

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR OCTOBER
GRADE I (2026-2027)

“ Dreams don’t work unless you do ” — John C. Maxwell

**Dear Parents,
Greetings!**

September brought a wonderful blend of celebration, learning, and reflection as our school community came together to honour the guiding lights who shape tomorrow’s leaders. As we celebrated Teachers’ Day and embraced meaningful learning experiences, the month reminded us of the importance of gratitude, values, and the shared responsibility of nurturing young minds. **As we bid farewell to September, we look forward to October with the vibrant spirit of Navratri and Dussehra, bringing opportunities for our students to celebrate our rich cultural heritage, understand the significance of these festivals, and embrace the values of goodness, courage, and positivity.**

Teachers’ Day at our school was a delightful celebration filled with smiles, music, movement, and heartfelt appreciation. The students of Class VII-B took centre stage with a special assembly that brought together energetic dance performances, melodious music, and a lively ramp walk, creating a truly memorable tribute to their teachers. The Student Council added to the excitement with a vibrant presentation that captured the warmth and affection students share for their mentors. A special highlight was the felicitation of teachers with thoughtfully chosen titles that celebrated their unique qualities and contributions, along with pens presented as tokens of love and gratitude. The celebrations continued over a special lunch, giving teachers time to relax, reconnect, and enjoy each other’s company in a cheerful setting. It was a wonderful day that reminded us that while teachers shape young minds through their lessons, they also leave an enduring imprint through their care, encouragement, and inspiration.

The academic month was marked by active participation, curiosity, and purposeful learning. Students engaged in a range of classroom experiences that encouraged them to question, explore, collaborate, and apply their understanding to real-life situations. These opportunities helped make learning more meaningful while nurturing confidence, creativity, and independent thinking.

In **Math**, students explored the differences between flat (2D) and solid (3D) shapes through engaging, hands-on activities. Using sticks and clay dough, they built 3D models and connected their learning to real-life objects for a deeper understanding. To solidify their knowledge, students actively compared attributes—such as sides, faces, and corners—and grouped the shapes based on their visual and physical properties

In **EVS**, students were introduced to the chapter on **Air and Water** through an engaging series of interactive, hands-on activities. Learning came alive as children participated in a balloon activity to feel and see air pressure in action, crafted origami paper planes to explore how air supports movement, and created a colorful river montage to trace the journey of water. To bring their learning full circle, the young learners organized an energetic **"Save Water, Save Earth"** rally, enthusiastically chanting slogans and raising awareness about conservation across the school.

In **English** the concept of pronouns was introduced through an engaging video story. Students then created a vibrant “Garden of Pronouns,” where each flower represented a newly learned word. They also learnt uses of

has and have by telling 2 sentences for their friends. A vocabulary list is uploaded regularly for students. It is also practiced in class to help them learn the spelling, meaning, and usage of new words. This activity strengthens their reading, writing, and speaking skills, while encouraging them to use the words confidently in daily communication.

On **International Literacy Day**, students celebrated the spirit of learning and gratitude by showering their skills through an ambitious reading marathon, turning standard English literature coursework into a vibrant, shared festival of books. Flipping through classic texts and modern masterpieces alike, they lost themselves in unforgettable narratives, transforming their quiet classrooms into a dynamic celebration of storytelling .

Grade I-A presented a delightful morning assembly themed around World Tourism Day on 29th of September, celebrating **global cultures, sustainable travel, and the rich heritage of India**. The day began with the Gayatri Mantra, followed by global news updates and a lively current affairs quiz that sparked curiosity and engagement

On 14th September, students celebrated **Hindi Diwas** with great enthusiasm by reciting poems using colorful props, which made their performances lively and engaging. Through this celebration, they learned about the cultural and linguistic significance of Hindi as our national language and understood how it connects people across the country. Students also participated in interactive activities such as **Kavita Vachan** (poetry recitation) which helped enhance their vocabulary, pronunciation, and confidence in speaking Hindi. The day encouraged a love for the language, fostered creativity, and gave students an opportunity to express themselves while appreciating the richness of Hindi literature and tradition.

First Aid Day is observed on the second Saturday of September each year. Children learned the importance of quick help during emergencies with the guidance of the school nurse. They were taught how to treat minor cuts, burns, and nosebleeds, and how to stay calm in stressful situations. They arranged and understood the different things that are required in the First Aid box.

To mark **World River Day**, students participated in **river montage activity** to spread awareness about the importance of protecting rivers and conserving water. Through this activity, they learned how small efforts, like creating thoughtful collaboration of pictures, can inspire people to care for the environment and keep rivers clean for the future.

