Dear Parents,

Greetings!

October arrives like a breath of fresh air, wrapping us in its festive glow and joyful spirit. It greets us with open arms, bringing a season of joy, celebration, and new energy! After the hard work and dedication poured into the exam season, it's time to step forward with renewed enthusiasm and cheerful hearts. This month is a reminder that learning and celebration go hand in hand.

October is a month of festivities — filled with lights, laughter, and traditions that unite us. It's the perfect time to balance academics with creativity, culture, and togetherness. As the air turns crisp and the days feel brighter, let us embrace every opportunity to grow, to share happiness, and to make lasting memories with friends and teachers. Let's open our hearts to new beginnings, celebrate togetherness, and fill each day with smiles, colors, and positivity. Together, let's step into this new chapter with gratitude, laughter, and a spirit of harmony.

On **29th August**, our school celebrated **National Sports Day** with great enthusiasm to mark the birth anniversary of the *Hockey Wizard*, **Major Dhyan Chand**. A special morning assembly was conducted to highlight the legendary achievements of Major Dhyan Chand. The program not only celebrated his remarkable contribution to Indian hockey but also spread awareness about the importance of fitness, teamwork, and sportsmanship, thereby emphasizing the vital role of sports in our lives. After the assembly, a variety of sports and games were organized. The program began with energetic races, followed by the traditional game of Pitthu (Seven Stones). The thrill continued with Kho-Kho, one of the most loved Indian sports. The celebration concluded with a friendly Cricket match, the most popular game among students. Overall, the celebration turned into a joyful festival of sports, making the atmosphere full of energy and excitement.

**Special Assembly:** “A teacher plants the seeds of knowledge that last a lifetime”. At Imperial Heritage School, the students of Grade VIII B celebrated **Teachers' Day** with immense joy and gratitude through a heart-warming special assembly on 3rd September. The celebration featured a soulful musical tribute, a thought-provoking skit, and a graceful dance performance—each moment brimming with love and respect for their mentors. The event beautifully reflected the students' deep appreciation and admiration for their teachers, who guide and inspire them every day.

Besides academic excellence, IHS students continue to shine in the field of co-curricular activities as well. Our student **Soubhagya Yadav** received a Special Mention Certificate in **Doodle Expressions** at the inter-school competition SRIJANOTSAV, held at Made Easy School. Adding to the celebration, our dance group secured the **first position** in the same event, with **Samaira Khandelwal, Jasmin Kaur, and Hazel Malik** showcasing their remarkable talent as part of the winning team.

**Navy Quiz ThinQ 2025** is a national-level quiz competition organized by the Indian Navy for students of Grades IX to XII. It is designed to ignite curiosity and awareness among young minds about India's maritime heritage, naval operations, and national security. It offered a unique opportunity for participants to engage with the Indian Navy and envision their role as future leaders of the nation. Archit Patel, Samaira Khandelwal, Jasmin Kaur, Aayushmaan Atrey, Hazel Malik, Naisha Bhatia, Reyansh, Suryansh Mudahi, Lakshya Kataria, Rudransh Yadav, Aditya Thanvi, Soubhagya Yadav, Pranshi Kathuria, and Shambhavi Wadhwa participated in the first round of the quiz.

The school organised a **Career Fair** in collaboration with IDP on Wednesday, 3rd September. The fair provided valuable insights into higher education opportunities and career pathways. Representatives from reputed universities in Canada presented to guide students and parents about courses, admission processes, and future prospects.

As part of our initiative to promote the importance of literacy, the **Literacy Pledge Wall Activity** was conducted on 9<sup>th</sup> September for Grades IX and XI. Students enthusiastically participated by writing their personal literacy pledges and motivational quotes on half A4 sheets in creative and colorful ways. The pledges included commitments such as reading regularly, teaching siblings and peers, and cultivating lifelong learning habits. Once displayed on the **Students' Corner Board**, the collection of pledges turned into a vibrant and inspiring **Literacy Pledge Wall**, serving as a reminder of the students' dedication to the cause of literacy.

This month, we focused on the value of **Hard Work**. In view of the upcoming examinations, students were reminded that success comes only through consistent effort —there are no shortcuts! and that diligence and persistence are essential for achievement. They were encouraged to apply this value in their daily lives and notice how it plays an important role.

As part of the term examinations, **ASL in languages** and **AI practicals** were conducted smoothly. The written examinations were also held successfully, with students attempting with sincerity and honesty.
