IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR NOVEMBER
UKG (2026-27)

"Gratitude is a simple way to make the world kinder."

Dear Parents,
Greetings!

As the festive cheer of October gives way to November, the month brings with it warmth, happiness, and opportunities to cherish special moments with family and friends. The pleasant winter breeze and cozy evenings create a wonderful atmosphere of togetherness and gratitude. With festive memories still fresh and the excitement of the upcoming holiday season in the air, November adds its own charm to everyday life, making the days even more delightful and memorable.

Academically, students engaged in a range of stimulating activities that made learning enjoyable and meaningful. Through interactive discussions, hands-on experiences, and collaborative tasks, they explored new concepts and strengthened their understanding. Their enthusiasm, curiosity, and active participation reflected a growing interest in learning. Special emphasis was placed on nurturing language, mathematical, and cognitive abilities, encouraging students to build confidence, develop essential skills, and cultivate a positive attitude towards learning.

In **Literacy**, students strengthened their understanding of vowels and consonants, with a special focus on **'e' family words**. They engaged in activities involving sentence formation, identifying the odd one out, and practicing writing skills. Fun-filled word games, storytelling sessions, and interactive classroom experiences made learning lively and meaningful. These activities encouraged creativity, active participation, and helped children enhance their vocabulary, comprehension, and confidence in using the English language.

In **Numeracy**, students developed their understanding of **greater than, less than, and equal to** through interactive exercises using the appropriate mathematical signs. They practised **backward counting from 50 to 0**, filled in missing numbers, and identified numbers that come **before, between, and after** a given number. Regular revision of counting from **1 to 100** and number names from **1 to 10** further reinforced their numerical skills. Engaging number games and hands-on activities made learning fun while nurturing logical thinking, observation, and problem-solving abilities.

Theme Celebration – Festivals of India ✨🌈

The Pre-Primary Wing celebrated **"Festivals of India"** with great enthusiasm, colour, and festive cheer. The celebration highlighted the vibrant traditions of **Holi, Diwali, Christmas, Baisakhi, and Eid**, helping children appreciate the rich cultural diversity of our country.

The little learners looked adorable in their festival-related attire, reflecting the unique dressing styles associated with each celebration. They also explored the traditional delicacies of different festivals, learning about the special foods that add flavour to these joyous occasions. Engaging festival-themed activities further enriched their understanding of the customs and traditions associated with each festival.

The celebration concluded on a lively note with music and movement, as the children danced joyfully to energetic beats**,** filling the atmosphere with happiness, excitement, and festive spirit. It was a delightful learning experience that celebrated India's cultural heritage and reinforced the values of sharing, togetherness, and unity in diversity.

On the occasion of **Gandhi Jayanti**, our little learners enjoyed a fun and creative **Three Wise Monkeys craft activity**. The children painted paper plates brown and added eyes, hands, and facial features to create their own wise monkeys. Through this activity, they learned the values of **"See No Evil, Hear No Evil, Speak No Evil"** and were encouraged to practice kindness, positive thinking, and good actions. A special assembly was conducted by **Grade IV C** to commemorate Gandhi Jayanti. The students highlighted Gandhiji's inspiring life, his values of truth and non-violence, and his enduring message of peace and kindness, reminding everyone to follow his ideals in their daily lives.

Our little learners celebrated **Dussehra** with a creative and meaningful Ravana craft activity. They crafted Ravana's body using hand fans and decorated their ten-headed creations beautifully with colourful beads. On each head, children wrote a habit they wished to overcome, reflecting on the importance of letting go of negativity and embracing positive values. A special assembly was also conducted by the students of **Grade V**, who beautifully depicted the victory of good over evil through the story and significance of Dussehra. The celebration helped children understand the festival's message of truth, goodness, and righteousness. Through these engaging experiences, our young learners were encouraged to practice kindness, honesty, patience, and respect in their everyday lives.

To mark **World Post Office Day**, teachers created a mini post office to introduce children to the fascinating world of postal services. Through an engaging role-play activity, children learnt how letters are addressed, stamped, sorted, and sent to their destinations. They enthusiastically designed their own postcards, adding colourful drawings and sweet messages for their family members. This hands-on experience helped them understand the functioning of a post office while nurturing their creativity, communication skills, and appreciation for the important role of postal services.

The Colour Burst – Orange Day was celebrated with great excitement as children dressed in vibrant orange and enjoyed exploring the colour through creative experiences. Our little learners created adorable **'Giggle Carrot' craft** using bubble-wrap impressions with orange paint, adding green leaves and painting grass with cheerful green brush strokes. This hands-on activity encouraged creativity, strengthened fine motor skills, and helped children explore colours, patterns, and textures. The celebration became even more lively with joyful songs and dance, making Orange Day a delightful blend of art, movement, and experiential learning.

Dandiya Fun – A Celebration of Rhythm and Tradition

Our little learners enjoyed a vibrant and joyful **Dandiya Fun** celebration filled with music, dance, and festive cheer. The children looked adorable dressed in traditional attire, with girls wearing colourful lehenga cholis and boys dressed in kurta pyjamas. They enthusiastically played dandiya to lively festive songs, tapping their dandiya sticks to the rhythm and enjoying every moment with their friends. The celebration introduced children to the beauty of Indian traditions while encouraging coordination, rhythm, teamwork, and cultural appreciation. It was a delightful experience filled with laughter, energy, and colourful memories!