Janmashtami filled the school with colour, music, devotion, and festive cheer as our little ones joyfully embraced the spirit of the occasion. Dressed as adorable Radhas and Krishnas, the children charmed everyone with a graceful dance performance set to a melodious Krishna song. Adding a creative touch to the celebrations, they also decorated matkas with Krishna's flute using clay, exploring their artistic skills with enthusiasm and care. The celebrations continued with a special assembly presented by the students of Class VII-A, who brought the life, teachings, and divine leelas of Lord Krishna alive through a vibrant and captivating presentation. The festivities provided a beautiful opportunity for students to connect with India's rich cultural heritage while celebrating the values of love, compassion, devotion, and joy associated with the festival.

Students enthusiastically participated in an engaging **G.K. Quiz**, where they explored interesting facts about different Indian states, including **Haryana, Punjab, and Assam**. The quiz introduced them to the unique culture, traditions, landmarks, languages, food, and famous features of each state in a fun and interactive way. Students answered questions with great interest, shared their ideas, and learned new information from one another. Their active participation and curiosity were appreciated with stamps in their **G.K. passports**, motivating them to continue exploring, learning, and developing a lasting love for knowledge.

Bagless Day turned the classroom into a vibrant space for exploration, experimentation, and joyful learning. With textbooks set aside, students discovered concepts through hands-on experiences—constructing geometric shapes in Mathematics, reinforcing English pronouns through lively role-play, and investigating the properties of air and water through simple EVS experiments. The day offered students an opportunity to learn by doing, work together, communicate their ideas, and approach familiar concepts in new ways. More than a break from the usual routine, Bagless Day encouraged curiosity, creativity, confidence, and collaboration, making learning an engaging and memorable experience.

September’s core value was **Hard Work**. Through inspiring stories and discussions, students learned that perseverance and effort are the true keys to success. As one quote beautifully puts it: *“There is no substitute for hard work.”* — Thomas Edison

As part of the **Seva Sankalp Abhiyan**, organised to mark Prime Minister Shri Narendra Modi’s 25 years of public service, students of Grades I and II participated in a Painting Competition on the theme “The Vision of a Developed India.” The campaign highlights the values of Seva (service), Sankalp (commitment), good governance, nation-building and public participation, with the broader vision of contributing towards Viksit Bharat 2047. Through the painting activity, young learners were encouraged to imagine and creatively express their ideas about a developed and progressive India. Students showcased their artistic talents through colourful and meaningful artworks. An exhibition of the children’s work was also organised, allowing everyone to appreciate their creativity, imagination and efforts. The activity nurtured patriotism, creativity, confidence and a sense of responsibility towards the nation.

Starting this month, students engage in a dedicated **Friday practice session** using a 3-in-1 notebook to sharpen their core academic skills. Through targeted exercises in English cursive writing, math problem-solving, and Hindi grammar, this weekly routine elevates their reading fluency, written expression, and pronunciation—fostering well-rounded confidence and holistic growth.

To mark **Hindi Diwas**, children enthusiastically participated in a Hindi handwriting competition to refine their script, followed by vibrant poetry recitations (**kavita paath**) where young speakers used colorful fruit and vegetable props to bring their verses to life. A special assembly conducted by **Grade IV-A**. The students presented a soulful prayer, a graceful dance performance, and an engaging skit highlighting the importance of Hindi as our national language. Through their performances, they spread awareness about the richness of Hindi and inspired everyone to take pride in using it. The assembly was filled with enthusiasm and showcased the students’ talent and respect for the language.

WINNERS OF Hindi Handwriting Competition

Position	I A	I B
I	Kulraj Gupta	Anirudh Harsha ,Yoksh
II	Krishna and Nitya Suri	Triansh Saini
III	Nilesh	Aimee, Advika

To foster a culture of positivity and growth, we proudly introduced **the Star Performer of the Month**—a monthly recognition celebrating students who consistently demonstrate excellence in key areas. From confident English communication and disciplined conduct to neat uniforms and enthusiastic participation, these young achievers embody the values we cherish. Congratulations to our shining stars for the month of August! Your dedication lights the way for others—keep aiming high and inspiring those around you.

Month	I-A	I-B
September	Kulraj Gupta	Yoksh Mallik

To celebrate **National Sports Day**, kids took on an exciting balancing race, navigating the course with focused concentration and endless energy. Their efforts paid off in pure delight as they crossed the finish line to victory, turning a fun sports day activity into an unforgettable celebration of active play and team spirit .

Position	Boys	Girls
I	Nischay Rana	Nitya Suri
II	Velaksh	Jiya Chauhaan
III	Kulraj Gupta	Paakhi

Strengthening Core Competencies:

Throughout the month, students have been engaging in weekly sessions focused on reading, writing and mental math. These regular practices are helping to improve reading fluency, handwriting and written expression, along with speed and accuracy in mental calculations. The sessions are building confidence, accuracy and independent learning skills, supporting students in improving their overall academic performance. The practice is ongoing and is further reinforced through simple practice at home. All work is recorded in the 3-in-1 notebook.

