

IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR NOVEMBER
NURSERY (2025-26)

A little progress each day adds up to big results.

Dear Parents,
Greetings!

November is a beautiful month that gently bridges autumn and winter. The air turns cool and fresh, and the trees glow in shades of gold, orange, and brown as their leaves slowly fall. It is a time when nature begins to rest, and people come together to celebrate gratitude, warmth, and togetherness. The days grow shorter, and cozy evenings are filled with comfort, laughter, and reflection. November reminds us to slow down, appreciate life's simple joys, and be thankful for the beauty that surrounds us.

October was a month filled with joy and celebration! The children thoroughly enjoyed **Diwali** activities and expressed their creativity through various festive crafts. They made beautiful Ganesha masks using paper cutouts and designed decorative diyas with stands, adorned with mirrors and colorful lace. The **Parent Involvement activity** added to the excitement, as the children eagerly participated alongside their parents to make delicious sweets, festive quilt, sparkling jar and celebrate the festive spirit together.

On the **academic** front, students participated in a range of enriching activities focused on the letters Aa, Cc, Gg, and Oo, as well as the number 8 and the shape of a star. They engaged in tracing and writing exercises to master the letters and played interactive games to enhance their letter recognition. Counting activities centered around the number 8, while drawing and craft projects allowed them to explore the concept of a star creatively. They learned about the concepts of tall and short using various objects. These diverse approaches made the learning experience both engaging and educational, enabling students to grasp new ideas in a fun and effective way.

During **Caring and Sharing Week**, the students took part in many fun activities with great excitement. They shared their favorite toys with their friends and learned how nice it feels to be kind and generous. It was a week full of love and friendship. As part of Sharing and Caring Week, our students came together with open hearts for a Donation Drive, contributing household essentials, groceries, and daily-use items to support those in need. The spirit of generosity and compassion was evident in every contribution. Students of Grades XI and XII also visited the **Earth Saviours Foundation**, an NGO dedicated to caring for

the elderly, abandoned, and underprivileged, where they personally handed over the donations. This meaningful experience gave students a deeper understanding of empathy, kindness, and social responsibility. It was a heartwarming reminder that even small acts of giving can truly brighten someone's life.

The **value of the month** was **Gratitude**, which resonated with the same spirit of caring and students crafted beautiful cards and bouquets for their class didis. This thoughtful activity allowed them to express their appreciation and love, showcasing their creativity while learning the importance of saying thank you. The joy on their faces as they presented their gifts reflected the true spirit of gratitude, making the occasion memorable for everyone involved.

Celebrating **Colour Burst**, our little ones had a wonderful time exploring the color orange. They discovered how to create orange by mixing red and yellow. The children then enjoyed doing hand printing with orange paint to make beautiful butterflies. They also made a moving orange craft using paper cutouts, which added to their excitement and creativity.

The little ones happily celebrated **Post Office Day** by making colorful postcards for their mothers. They used their creativity to draw pictures and write special messages, making each card unique. As part of the activity, they also learned how to stamp their postcards, enjoying the process of adding stamps before sending them. The children were excited as they imagined how happy their mothers would be to receive these heartfelt cards.

The little ones enthusiastically participated in the English rhyme Intra-class competition, showcasing their confidence and love for learning. They recited their rhymes with clear pronunciation, expressive gestures, and cheerful energy. Their excitement and preparation were visible as they captivated their classmates and teachers, making the event lively and full of joy. The activity also helped them build confidence in speaking in front of others while enjoying the fun of rhythm and rhyme.

A wonderful celebration for our little ones was **Halloween Day(Bagless Day)**. They dressed up in fun and spooky costumes, bringing the Halloween spirit to life with excitement and joy. The children participated in various activities, including making creepy-crawly spider crafts and creating little ghost and pumpkin decorations. They also enjoyed storytelling sessions filled with spooky yet fun tales. The celebration was full of creativity, laughter, and memorable moments for everyone.

To encourage students to try their best every day, the **Star Performer of the Month** award is given every month. To win, students should speak in English, follow the rules, wear full uniform, and take part in all class activities. The **STAR PERFORMER** for the month of October is Raavya Nagpal.

The **5th Annual Interschool Event, Maadhyam 2025 – Reboot the Bard**, was successfully hosted on 15th October, bringing together students from various schools in a spectacular celebration of talent and creativity. Every year, the event adopts a new theme, and this year's theme combined Shakespeare's timeless brilliance with a Gen Beta twist, where classic dramas were reimaged in modern, youth-inspired styles across different events. While our school was the host and did not officially compete, our students shone brilliantly — according to the judges' grading, we topped 5 out of 8 events! The day was filled with creativity, energy, and enthusiasm, making it a proud and memorable celebration of young voices giving a fresh, contemporary spin to the Bard.

Swachh Bharat Diwas (SBD) was also observed to pay tribute to the **Father of the Nation, Mahatma Gandhi**, on his Jayanti. As part of the **Swachhata Hi Sewa (SHS)** Campaign 2025, themed “Swachhotsav”, the school organized a series of activities to spread awareness about cleanliness, hygiene, and sustainable living. A **selfie point** was set up at the school entrance where students enthusiastically clicked pictures to promote the message of Swachhata. **Hand Wash Day** was observed, during which teachers demonstrated the correct steps and timings of hand washing with soap, emphasizing its importance in maintaining good health. They watched an informative video on personal hygiene, which encouraged them to adopt healthy habits in daily life. The campaign not only inspired students to keep their surroundings clean but also instilled in them the values of **hygiene, responsibility, and collective action**, thereby reinforcing the vision of a **Swachh Bharat**.

Winners of English Rhyme Intra Class Competition

| Position | Nursery |
|----------|-------------------|
| I | Taksh kumar |
| I | Anaisha yadav |
| II | Anaya Agarwal |
| II | Bhavika Chaudhary |

IHS News –

We are thrilled to announce that IHS has begun preparations for its **5th Annual Day Celebration!** This much-awaited event promises to be a grand showcase of our students’ talents, creativity, and hard work. The entire school is buzzing with excitement as students, teachers, and staff come together to make this celebration truly memorable. We look forward to an evening filled with joy, performances, and cherished memories that highlight the spirit and unity of our IHS family.