Caring and Sharing Week – Spreading Kindness and Gratitude

Caring and Sharing Week was celebrated with the aim of nurturing kindness, empathy, and gratitude among our little learners. As part of the value of the month, **Gratitude**, children learnt the importance of appreciating the people who support and care for us every day. They expressed their heartfelt thanks to the school support staff by creating beautiful thank you cards, decorating them with colourful drawings, and personally presenting them as a token of love and appreciation.

The spirit of sharing was further strengthened through a **Donation Drive**, in which children brought essential grocery items such as rice, pulses, and other daily necessities for donation to an NGO. This thoughtful initiative helped children understand the joy of giving, the importance of helping those in need, and the value of contributing to the community. Through these meaningful experiences, our young learners discovered that even the smallest acts of kindness can make a big difference and that gratitude and generosity make the world a happier place.

Bagless Day-Halloween Celebration

The school celebrated a fun-filled **Bagless Day** with exciting Halloween-themed activities. Children arrived in creative costumes, dressed as ghosts, spiders, skeletons, and other spooky characters, adding to the festive spirit. Teachers beautifully decorated the classroom with Halloween-themed elements, transforming it into a spooky and fascinating space for the little learners. The children enjoyed listening to an engaging **spooky story** narrated by their teachers, which sparked their imagination and enhanced their listening skills. They also participated in a creative **Witchy Craft** activity, using hand impressions and poster colours to create their artwork, which they completed by pasting a witch’s hat and broom. Music and dance added to the excitement, making the celebration lively and enjoyable. The day provided a wonderful opportunity for children to explore their creativity, express themselves, and learn through fun-filled experiences, creating delightful Halloween memories.

CBSE Parenting Calendar:

Parenting today is both deeply rewarding and increasingly complex. As children navigate a fast-changing world shaped by new learning environments, evolving expectations, and diverse influences, the role of parents becomes even more significant in providing stability, guidance, and emotional grounding. A child’s development is most meaningful when supported consistently across both home and school. Recognising this, the CBSE Parenting Calendar for the academic session 2026- 2027 continues to build on its vision of strengthening the home–school partnership as a cornerstone of student success.

TIP FOR NOVEMBER- Discipline with empathy

Discipline at this age is about structure and warmth — not punishment. The toddler who hits, bites, or throws tantrums is not being defiant; they are neurologically still developing. Their brain's capacity for impulse control is still forming, and behavior that looks like a character flaw is almost always a developmental stage. The parent who understands this responds very differently from one who reads it as willfulness to be corrected.

Parent focus: Some themes that could be emphasized at this stage of development are outlined- Natural consequences; calm, brief, consistent boundaries; the complete ineffectiveness of reasoning with a child under 4 mid-tantrum; repair after conflict.

IHS NEWS

IHS-Dongpae Middle School Cultural Exchange Programme, Imperial Heritage School, Gurugram, welcomed a delegation from its partner institution, Dongpae Middle School, South Korea, from 5 to 11 October 2026, strengthening their longstanding educational partnership. The seven-day programme featured engaging workshops in knife painting, quilling, pottery, robotics and Hindi, along with traditional Indian cooking, soccer and games such as Pittu and Stapu. The exchange provided valuable opportunities for cultural learning, meaningful interactions and lasting friendships, fostering greater cross-cultural understanding among students and teachers.

IHS News – Achievements and Accolades, Imperial Heritage School continues to celebrate the remarkable achievements of its students across sports and academics. Their talent, dedication and perseverance have brought laurels to the school, making the entire IHS family proud.

At the **16th Inter-School Skating Championships 2026**, IHS bagged the Overall Trophy. Gold medallists were Dhruvik Singh (I-A), Krisha (I-A), Ekveera (II-A), Naina (III-A) and Devansh (III-C); Silver medallists were Paakhi (I-A), Lira Khandodiya (IV-B), Ayansh Jagwani (IV-B) and Arohi Khandodiya (VI-B); and Bronze medallists were Ekansh Gupta (UKG-A), Suryodya (III-B) and Hanshika (V-B).

1st School Sports Open State Roller Skating Championships-2026 Mannat (II-A) won Gold in 1000m; Ekveera (II-A) won Gold in 1000m and Silver in 500m; Kavyansh (II-A) won Bronze in both 500m and 1000m; Advita Sharma (II-B) and Naina (III-A) won Bronze in 1000m; Devansh (III-C) won Silver in both 500m and 1000m; and Ayush Janghu (IV-A) won Bronze in 500m.

Inter-School Skating Championships at Pragyanam School, Kavyansh (II-A), Ekveera (II-A) and Lira Khandodiya (IV-B) won Gold, while Dhruvik (I-A) secured Silver. At the Inter-School Football Tournament at Pragyanam School, the Under-8 team won Gold and the Under-11 team secured Silver.

Inter-School Taekwondo Competition 2026, Ditya Tyagi (III-B) won Gold; Jaanvi (I-B), Garvit Tyagi (III-C) and Shivaay Chauhan (V-A) won Silver; and Mayra Mishra (II-A), Himanshi (II-C) and Keshav Tyagi (IV-C) won Bronze.
