IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR NOVEMBER
GRADE XII COMMERCE (2026-2027)

"The mind is not a vessel to be filled, but a fire to be kindled." — Plutarch

Dear Parents,
Greetings!

With the successful completion of Term-I, we have stepped into Term-II. The month of October was full of joyful learning and festivities. Let us welcome November with zeal. We expect the same support from you for Term II as we move forward towards the Board Examination. Let this new month bring great miracles, new adventures, and incredible experiences for you.

Examinations are not just a test of memory, but a reflection of consistent learning and understanding. They help students assess their progress and identify areas for improvement. The **Term 1 PTM** was conducted successfully on 31st October, providing a valuable platform for parents and teachers to discuss each student's performance.

Term I Result on ERP: Term I results were published on the ERP system on 22nd October, allowing students and parents to review academic performance. This transparency helped in identifying areas of improvement and planning for future academic goals.

The month of October ushers in the festive season and the spirit of caring and sharing. To express our love and gratitude to the members of society by sharing and caring for them, the school organised a **Donation Drive** for the old and destitute of Earth Saviours Foundation. The students and the teachers generously donated to this noble cause.

As part of the Caring and Sharing Week, a joyful **Potluck** was conducted where students shared homemade dishes, celebrating the values of kindness, cooperation, and sharing.

Disha Chauhan participated in an inter-school competition in the event '**Umanita- AI Shark Tank-Pitch the Next Big Innovation'** held at Ambience Public School and secured **Second Position.**

In **Business Studies**, students were introduced to the EBIT-EPS Analysis. **In Economics**, students were shown the Union Budget presentation in the Lok Sabha to develop an understanding of how the government presents its annual budget, including its receipts and expenditure. The activity helped students connect theoretical concepts of Government Budget with real-life economic practices.

In Accountancy, students participated in a peer teaching activity where they explained different topics from the Accountancy syllabus to their classmates. The activity enhanced their conceptual understanding, communication skills, confidence and collaborative learning.

This month, we celebrated the value of **Gratitude**—the practice of appreciating the kindness and opportunities we receive and giving back to our community. As part of this month's theme, students were encouraged to donate to support those in need. This is an opportunity for us to express our gratitude by helping others who may be going through challenging times.

As the syllabus is completed, vigorous revisions are thoroughly being conducted gripping the students to make them prepare for their upcoming Pre-Board and CBSE Board Examinations.
