*"Education is not the learning of facts, but the training of the mind to think."

Dear Parents,  
Greetings!

“October is a symphony of permanence and change.”

October, being a festive month, will be full of celebrations as we will be celebrating Navratri, Dussehra, and a lot of engaging activities will keep our students engrossed throughout the month. Focus will be on the academic front as well to help them cope up with the scholastic subjects. September played a pivotal role in consolidating the preparations and focusing on revision for their mid-term examinations. A thorough recapitulation was done to help students prepare well for their exams.

CBSE has clearly outlined the significance of speaking and listening skills as part of the co-scholastic areas of achievement for every learner. **Assessment of Speaking and Listening Skills** was conducted as a part of their subject enrichment activity to assess their proficiency level in the language, with the objective that they are able to interpret what is being said and are able to express themselves well.

**Teachers' Day** was celebrated on 4th September. This year, the Student Council made the day memorable by presenting roses to their teachers as a token of gratitude. The thoughtful gesture deeply touched the teachers, who were overwhelmed with emotions. Words of appreciation seemed insufficient to acknowledge the effort, warmth, and respect shown by the students.

**Navy Quiz ThinQ 2025** is a national-level quiz competition organized by the Indian Navy for students of Grades IX to XII. It is designed to ignite curiosity and awareness among young minds about India's maritime heritage, naval operations, and national security. It offered a unique opportunity for participants to engage with the Indian Navy and envision their role as future leaders of the nation. The following participants - **Utkarsh Tyagi, Yug Joshi, Arnav Yadav, Priyansh Agarwal, Rythm, Anupriya Kumari, Jhalak Rana, Krishang Gupta, Arnav Chauhan** had qualified the 1st round and appeared for the 2nd round on 9th September.

On the auspicious occasion of **Major Dhyan Chand's Birth Anniversary**, our school organized a variety of sports and games to pay tribute to the “Hockey Wizard of India” and to spread awareness about the importance of fitness, teamwork, and sportsmanship. The program began with energetic Races. This was followed by the traditional game of Pitthu (Seven Stones). The thrill continued with Kho-Kho, one of the most loved Indian sports. The celebration concluded with a friendly Cricket match, the most popular game among students. Overall, the celebration turned into a joyful festival of sports.

The school organised a **Career Fair** in collaboration with IDP on Wednesday, 3rd September. The fair provided valuable insights into higher education opportunities and career pathways. Representatives from

reputed universities in Canada presented to guide students and parents about courses, admission processes, and future prospects.

**Term-1 AI Practical and Theory Exams** were conducted to assess the academic performance. It helped the student to know how their hard work is showing up and what they need to do to work on the weak areas. This also motivates the students to work even more and achieve their goals.

The value of the month was '**Hard Work**'. Students were encouraged to put their hard work in term examinations, which will play a critical role in achieving success and reaching academic goals.
