**MONTHLY PLANNER FOR OCTOBER**  
**GRADE VI (2025-2026)**

*"October is crisp days and cool nights, a time to curl up around the dancing flames and sink into a good book." — John Sinor*

**Dear Parent,**

Let us welcome October with open arms, as it marks the close of one season and the promise of a fresh beginning. With autumn breezes carrying a gentle winter chill, the month reminds us of change and renewal. October also brings the joy of festivals like **Dussehra**, symbolizing the victory of good over evil, **Diwali**, the festival of lights celebrating hope and prosperity, and **Chhath Puja**, honoring the Sun God with gratitude and devotion.

“October is the fallen leaf, but it is also a wider horizon more clearly seen. It is the distant hills once more in sight, and the enduring constellations above them once again.” — Hal Borland

Let us have a look at all that students and teachers accomplished this past month.

- **National Sports Day celebrations:** On the auspicious occasion of Major Dhyan Chand’s Birth Anniversary, our school organized a variety of sports and games to pay tribute to the “Hockey Wizard of India” and to spread awareness about the importance of fitness, teamwork, and sportsmanship. Grade VI played one of the most loved Indian sports, Kho-Kho. The game highlighted agility, coordination, and presence of mind, as chasers and defenders displayed their speed and strategies in the playground.
- **Special Assembly:** The students of Grade VI participated in the special assembly on the theme of National Sports day. The students had prepared for this much awaited combined assembly for a long time. They prepared games, quizzes and demonstrations of various games and sports such as skipping, hula-hoop, football and basic warm up exercises. Sports is an important part of being healthy. The audience enthusiastically participated in the frog race, skipping challenges and quiz. The assembly gave all the students a chance to show their skills and team work.
- **Teacher’s Day Celebration:** The students celebrated the day with great enthusiasm and excitement. They decorated the classroom with balloons and gifted pens and chocolates to their loving teachers. The morning was filled with lots of love and laughter for the teachers.
- **Literacy Day:** The event focused on both basic and advanced literacy, highlighting the ability to read, write, think critically, and process information. Students were shown four thought-provoking images and asked to infer their meaning—an essential academic skill. After a brief explanation of inference, each student selected one image and wrote a paragraph based on their interpretation. This activity helped students deepen their understanding of visual cues and context, fostering analytical thinking. The celebration successfully emphasized the importance of literacy in today’s digital world.

**Subject Enrichment Activities: In English,** revision work was held in which students were given key value points for writing meaningful and detailed answers. Important questions and concepts were discussed again.

**Value of the month:** The value of the month was **Hardwork**. Informative videos were shown on hardwork that was followed by a class discussion. The students understood the importance of hardwork, especially in light of upcoming examinations. The importance of maintaining a good time table and revision fall under the umbrella of hard work. Such values are meant to nurture a holistic and positive approach towards self and others.

**Star Performers of the Month:** Each month, students who consistently excel in academics, co-curricular activities, discipline, and overall participation are recognised with a Star Performer Certificate. This initiative not only celebrates their hard work and dedication but also encourages others to strive for excellence.
