MONTHLY PLANNER FOR OCTOBER
Grade XI-HUMANITIES (2025-2026)

“Education is the most powerful weapon which you can use to change the world” —Nelson Mandela

Dear Parents,
Greetings!!

“Imagination is more important than knowledge” because knowledge is about what we already know, whereas imagination is what moves individuals and cultures forward. Imagination leads to innovation. IHS ensures high-quality education, which motivates and empowers our students to be lifelong learners and productive members of society. We focus on the complete development of our students by involving them in both scholastic and co-scholastic activities. Surely it will help our children to realize, understand, and explore their talents.

In the month of September, the students of Grade XI Humanities got engaged in many scholastic and co-scholastic activities.

As part of the **CBSE SEWA** programme, Grade XI students performed a **Nukkad Natak** (street play) on 30 August at Coralwood Apartment, Sector 84, Gurugram, and Ultima Condominium Association, Sector 81, Gurugram as a part of the societal awareness campaign initiated by IHS under the name ‘Eco Warriors of IHS’.

The theme of the street play was “Garbage Segregation”, which aimed to spread awareness among the public about the critical need for proper segregation and dumping of garbage at defined places.

Through this performance, our students tried to engage the community in meaningful dialogue and encourage responsible action towards this pressing environmental concern.

Priyanshu Janghu of Grade XI Humanities secured the **First Position** in the **SGFI State Level Judo Championship**. With this remarkable victory, he has **qualified** to compete at the **National Level**. His achievement highlights his hard work, discipline, and sporting talent. We congratulate Priyanshu on this success and extend our best wishes for the upcoming State competition. His accomplishment stands as an inspiration for fellow students to strive for excellence in sports.

As part of our initiative to promote the importance of literacy, the **Literacy Pledge Wall Activity** was conducted on 09 September for Grade XI. Students enthusiastically participated by writing their personal literacy pledges and motivational quotes on half A4 sheets in creative and colorful ways.

Assessment of Speaking and Listening Skills was conducted as a part of the **English** subject enrichment activity to assess their proficiency level in the language, with the objective that they are able to interpret what is being said and are able to express themselves well.

Term-1 Practical and Theory Exams were conducted to assess the academic performance. It helped the student to know how their hard work is showing up and what all they need to do to work on the weak areas. This also motivates the students to work even more and achieve their goals.

The school organised a **Career Fair** in collaboration with IDP on Wednesday, 3rd September. The fair provided valuable insights into higher education opportunities and career pathways. Representatives from reputed universities in Canada presented to guide students and parents about courses, admission processes, and prospects.

On the auspicious occasion of Major Dhyan Chand's Birth Anniversary, our school organized a variety of sports and games to pay tribute to the "Hockey Wizard of India" and to spread awareness about the importance of fitness, teamwork, and sportsmanship. The program began with energetic Races. This was followed by the traditional game of Pitthu (Seven Stones). The thrill continued with Kho-Kho, one of the most loved Indian sports. The celebration concluded with a friendly Cricket match, the most popular game among students. Overall, the celebration turned into a joyful festival of sports.

The value of the month '**Hard work**' was reflected during the revision classes, emphasizing the importance of hard work in our lives and during examinations.
