IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR NOVEMBER
GRADE-VI (2026-27)

"Gratitude is not only the greatest of virtues, but the parent of all others." — Cicero

Dear Parents,

October was a month of celebration across India, filled with the sparkle of Dussehra, the devotion of Durga Puja, and the joy of family gatherings. These festivals reminded us the importance of unity, gratitude, and the triumph of good over evil. The laughter of friends, the warmth of family, and the glow of lamps created memories that will stay with us for a long time. Festivals not only bring happiness but also teach us values of sharing, caring, and spreading positivity.

As we step into November, it is time to carry forward that festive energy into our academics. Just as the lights of Diwali brighten the darkest night, our dedication and curiosity can brighten our learning journey. November is also a month to focus on consistent study, revision, and preparation for upcoming assessments. The discipline we show now will help us achieve success later. Let us approach our lessons with the same enthusiasm we felt during the celebrations, turning challenges into opportunities.

May November be a month of balance—where the joy of festivals inspires us to work harder, stay motivated, and shine in both academics and personal growth.

World Mental Health Day: Acknowledging October as World Mental Health Month, and observing World Mental Health Day on 10 October, Students of Grade VI conducted an awareness campaign within the school premises. They encouraged their peers to recognise the importance of being sensitive towards other's feelings, while giving themselves an opportunity to take ownership of the message and act as young advocates for mental health awareness among their peers.

Caring and Sharing Week:

- **Donation Drive:** The school organized a meaningful *Donation Drive* where students were encouraged to contribute essential items such as flour, rice, and other eatables for the needy. The initiative aimed to instill values of empathy and social responsibility among children, reminding them that small acts of giving can make a big difference in someone's life. With enthusiastic participation, the drive became a collective effort of kindness, teaching students that generosity strengthens communities and spreads hope.

- **Kindness Coupons Activity:** Students of Grade VI participated in a heartwarming activity where they created *Kindness Coupons* for their classmates. Each coupon was thoughtfully designed and gifted to peers who had shown acts of kindness—whether by helping, supporting, or simply spreading positivity. The activity encouraged children to notice and appreciate good deeds around them, reinforcing the value of gratitude and empathy. The colorful coupons became tokens of encouragement, reminding everyone that kindness, when acknowledged, inspires more kindness.

  The **Interclass Competition** on "Kindness Coupons Display Board" witnessed enthusiastic participation from both sections of Grade VI, showcasing students' creativity, empathy, and understanding of the value of kindness. Through thoughtfully designed display boards, students presented a collection of meaningful kindness coupons that encouraged simple yet impactful acts of care, respect, and compassion.

Position	Name of the student
I	Samar Bhattacharya
II	Gunnika Aggarwal
III	Vedika Bakshi & Anshika Kathuria

SOF Olympiads (IGKO, IMO, IEO): The school successfully conducted the *SOF Olympiads* – International General Knowledge Olympiad (IGKO), International Mathematics Olympiad (IMO), and International English Olympiad (IEO). These prestigious examinations provided students with an opportunity to challenge themselves beyond the classroom, testing their knowledge, logical reasoning, and language skills at an international level.

Declaration of Term-I Result: The Term-I examination results have been officially declared on 23rd October 2026 on the School ERP. Parents and students could access the detailed performance reports on their ERP accounts. This digital declaration ensures transparency and convenience, allowing families to review academic progress and identify areas for improvement.

Night Camp: On **23rd October** the school organized an exciting *Night Camp* with an overnight sleepover, giving students a unique opportunity to experience adventure within their school campus. The evening was filled with fun-filled activities, games, music, and laughter, followed by a shared dinner that brought friends closer together. As night fell, students enjoyed the thrill of staying overnight with their peers, creating bonds and memories that will last a lifetime. The camp not only offered joy and togetherness but also nurtured teamwork, independence, and the spirit of community living.

PTM: The PTM held on 31 October offered a meaningful platform to review students' learning journeys. Teachers shared insights on academic progress, classroom participation, and overall development, while parents provided constructive feedback and expressed appreciation for the school's efforts. The discussions highlighted the importance of consistent study habits, balanced co-curricular involvement, and value-based learning. Together, parents and teachers reaffirmed their commitment to guiding students toward excellence and holistic growth in the upcoming term.

Subject enrichment: In **Science**, As part of their science chapter, 'Separation of Substances' the young learners actively participated in a series of lab experiments to explore how different components of a mixture can be separated using varied scientific techniques, like evaporation, condensation, filtration, distillation, sedimentation and decantation.

