IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR NOVEMBER
NURSERY (2026-27)

A little progress each day adds up to big results.

Dear Parents,

Greetings!

November is a beautiful month that gently bridges autumn and winter. The air turns cool and fresh, and the trees glow in shades of gold, orange, and brown as their leaves slowly fall. It is a time when nature begins to rest, and people come together to celebrate gratitude, warmth, and togetherness. The days grow shorter, and cozy evenings are filled with comfort, laughter, and reflection. November reminds us to slow down, appreciate life's simple joys, and be thankful for the beauty that surrounds us.

On the **academic** front, students participated in a range of enriching activities focused on the letters Aa, Cc, Gg, and Oo, as well as the number 8 and the shape of a star. They engaged in tracing and writing exercises to master the letters and played interactive games to enhance their letter recognition. Counting activities centered around the number 8, while drawing and craft projects allowed them to explore the concept of a star creatively. They learned about the concepts of tall and short using various objects. These diverse approaches made the learning experience both engaging and educational, enabling students to grasp new ideas in a fun and effective way.

On the occasion of **Gandhi Jayanti,** our little learners created a beautiful craft of Mahatma Gandhi Ji. They painted ice cream sticks in the colours of the Indian tricolour and arranged them to make a frame. They then decorated the cut-out of Gandhi Ji using the dabbing technique, making the activity fun, creative, and meaningful. This activity helped enhance their fine motor skills, creativity, and colour recognition. The children also learned about Mahatma Gandhi Ji and his valuable contribution to our nation.

A special assembly was conducted by Grade IV C to commemorate Gandhi Jayanti and pay tribute to the Father of the Nation, Mahatma Gandhi. The students thoughtfully presented glimpses of his inspiring life and highlighted his timeless values of truth, non-violence, peace, and simplicity. Through their presentation, they encouraged everyone to embrace kindness, honesty, and respect in their daily lives. The assembly served as a meaningful reminder that Gandhiji's ideals continue to inspire us to build a peaceful, compassionate, and harmonious world.

During **Caring and Sharing Week**, our students participated in a variety of fun-filled activities with great enthusiasm and joy. They lovingly created beautiful handmade cards for our didis, decorating them with their tiny handprints as a heartfelt gesture of love and appreciation. As part of the celebration, the students also took part in a Donation Drive, contributing household essentials, groceries, and daily-use items to support those in need. The spirit of kindness, generosity, and compassion was evident in every contribution. The week served as a beautiful reminder that even the smallest acts of kindness can make a big difference, teaching our students the importance of caring for others, sharing what they have, and spreading happiness in the community.

The **value of the month** was **Gratitude**, which resonated with the same spirit of caring and students crafted beautiful cards for their class didis. This thoughtful activity allowed them to express their appreciation and love, showcasing their creativity while learning the importance of saying thank you. The joy on their faces as they presented their gifts reflected the true spirit of gratitude, making the occasion memorable for everyone involved.

Celebrating **Colour Burst**, our little ones had a wonderful time exploring the vibrant colour orange. They discovered how to create orange by mixing red and yellow, making the learning experience fun and exciting. The children then enjoyed hand printing with orange paint to create beautiful foxes on paper. Through this creative activity, they explored colours, enhanced their sensory experiences, and developed their fine motor skills. Their happy smiles and colourful creations made the activity even more special. It was a delightful blend of learning, creativity, and fun!

The little ones happily celebrated **Post Office Day** by creating colourful postcards for their parents. They enjoyed finger printing to make beautiful hearts on their postcards, adding a personal touch filled with love and affection. As part of the activity, they also learned how to stamp their postcards, enthusiastically adding stamps before sending them. The children were excited as they imagined the joy and happiness their parents would feel upon receiving these heartfelt cards. This fun-filled activity helped them understand the importance of a post office while encouraging creativity, developing fine motor skills, and teaching them the beautiful habit of expressing love through thoughtful gestures.