Making Words Come Alive:

A **Vocabulary List is shared every month**, and students have been exploring the words beyond their meanings. They have used them to build sentences, describe ideas, make word connections, find synonyms and antonyms, and create short pieces of writing. Word games and classroom conversations have given them further opportunities to use the vocabulary naturally. This regular practice is ongoing, and using the words at home through conversations, reading and writing will help reinforce them.

CBSE Parenting Calendar:

Parenting today is both deeply rewarding and increasingly complex. As children navigate a fast-changing world shaped by new learning environments, evolving expectations, and diverse influences, the role of parents becomes even more significant in providing stability, guidance, and emotional grounding. A child's development is most meaningful when supported consistently across both home and school. Recognising this, the CBSE Parenting Calendar for the academic session 2026- 2027 continues to build on its vision of strengthening the home-school partnership as a cornerstone of student success.

TIP FOR OCTOBER- Developing secure attachment

Separation anxiety peaks between ages 2 and 5. Working parents, returning to work after parental leave, need support in understanding that consistent, predictable, warm availability — even in smaller windows — is what builds secure attachment, not total physical presence.

Parent focus: Some themes that could be emphasized at this stage of development are outlined- Goodbye rituals; the importance of the caregiver being warm and consistent; not sneaking away; reunion quality matters as much as separation management.

Celebrating Excellence in Education!

Our Principal, **Ms. Neelu Sharma**, was conferred the prestigious **IIRF Education Impact Award** for leading the school towards *Best Learning Outcomes* and was honoured as “**Principal of the Year – 2026**” at the **2nd National Education Conclave**. The recognition celebrates her visionary leadership and unwavering commitment to creating a progressive and enriching learning environment.

Heartiest congratulations to **Ms. Deepa Sharma and Dr. Madhuri Panwar** on being felicitated with the **Guru Samman Award** on **12 September**. Our Principal Ms. Neelu Sharma congratulated both mentors and appreciated their dedication and invaluable contribution towards shaping young minds.

Building Global Connections

IHS is all set to welcome students from **Dongpae Middle School, South Korea**, as part of an exciting **student exchange programme**. This international collaboration will provide our students with opportunities to connect, learn, share cultures and build meaningful global friendships.

A month of pride, appreciation and new beginnings at IHS!

1. Syllabus for October

ENGLISH	HINDI	MATH	EVS	COMPUTER
Course book: Chapter 9 Sheebu, the Sheep Grammar: - Describing words - Have got and Has got	रंगोली साहित्य - पाठ - 8 अनुस्वार ,चंद्रबिंदु और विसर्ग पाठ - 9 र का प्रयोग (रेफ़ और पदेन। व्याकरण पाठ - 5 नाम वाले शब्द (संज्ञा)	Chapter 7 Measurement Tables of 4 to 8	Chapter 7 Animal Around Us Chapter 6 Plants around us	Chapter 6 Computer Memory

2. Activities for October

Value of the month
Gratitude

- **Olympiad Date**
 - International General Knowledge Olympiad (IGKO) **06.10.26**
 - International Mathematics Olympiad (IMO) **22.10.26**
 - International English Olympiad (IEO) **27.10.26**
 - International Science Olympiad (ISO) **30.10.26**
- **Gandhi Jayanti Charka Making) 1.10.26**
- **Dussehra Craft (Raam Darbar) 7.10.26**
- **World Post Office Day 9.10.26**
- **CARING AND SHARING WEEK 16.10. 26 to 23.10.26**
 - **Empathy Walk 16.10.26**
 - **Kindness Tree 21.10.26**
- **Dussehra Breaks 17.10.26 to 20.10.26**
- **Term I Report Card 22.10.26**
- **Day Camp 23.10.26**
- **Donation Drive 21.10.26**
- **Potluck 22.10.26**
- **Bagless Day 30.10.26**

3. General Information

- School timing is 8.00 am – 2:30 pm. School gate will be closed at 8.05 am. No entry will be allowed post that.
- Students must adhere to the school timings (Refer Page 20 of the almanac).
- Students must carry the almanac to school daily.
- Parents should check the almanac and ERP app regularly for any information.
- Students should be in proper school uniform. Kindly use only black rubber bands, clips or hair bands. Black shoes are to be worn everyday.
- Label your child's belongings like lunch box, water bottle, bag, shoes, etc.
- Students must wear ID cards daily.
- Leave application must be submitted to the class teacher, one -day prior in the case of

pre-planned leave. In case of illness, a medical certificate must be submitted within three days of rejoining school. In case of long leave to attend important family functions, prior written permission of the Headmistress / Principal must be obtained.