In **Hindi**, **कक्षा 6 के विद्यार्थियों के लिए हिंदी विषय के अंतर्गत चित्र-वर्णन गतिविधि का आयोजन किया गया। इस गतिविधि में विद्यार्थियों ने अपनी रचनात्मकता और कल्पनाशक्ति का परिचय देते हुए सुंदर एवं आकर्षक चित्र बनाए तथा उन चित्रों का सजीव और प्रभावशाली वर्णन किया। इस गतिविधि के माध्यम से विद्यार्थियों की अवलोकन क्षमता, शब्द-भंडार, लेखन कौशल और अभिव्यक्ति क्षमता का विकास हुआ। सभी विद्यार्थियों ने उत्साहपूर्वक भाग लेते हुए अपनी प्रतिभा का प्रदर्शन किया। इस गतिविधि से विद्यार्थियों में हिंदी भाषा के प्रति रुचि बढ़ी तथा उन्होंने अपने विचारों को सरल, सुंदर और प्रभावशाली शब्दों में प्रस्तुत करना सीखा। साथ ही, इसने उनकी कल्पनाशक्ति को नई उड़ान दी और सीखने की प्रक्रिया को आनंदमय एवं रोचक बनाया। यह गतिविधि राष्ट्रीय शिक्षा नीति (NEP 2020) के अनुभवात्मक एवं रचनात्मक शिक्षण के उद्देश्यों को साकार करने की दिशा में एक सार्थक प्रयास रही।**

In **Mathematics,** Students of Grade VI created a graphical representation on graph paper to illustrate the heights of geographical features above sea level and the depths of features below sea level. Using integers and a line graph, they represented positive and negative values to understand their practical applications. The activity enhanced their graphing skills and strengthened their understanding of integers through real-life geographical examples.

In **English**, The students of Grade VI participated in an engaging and interactive activity on FANBOYS conjunctions to strengthen their understanding of coordinating conjunctions. The students were divided into seven groups, with each group exploring the use of For, And, Nor, But, Or, Yet, and So. They were challenged to write as many meaningful sentences as possible using each of the seven conjunctions within the given time limit. The activity encouraged teamwork, healthy competition, creative thinking, and the practical application of grammar rules, making learning both enjoyable and effective.

Achievement: Arohi Khandodiya, VI B, won Silver medal at the 16th Inter-School Skating Championships 2026, held at GD Goenka Public School, Sector 10A, Gurugram, on 2nd October 2026. We congratulate her for showcasing remarkable skill, determination, and sportsmanship. **Ishika** of Grade VI B, won the I prize in a Jewellery making competition at S.D. Heritage School, Gurgaon on 14th October. **Aradhy Srivastava**, VI B, won II prize in Presentation making and pitching the idea at Ambience Public School, Gurgaon.

Wild Wisdom Global Challenge (WWGC) 2026: The Classroom Challenge Round of the Wild Wisdom Global Challenge (WWGC) 2026 was conducted virtually and witnessed enthusiastic participation, with over 40,000 students across the country attempting the quiz. This year's theme, "From the Coastline to the Seafloor – An Ocean Odyssey," focused on oceans, marine biodiversity, underwater ecosystems, and marine conservation. Students explored marine life, its unique adaptations, the challenges facing ocean ecosystems, and the relationship between humans and oceans. The challenge enhanced students' knowledge of marine life and environmental conservation while fostering awareness about protecting oceans and preserving the planet's biodiversity. We are delighted to announce that **Ridhaan Jain** of Class VII B and **Vedansh Singh Rathore** of Grade VI A emerged as the top two scorers from our school and qualified for the State-Level Virtual Round of the Wild Wisdom Global Challenge (WWGC) 2026.

Value of the month: In October, the students of Grade VI celebrated the value of *Gratitude* by creating badges for school helpers such as matrons, bus drivers, and gardeners, acknowledging their vital contributions. They also expressed appreciation for classmates by designing *Kindness Coupons* to highlight acts of care and support. The activity nurtured empathy, respect, and thankfulness, reinforcing the spirit of community and compassion.

Star Performer of the month: The Star Performer of the Month was honored for consistently maintaining excellence in academics and conduct. Evaluated on key parameters such as discipline, adherence to proper uniform, neat and timely submission of homework and assignments, effective English communication, and active participation in class activities, this recognition celebrates a student who truly sets a motivating example for peers.

PARENTING TIP EARLY ADOLESCENCE (Class 6 to Class 8 | Ages 11–13)

November & January— Mental Health

Mental health concerns and self-harm most commonly emerge in this phase. Parents might be the last to know because children this age conceal distress from parents and because parents are not trained to look.

Parent focus: Some themes that could be emphasized at this stage of development are outlined- The warning signs specific to this age — withdrawal, sleep changes, grade drops, loss of interest in previously loved activities; the selfharm conversation; not reacting with panic when a child discloses; knowing the school counselor by name.

IHS News:

Dongpae Middle School Cultural Exchange Programme

Imperial Heritage School, Gurugram, welcomed a delegation from its partner institution, Dongpae Middle School, South Korea, from 5th to 11th October 2026, strengthening their longstanding educational partnership. The seven-day programme featured engaging workshops in knife painting, quilling, pottery, robotics and Hindi, along with traditional Indian cooking, soccer and games such as Pittu and Stapu. The exchange provided valuable opportunities for cultural learning, meaningful interactions and lasting friendships, fostering greater cross-cultural understanding among students and teachers.