Dussehra is a festival that signifies the victory of good over evil. The students of Grade V presented a beautiful and meaningful assembly on the auspicious occasion of Dussehra. Our little learners enjoyed listening to the story of Dussehra and learned about the significance of this festival. They created a beautiful Ravana craft using paper cones to make the body. They pasted Ravana's ten heads and decorated their craft with glitter sheets and colourful stones. This fun-filled activity encouraged their creativity, imagination, and fine motor skills while helping them understand the importance of truth and goodness.

Our little ones celebrated **Navratri** with great joy and enthusiasm! They dressed up in beautiful traditional attire and enjoyed dancing to the lively beats of Dandiya, holding colourful Dandiya sticks. The celebration was filled with music, dance, and festive cheer. Our little stars also brought sweets and happily shared them with their friends, teachers, and didis, spreading love, happiness, and togetherness. It was a wonderful celebration filled with smiles, cultural learning, and beautiful memories!

The theme of the month was **"Celebration,"** which helped children understand the joy and significance of festivals in our lives. They learned about different types of festivals, including national, religious, and harvest festivals, and explored how festivals bring people together in love, unity, and happiness. The

children also learned about various festivals celebrated by different religions, understanding the importance of respecting and appreciating diverse cultures and traditions. Through stories, videos, and classroom discussions, they discovered how festivals are celebrated by decorating homes, lighting diyas, singing songs, and sharing sweets with family and friends. These engaging activities helped foster a sense of togetherness, cultural awareness, and respect for diversity among the little ones.

Our little ones had a wonderful time celebrating **Halloween Day (Bagless Day)**, filled with excitement, creativity, and spooky fun! Dressed in fun and spooky costumes, they brought the Halloween spirit to life with their adorable looks and cheerful smiles. The children enthusiastically participated in various creative activities, including making *Haunted Plate Surprise* crafts and creating cute little ghost and pumpkin decorations. They also enjoyed engaging storytelling sessions filled with spooky yet fun tales that sparked their imagination. The day was a delightful blend of learning, creativity, and laughter, giving our little ones an opportunity to explore their artistic skills, express themselves, and create beautiful memories together. It was truly a spooktacular celebration filled with joy, giggles, and unforgettable moments!

To encourage students to try their best every day, the **Star Performer of the Month** award is given every month. To win, students should speak in English, follow the rules, wear full uniform, and take part in all class activities. **STAR PERFORMER** for the month of October is Shanaya Kasnia .

CBSE Parenting Calendar:

Parenting today is both deeply rewarding and increasingly complex. As children navigate a fast-changing world shaped by new learning environments, evolving expectations, and diverse influences, the role of parents becomes even more significant in providing stability, guidance, and emotional grounding. A child's development is most meaningful when supported consistently across both home and school. Recognising this, the CBSE Parenting Calendar for the academic session 2026- 2027 continues to build on its vision of strengthening the home–school partnership as a cornerstone of student success.

TIP FOR NOVEMBER — Discipline with empathy

Discipline at this age is about structure and warmth — not punishment. The toddler who hits, bites, or throws tantrums is not being defiant; they are neurologically still developing. Their brain's capacity for impulse control is still forming, and behavior that looks like a character flaw is almost always a developmental stage. The parent who understands this responds very differently from one who reads it as willfulness to be corrected. Parent focus: Some themes that could be emphasized at this stage of development are outlined- Natural consequences; calm, brief, consistent boundaries; the complete ineffectiveness of reasoning with a child under 4 mid-tantrum; repair after conflict.

IHS NEWS

IHS-Dongpae Middle School Cultural Exchange Programme, Imperial Heritage School, Gurugram, welcomed a delegation from its partner institution,Dongpae Middle School, South Korea, from 5 to 11 October 2026, strengthening their longstanding educational partnership. The seven-day programme featured engaging workshops in knife painting, quilling, pottery, robotics and Hindi, along with traditional Indian cooking,soccer and games such

as Pittu and Stapu. The exchange provided valuable opportunities for cultural learning, meaningful interactions and lasting friendships, fostering greater cross-cultural understanding among students and teachers.
