*“Education is the most powerful weapon which you can use to change the world” —Nelson Mandela*

Dear Parents,

Greetings!!

“Imagination is more important than knowledge” because knowledge is about what we already know, whereas imagination is what moves individuals and cultures forward. Imagination leads to innovation. IHS ensures high-quality education, which motivates and empowers our students to be lifelong learners and productive members of society. We focus on the complete development of our students by involving them in both scholastic and co-scholastic activities. Surely it will help our children to realize, understand, and explore their talents.

In the month of September, the students of Grade XI Commerce got engaged in many scholastic and co-scholastic activities.

As part of the **CBSE SEWA** programme, Grade XI students performed a **Nukkad Natak** (street play) on 30-8-25 at Coralwood Apartment, Sector 84, Gurugram, and Ultima Condominium Association, Sector 81, Gurugram as a part of the societal awareness campaign initiated by IHS under the name ‘Eco Warriors of IHS’.

The theme of the street play was “Garbage Segregation”, which aimed to spread awareness among the public about the critical need for proper segregation and dumping of garbage at defined places.

Through this performance, our students tried to engage the community in meaningful dialogue and encourage responsible action towards this pressing environmental concern.

As part of our initiative to promote the importance of literacy, the **Literacy Pledge Wall Activity** was conducted on 9<sup>th</sup> September for Grade XI. Students enthusiastically participated by writing their personal literacy pledges and motivational quotes on half A4 sheets in creative and colorful ways.

**Assessment of Speaking and Listening Skills** was conducted as a part of the **English** subject enrichment activity to assess their proficiency level in the language, with the objective that they are able to interpret what is being said and are able to express themselves well.

As part of the Business Studies curriculum, a group discussion was conducted on the theme *Traditional Business vs E-Business*. The students were divided into groups and asked to compare both forms of business on the basis of mode of operation, investment, reach, ease of formation, risk, and customer interaction. The activity helped students to understand the changing nature of business in the digital age and the importance of adopting technology for growth.

**Term-1 Practical and Theory Exams** were conducted to assess the academic performance. It helped the student to know how their hard work is showing up and what they need to do to work on the weak areas. This also motivates the students to work even more and score their goal.

The school organised a **Career Fair** in collaboration with IDP on Wednesday, 3rd September. The fair provided valuable insights into higher education opportunities and career pathways. Representatives from reputed universities of Canada presented to guide students and parents about courses, admission processes, and future prospects.

**Ishika Saini, Jia Bhutani, and Kanika Kumari** of Grade XI Commerce participated in a dance competition on the theme ‘MYTHOLOGY’, organised by Made Easy School, Gurugram, on 29th August. I am happy to announce that their group secured the 1st position in this competition.

On the auspicious occasion of Major Dhyan Chand’s Birth Anniversary, our school organized a variety of sports and games to pay tribute to the “Hockey Wizard of India” and to spread awareness about the importance of fitness, teamwork, and sportsmanship. The program began with energetic Races. This was followed by the traditional game of Pitthu (Seven Stones). The thrill continued with Kho-Kho, one of the most loved Indian sports. The celebration concluded with a friendly Cricket match, the most popular game among students. Overall, the celebration turned into a joyful festival of sports.

The value of the month ‘**Hard work**’ was reflected during the revision classes, emphasizing on the importance of hard work in our life.
