IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR NOVEMBER
Grade X (2026-2027)

"Continuous improvement is better than delayed perfection" — Mark Twain

Dear Parents,

Greetings from Imperial Heritage School!

The pleasant autumn weather of November brings a refreshing change, creating a cheerful and comfortable atmosphere for learning and outdoor activities. As students continue their academic journey in Term II, the focus will remain on strengthening conceptual understanding, regular revision, and consistent academic progress. Students will be encouraged to reflect on their previous performance, overcome learning challenges, and approach their studies with greater confidence, discipline, and determination.

The month will also provide opportunities to nurture values such as gratitude, kindness, unity, and respect through festivals and meaningful school activities. A balanced blend of academic reinforcement, value-based learning, and co-curricular participation will inspire students to develop responsibility, creativity, and a positive outlook. November will encourage every student to make steady progress, celebrate achievements, and continue striving towards personal growth and academic excellence.

The value of the month was **"Gratitude**". A discussion was held on the importance of gratitude in everyday life and its positive impact on individuals and society. Students actively participated by sharing their thoughts and learned that simple acts of gratitude foster empathy, respect, and a caring community.

INTACH National Heritage Quiz: On 5th October 2026, Archit Patel and Arnav Thakur represented Imperial Heritage School in the City Round of the INTACH National Heritage Quiz, held at CCA. Their participation reflected the school's commitment to fostering an appreciation of India's rich cultural heritage and historical legacy.

World Mental Health Day: Acknowledging October as World Mental Health Month, and observing World Mental Health Day on 10th October, a series of activities were conducted across the Primary, Middle and Senior School wings. Through age-appropriate, interactive and informative activities, students were encouraged to understand their emotions, respect individual differences, make responsible choices, recognise the influence of peers and technology, and appreciate the importance of seeking support whenever required. Students of Grades IX, X and XI attended sessions on "**Building Emotional Resilience"** and **"Peer Pressure and Healthy Relationships"** organised by **Athena Behavioural Health Services**. These sessions were particularly relevant to adolescents as they navigate academic expectations, changing relationships, social influences and the increasing need for independent decision-making.

SOF Olympiad Examinations: Our School conducted the Science Olympiad Foundation (SOF) Olympiad Examinations to encourage academic excellence, strengthen conceptual understanding, and develop students' logical reasoning, analytical thinking, and problem-solving skills. The examinations provided students with an opportunity to assess their knowledge and competencies across various subjects.

The examinations were conducted as per the following schedule:

- IGKO (International General Knowledge Olympiad): 6 October 2026
- IMO (International Mathematics Olympiad): 22 October 2026
- IEO (International English Olympiad): 27 October 2026
- ISO (International Science Olympiad): 30 October 2026

As part of Sharing and Caring Week, a **Donation Drive** was organised to promote kindness, empathy, and compassion among students. The initiative aimed to support the **Earth Saviours Foundation**, which provides care and shelter to elderly and specially-abled individuals. Students and parents were encouraged to contribute essential food items, cleaning supplies, and other necessities. This initiative fostered the values of generosity, social responsibility, and the spirit of sharing and caring among students.

Term I results on ERP: The Term I results were declared on the ERP on 22nd October, giving students and parents clear insights into academic progress. Exams play a significant role in assessing understanding, identifying areas for improvement, and building discipline and responsibility. They also help set academic goals and motivate students to strive for continuous growth.

Parent-Teacher Meeting (PTM): A Parent-Teacher Meeting (PTM) was held on 31st October 2026 to discuss students' academic progress, learning outcomes, and areas for improvement. The meeting fostered meaningful collaboration between parents and teachers, reinforcing their shared commitment to students' holistic development and academic success.

SEA - ECONOMICS

An Economics activity titled "A Day Without Globalisation" was conducted to help students understand the concept of globalisation and its impact on daily life. Students explored the role of international trade, foreign products, technology, communication, and services in shaping modern lifestyles. Through creative presentations and mind maps, they reflected on how interconnected economies influence their everyday experiences and developed a deeper understanding of global interdependence.

SEA - PHYSICS

The students of Grade X performed the Ohm's Law experiment using a Physics laboratory kit, gaining hands-on experience in understanding the relationship between voltage, current, and resistance. By assembling the circuit, taking readings, and analysing their observations, they verified Ohm's Law and understood that current is directly proportional to the potential difference across a conductor, provided its temperature remains constant. This engaging activity enhanced their practical skills, scientific reasoning, and conceptual understanding through experiential learning.

SEA - BIOLOGY

In Biology, students observed prepared slides to study binary fission in Amoeba and budding in yeast and Hydra. They identified the characteristic features of these asexual reproductive processes, enhancing their understanding through practical observation. Students also learned the basics of heredity and developed an understanding of how traits are passed from parents to offspring.

SEA - MATHEMATICS

In the chapter on Triangles, students constructed three different triangles and verified the Basic Proportionality Theorem by drawing a line parallel to one side and measuring the corresponding segments to compare their ratios. This hands-on activity helped students understand the concept easily and develop a clear understanding of the theorem through practical learning.

SEA - ENGLISH

Role Play – Educating through Enacting was conducted with reference to the play– 'The Book that Saved the Earth' in the Grade X English NCERT textbook. This activity was done to enable the students to understand the plot and characters, and the sequence of incidents in the play. The objective of this event was to unveil the diverse competencies of students and also to help them develop necessary language skills.

