MONTHLY PLANNER FOR OCTOBER
Grade VII (2025-2026)

“It must be October, the trees are falling away and showing their true colours.” — Charmaine J Forde

Dear Parents,

Greetings!

Let us welcome October with open arms, as it marks the close of one season and the promise of a fresh beginning. With autumn breezes carrying a gentle winter chill, the month reminds us of change and renewal. October also brings the joy of festivals like **Dussehra**, symbolizing the victory of good over evil, **Diwali**, the festival of lights celebrating hope and prosperity, and **Chhath Puja**, honoring the Sun God with gratitude and devotion.

“October is the fallen leaf, but it is also a wider horizon more clearly seen. It is the distant hills once more in sight, and the enduring constellations above them once again.” — Hal Borland

This quote perfectly resonates with our students, who, having crossed one milestone, now stand ready to embark on another. October brings with it the commencement of Term II of the current academic session. While our learners have acquired much knowledge so far, there is still more to explore and achieve.

September was a month of anticipation and determination, as our children appeared for their Term I Examinations. It was a golden opportunity for them to test their skills and hard work. They actively participated in revision sessions, viva, and practicals across subjects. Listening and Speaking assessments in English and Hindi gave them the chance to demonstrate focused listening and confident speaking skills in a time-bound setting. Revision through reading, discussions, worksheets, and open-book assessments further strengthened their preparation. Our young achievers truly left no stone unturned in showcasing their efforts, and we are confident they will shine in their results.

Now, let us take a glimpse into the highlights of the past month and the engaging activities our students participated in.

National Sports Day celebrations: On the occasion of Major Dhyan Chand’s Birth Anniversary, our school organized a vibrant sports day to honor the “Hockey Wizard of India” and promote fitness, teamwork, and sportsmanship. The event was inaugurated by our Principal, Mrs. Neelu Sharma, Sr. Head Mistress Mrs. Rakhi, and Jr. Head Mistress Mrs. Sharan. Students enthusiastically participated in various activities including energetic races, the traditional game of *Pitthu (Seven Stones)*, and the ever-popular *Kho-Kho*, showcasing agility and coordination. The *Tug of War* brought loud cheers and highlighted unity and collective effort, while the celebration concluded with a friendly *Cricket match* that displayed true sporting spirit. The day turned into a joyful festival of sports, inspiring students to embrace fitness and honouring the legacy of Major Dhyan Chand.

Special Assembly: “A teacher plants the seeds of knowledge that last a lifetime”. At Imperial Heritage School, the students of Grade VIII B celebrated **Teachers’ Day** with immense joy and gratitude through a heart-warming special assembly on 3rd September. The celebration featured a soulful musical tribute, a thought-provoking skit, and a graceful dance performance—each moment brimming with love and respect for their mentors. The event beautifully reflected the students’ deep appreciation and admiration for their teachers, who guide and inspire them every day.

Teachers’ Day: The students of Grade VII celebrated Teachers’ Day on 4th September in their respective classrooms during the zero period. They expressed their love and gratitude by presenting priceless gifts, handmade cards, and other thoughtful tokens to their class teachers and subject teachers. The celebration turned into an emotional and heart-warming moment, as the teachers were honored and cherished like queens and kings.

International Literacy Day: “*Literacy is the most basic currency of the knowledge economy.*” — Barack Obama. Imperial Heritage School celebrated International Literacy Day on 8th September 2025, highlighting literacy as a tool for empowerment, growth, and lifelong learning. Students explored the importance of reading, writing, critical thinking, and information processing through an engaging activity. They inferred meanings from thought-provoking images and wrote reflective paragraphs, enhancing their analytical and interpretive skills. The celebration reinforced the value of literacy as the key to opportunities in today’s digital world.

Term I Assessment: “Exams are not only a test of knowledge, but also a test of perseverance, discipline, and hard work.” The Term I Assessments were conducted from 12th to 26th September 2025. Students worked diligently throughout this period, and the examinations served as an important process to gauge their learning outcomes and overall academic progress.

Dussehra Break: “Dussehra signifies the victory of good over evil, light over darkness, and wisdom over ignorance. “As we celebrate this joyous festival, may it inspire our students to walk the path of truth and courage. The school will remain closed for the Dussehra break from 28th September to 2nd October 2025, and students will report back on 3rd October 2025.

Value of the month: Hard work is the foundation of success, as it builds self-confidence and teaches students to value their efforts. Our learners experienced this while preparing diligently for their Term I Examinations through strategic planning, effective time management, and focused preparation. Their perseverance not only motivated them to aim higher but also nurtured responsibility, resilience, and a stronger bond with their school and community.
