MONTHLY PLANNER FOR OCTOBER
GRADE XII- HUMANITIES (2025-2026)

"The beautiful thing about learning is that no one can take it away from you." -B.B. King

Dear Parents,

Greetings from Imperial Heritage School!

The month of October marks the conclusion of the rainy season and the beginning of winter. September focused on the holistic development of children. The month scattered over was full of revisions, assessments, and learning new concepts. Students had a revision week followed by assessments. Viva- voce was held in all the subjects.

September was a month where the students got an opportunity to showcase their love and respect for their teachers, and they celebrated **Teacher's Day** in a very joyful way. The Student Council marked this day by making it special for their teachers by giving them roses.

On the auspicious occasion of Major Dhyan Chand's Birth Anniversary, our school organized a variety of sports and games to pay tribute to the "Hockey Wizard of India" and to spread awareness about the importance of fitness, teamwork, and sportsmanship. The program began with energetic Races. This was followed by the traditional game of Pitthu (Seven Stones). The thrill continued with Kho-Kho, one of the most loved Indian sports. The celebration concluded with a friendly Cricket match, the most popular game among students. Overall, the celebration turned into a joyful festival of sports.

The school organised a **Career Fair** in collaboration with IDP on Wednesday, 3rd September. The fair provided valuable insights into higher education opportunities and career pathways. Representatives from reputed universities of Canada presented to guide students and parents about courses, admission processes, and future prospects.

Assessment of Speaking and Listening Skills was conducted as a part of the **English** subject enrichment activity to assess their proficiency level in the language with the objective that they are able to interpret what is being said and are able to express themselves well.

As part of subject enrichment activity, the **Economics** students of Grade XII Commerce and Humanities conducted a Peer Teaching session and Discussion on 'The Status of Women in The Worker-Population Ratio (WPR) in India'. The session aimed to understand the participation of women in the workforce and its implications for the Indian economy.

The discussion highlighted factors such as socio-cultural barriers, unequal access to education and skills, lower wages, and concentration of women in informal and unorganized sectors. We also compared rural and urban trends, noting that rural women show relatively higher participation, mostly in agricultural and casual labor, while urban women often face challenges of limited opportunities and social restrictions.

Values are an integral part of the curriculum at Imperial Heritage School. “*Values reflect what is important to the way you live and work*”. The value of the month was **Hard Work** the students were encouraged to inculcate the same and show up their hardwork and dedication in the Term I examinations.