IHS–Dongpae Middle School Cultural Exchange Programme

Imperial Heritage School, Gurugram, welcomed a delegation from its partner institution, Dongpae Middle School, South Korea, from 5th to 11th October 2026, strengthening their longstanding educational partnership. The seven-day programme featured engaging workshops in knife painting, quilling, pottery, robotics and Hindi, along with traditional Indian cooking, soccer and games such as Pittu and Stapu. The exchange provided valuable opportunities for cultural learning, meaningful interactions and lasting friendships, fostering greater cross-cultural understanding among students and teachers.

IHS News – Achievements and Accolades

Imperial Heritage School continues to celebrate the remarkable achievements of its students across sports and academics. Their talent, dedication and perseverance have brought laurels to the school, making the entire IHS family proud.

At the **16th Inter-School Skating Championships 2026**

IHS bagged the Overall Trophy. Gold medallists were Dhruvik Singh (I-A), Krisha (I-A), Ekveera (II-A), Naina (III-A) and Devansh (III-C); Silver medallists were Paakhi (I-A), Lira Khandodiya (IV-B), Ayansh Jagwani (IV-B) and Arohi Khandodiya (VI-B); and Bronze medallists were Ekansh Gupta (UKG-A), Suryodya (III-B) and Hanshika (V-B).

1st School Sports Open State Roller Skating Championships-2026

Mannat (II-A) won Gold in 1000m; Ekveera (II-A) won Gold in 1000m and Silver in 500m; Kavyansh (II-A) won Bronze in both 500m and 1000m; Advita Sharma (II-B) and Naina (III-A) won Bronze in 1000m; Devansh (III-C) won Silver in both 500m and 1000m; and Ayush Janghu (IV-A) won Bronze in 500m.

Inter-School Skating Championships at Pragyanam School

Kavyansh (II-A), Ekveera (II-A) and Lira Khandodiya (IV-B) won Gold, while Dhruvik (I-A) secured Silver. At the Inter-School Football Tournament at Pragyanam School, the Under-8 team won Gold and the Under-11 team secured Silver.

Inter-School Taekwondo Competition 2026

Ditya Tyagi (III-B) won Gold; Jaanvi (I-B), Garvit Tyagi (III-C) and Shivaay Chauhan (V-A) won Silver; and Mayra Mishra (II-A), Himanshi (II-C) and Keshav Tyagi (IV-C) won Bronze.

Inter-School Technology Competition at Ambience Public School

Aradhy Srivastava (VI-B) and Dhrupit Singh Jasrotia (VII-B) secured Second Position in AI Vision Studio, while Moksh Yadav (XI Science) and Disha (XII Commerce) secured Second Position in AI Shark Tank. Mannat (II-A) and Tarush (I-A) won Third Position in Pixels Pals: The Puppet Adventure.

Rasmanjari, organised by Lotus Valley International School

Ananya (XI Science), Anupriya (XI Science), Arshia Malik (IX-B) and Navi Tripathi (IX-B) secured Third Position in Ganit Aur Viraasat: Exploring the Math Behind India's Heritage.

Khel Mahotsav, organised by K.R. Mangalam World School, the girls' team secured Second Position in the Inter-School Lawn Tennis Competition. At Tech Trex, organised by Blue Bells Preparatory School, Triyansh Dahiya (UKG-B) won First Position in Tech Trex, while Anirudh (I-B) secured Second Position in Tech Strokes.

At the inter-school competition hosted by S.D. Heritage School,

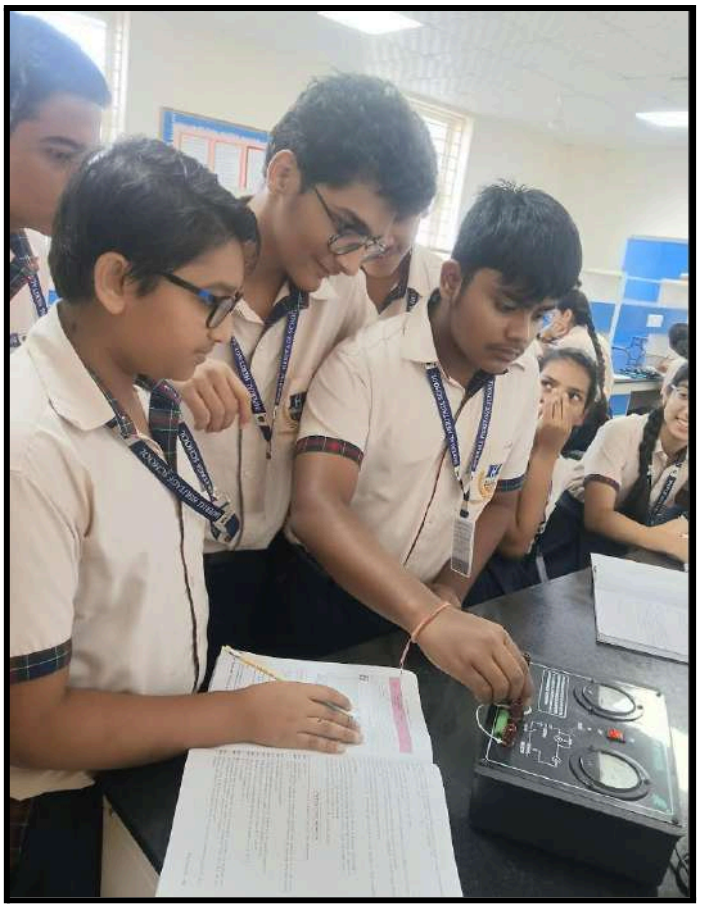

Drishya Tyagi (V) and Ishika (VI) won First Position in Fusion Threads: Sustainable Folk Fusion Jewellery Creations.

Looking Forward – November: Students will participate in Diwali-themed activities and inter-house competitions, followed by Sports Day for Nursery to Grade VIII on Children's Day, celebrating creativity, teamwork and sporting spirit.
