Aadvika Chauhan** and **Kritika** jointly secured the Third Position.

Maadhyam 2025 – Reboot the Bard: Speak, Create, Evolve:

“All the world's a stage, and all the men and women merely players.” – William Shakespeare

The 5th edition of *Maadhyam* at Imperial Heritage School was a magnificent celebration of creativity, intellect, and imagination. This year's theme, “Reboot the Bard – Speak, Create, Evolve,” invited students to rediscover Shakespeare — not as a figure confined to history, but as a timeless voice that continues to inspire, challenge, and transform minds.

Through a series of innovative and thought-provoking events such as Bard's Little Beasts – The Animal Parade of Shakespeare, Shakespeare Puppet Parade, Silent Skits of the Bard, Shakespeare Insult Contest, Dancing Through Drama, Bard Battles, and The Bard's Book Trailer, students from 15 schools showcased their artistic flair and critical understanding of the Bard's enduring legacy. Each event offered a unique blend of performance, creativity, and interpretation, breathing new life into Shakespeare's words for a new generation.

Term I results on ERP: The Term I results were declared on the ERP on 17th October, giving students and parents clear insights into academic progress. Exams play a significant role in assessing understanding, identifying areas for improvement, and building discipline and responsibility. They also help set academic goals and motivate students to strive for continuous growth.

In Science, students explored the different modes of respiration in unicellular and multicellular organisms. They also gained a detailed understanding of the anatomy and functioning of the human respiratory system.

Star performer of the month-At Imperial Heritage School, we take pride in recognizing and celebrating excellence in every sphere. Each month, students who demonstrate outstanding performance in academics, co-curricular activities, discipline, and wholehearted participation are awarded the *Star Performer Certificate*. We are delighted to announce that **Kyna Pathania (VII A)** and **Manya Tyagi (VII B)** have been chosen as the Star Performers for the month of September! Their dedication, enthusiasm, and pursuit of excellence truly make them role models for their peers.

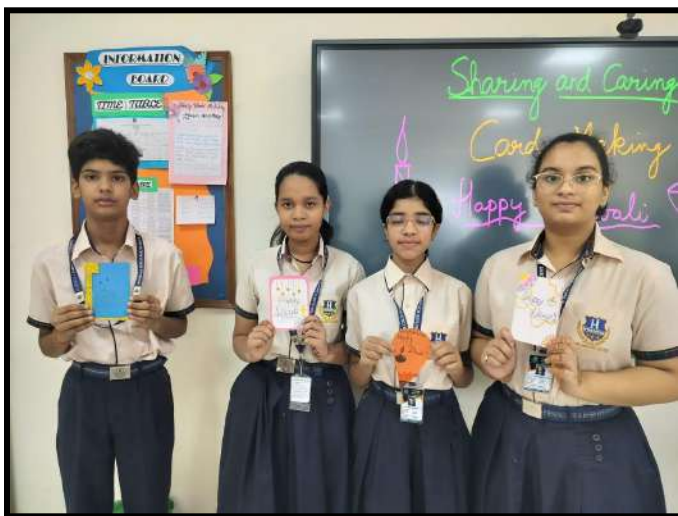

Congratulations, Kyna and Manya — keep up the brilliant work and continue to shine bright!

 **IHS News –**

We are thrilled to announce that IHS has begun preparations for its **5th Annual Day Celebration!** This much-awaited event promises to be a grand showcase of our students' talents, creativity, and hard work. The

entire school is buzzing with excitement as students, teachers, and staff come together to make this celebration truly memorable. We look forward to an evening filled with joy, performances, and cherished memories that highlight the spirit and unity of our IHS family.

VALUE OF THE
MONTH
"Honesty"

3. General Information

- School timing is 8:00 am – 2:30 pm. The school gate will be closed at 8.05 am. No entry will be allowed post that.
- Students must carry the almanac to school daily.
- Parents should check the almanac and ERP app regularly for any information.
- Students should be in the proper school uniform. Kindly use only black rubber bands, clips, or hair bands.
- Students must wear ID cards daily.
- A leave application must be submitted to the class teacher one day prior to the case of pre-planned leave. In case of illness, a medical certificate must be submitted within three days of rejoining school. In case of long leave to attend important family functions, prior written permission of the Headmistress / Principal must be obtained.
- Please ensure that your child is not suffering from a cold, cough, or fever at the time of leaving home. A temperature test will be done for every student before entry into the school premises.

We look forward to your cooperation in helping our children grow and learn together.
