MONTHLY PLANNER FOR OCTOBER
UKG (2025-26)

"Tell me and I forget, teach me and I may remember, involve me and I learn."
~ Benjamin Franklin

**Dear Parents,
Greetings!**

October is a month of mixed emotions, filled with heartfelt goodbyes, yet it also brings with it the joy of new beginnings and the festive spirit.

The highlight of the month was the Annual **Grandparents' Day (UTSAV)**. The pre-primary wing celebrated its Fourth Grandparents Day with warmth and splendour, bringing together tradition, joy, and deep appreciation. This year's theme was Navratri. Students paid tribute to the story of Mata Durga defeating the demon Mahishasura through an expressive enactment. Their performances were complemented by vibrant Navratri dances, full of rhythm, colour, and devotion. Their vibrant energy, graceful moves, and cheerful smiles truly lit up the atmosphere, making the day even more memorable. The children also expressed their love and gratitude by making beautiful photo frames, each one brimming with affection.

On the academic front, students explored various topics with great enthusiasm, actively participating in discussions, asking insightful questions, and demonstrating a keen interest in deepening their understanding. Their curiosity and engagement reflected a strong commitment to learning, making each session both productive and enjoyable.

In **EVS**, under the theme *Animals*, children learned about herbivores, omnivores, and carnivores, along with animal patterns, homes, and young ones. To make learning engaging, they took part in class discussions, shared prior knowledge, and connected it with real-life experiences. They also enjoyed hands-on craft activities related to animals. The children enjoyed diving into the underwater theme craft. They carefully pasted the legs and eyes and added fun decorations to bring their underwater animals to life. This hands-on activity sparked their creativity and helped improve their fine motor skills.

In **Numeracy**, students practiced oral counting from 1 to 100 and engaged in exercises focusing on before, after, in-between, and missing numbers to strengthen their number sense. They also learned the number names for 1 and 2, developing both recognition and writing skills. All previously learned shapes were recapitulated through an enjoyable and interactive activity, helping reinforce their understanding in a fun and engaging way. Their enthusiasm and active participation reflected a growing confidence in handling numbers and basic mathematical concepts.

In **Literacy**, students explored the vowel ‘a’ and practiced various words from the ‘a’ vowel family, including **at, am, an, ag, ad, ab, and ap**, enhancing both their reading and pronunciation skills. They engaged in interactive activities such as word games, matching exercises, and storytelling to reinforce these concepts in an enjoyable way. In addition, students learned and revised **sight words** to build their vocabulary, improving their recognition and usage in sentences. Through these activities, they not only strengthened their reading and writing abilities but also developed confidence in using new words while expressing themselves creatively.

Teachers’ Day was celebrated with warmth and enthusiasm, as children learned about the significance of this special day. They were taught that Teachers’ Day is celebrated on the birthday of **Dr. Sarvepalli Radhakrishnan**, a great philosopher and educator. Through a captivating story, students understood the important role teachers play in shaping lives. To express their respect and gratitude, the little ones joyfully honored their teachers with love, heartfelt wishes, and cheerful participation in classroom activities.

Hindi Diwas was a vibrant and educational celebration aimed at honoring our national language. Students enthusiastically recited Hindi rhymes, and a **Kavita Vachan** (poetry recitation) competition provided an excellent platform for them to showcase their love for Hindi through expressive and confident performances. The event fostered pride in the language and encouraged creativity in pronunciation and expression.

The **Colour Burst** activity for the month highlighted the color **Purple**, symbolizing imagination, dreams, and a spiritually calming effect on emotions. The children celebrated the day with great excitement, dressing beautifully in shades of purple. To complement the theme, they created a **Blooming Flower craft** using ear buds and colors. This hands-on activity not only nurtured creativity but also helped students identify and connect with the color in a fun and meaningful way.

On **World First Aid Day**, students participated in an engaging session led by the school nurse, who explained the importance of first aid and demonstrated simple, practical techniques. The children actively took part in the activities, gaining awareness about how first aid can be applied in everyday situations. The session helped instill a sense of responsibility and safety awareness among the young learners.

The festival of **Dussehra** was celebrated with great joy and excitement. Students crafted beautiful **Sita finger puppets**, decorating them with vibrant beads and colors. They sang festive songs and attentively watched the story of Dussehra, learning about the triumph of good over evil and the importance of courage and righteousness.

The **Value of the Month, Hard Work**, was highlighted through discussions and storytelling. Children explored how hard work, discipline, and perseverance are reflected in everyday life and in the lessons they learn from their families. To make the concept engaging, the teacher narrated the story of **King Suleiman and the Ant** through a role-play activity. This story helped students understand that even the smallest creatures, like ants, work patiently and tirelessly, demonstrating that consistent effort and dedication lead to success.

Our school actively participated in the **CBSE Swachhata Abhiyan**, fostering a culture of cleanliness and hygiene among students. This initiative not only cleaned our surroundings but also instilled valuable life skills and a sense of responsibility in our students.

Bagless Day was a vibrant celebration filled with fun and learning! Children enjoyed watching a movie at the specially set-up “ticket counter,” complete with popcorn, giving them a real theatre experience. Adding to the excitement, teachers narrated the moral tale *"The Talkative Tortoise"* using colorful puppets. The lively puppets, cheerful voices, and animated expressions created a magical atmosphere, keeping the children fully engaged. The day was not just about fun—it also taught children the importance of taking a break from routine and heavy school bags. They learned that Bagless Day allows more time for creative activities, storytelling, and hands-on learning, helping to develop imagination, social skills, and teamwork. Students enjoyed exploring new experiences, discovering lessons in a playful environment, and realizing that learning can happen beyond textbooks. Adding a festive touch to the celebration, students also came dressed in traditional attire for the Dussehra celebration. The colorful clothes, festive spirit, and joyful participation added cultural richness to the day, making it even more special. The joy, laughter, and shared activities made the day memorable while reinforcing the value of creativity, participation, and enjoying learning in different ways.

We proudly celebrated our **Star Performers** for the month of September, recognizing students who showed exceptional effort, enthusiasm, and excellence in academics and activities. Their hard work, positive attitude, and dedication truly shone, making them wonderful role models for their peers. Congratulations to all our shining stars! 🌸🌟

Celebrating Excellence in Teaching

On 13th September 2025, Madhuban Prakashan proudly celebrated its 10th Anniversary by honouring passionate Hindi educators for their remarkable contribution to the field of education. The Hindi teachers of Imperial Heritage School — **Ms. Poonam Sharma, Ms. Saroj Rajoura, Ms. Mamta Khanduja, Ms. Kiran Rahi, and Ms. Manju** — were recognised for their dedication, creativity, and unwavering efforts in shaping young minds and fostering holistic growth

We are proud to share that **Neelu Ma'am** has been conferred the prestigious title of *Principal Par Excellence* at the **IIHM Teachers Day Awards 2025 (10th Edition)**. This honor is a testament to her remarkable leadership, vision, and unwavering dedication to shaping young minds. We are equally delighted to announce that **Ms. Bharti Gupta** has also been recognized at the same awards for her **selfless contribution to education** over the past year. This award beautifully celebrates the *silent contributors*—our teachers—who tirelessly devote themselves to building India's future through the power of education.
