**MONTHLY PLANNER FOR OCTOBER**  
**Grade X (2026-2027)**

*"Continuous improvement is better than delayed perfection" — Mark Twain*

Dear Parents,

Greetings from Imperial Heritage School!

October arrives with a refreshing change in the air and a renewed sense of happiness. With the examinations behind us, it is time to pause, appreciate our children's hard work, celebrate their efforts, and look forward to new beginnings.

As the weather becomes cooler and more soothing, the festive spirit brings with it joy, togetherness, and positivity. It is also a wonderful time for our children to reflect on their learning, recognise areas for improvement, and set new goals for themselves.

Let us encourage our children to embrace this beautiful change—not only in the weather but also within themselves. A new month brings a new opportunity to learn, improve, grow, and become a better version of ourselves.

We look forward to another month filled with learning, celebrations, creativity, growth, and cherished moments together. Wishing you and your family a joyful, refreshing, and fulfilling October!

The **Teacher's Day Celebration** was organised with great enthusiasm and warmth by the Students' Council to honour and appreciate the dedicated efforts of the teachers. The celebration was filled with joy, laughter, and memorable moments as students presented a vibrant mix of fun games, engaging activities, musical performances, and energetic dance performances. The Students' Council planned and coordinated the programme with great confidence and teamwork, making the celebration truly special. The event concluded on a happy note, leaving everyone with cherished memories and a renewed appreciation for the wonderful bond between teachers and students.

CBSE has clearly outlined the significance of speaking and listening skills as part of the co-scholastic areas of achievement for every learner. **Assessment of Speaking and Listening Skills** was conducted as a part of their subject enrichment activity to assess their proficiency level in the language, with the objective that they are able to interpret what is being said and are able to express themselves well.

As part of the **First Aid Day** on 9th September, the student council members organised a CPR Awareness and Training Session in Grades IX to XII. The session introduced students to the importance of CPR in responding to certain emergencies and highlighted the need to act quickly, seek professional help, and follow trained guidance. Students learnt the basic steps of CPR through a PPT presentation.

Assessment is an important tool for analysing the learning process of students. **The Term I examinations** were conducted successfully, and the students wrote the examinations with honesty and sincerity. They prepared well and performed to the best of their abilities.

कक्षा 10 में हिंदी दिवस के अवसर पर **10.09.26** को हिंदी भाषा के विकास पर अनुच्छेद लेखन गतिविधि का आयोजन विद्यार्थियों के लेखन-कौशल, विचार-अभिव्यक्ति एवं रचनात्मक चिंतन को विकसित करने के उद्देश्य से किया गया। विद्यार्थियों को हिंदी भाषा के महत्व, उसकी समृद्धि एवं वर्तमान समय में उसकी उपयोगिता से संबंधित विषयों पर अनुच्छेद लिखने के लिए प्रेरित किया गया। उन्होंने अपने विचारों को क्रमबद्ध, स्पष्ट एवं प्रभावशाली भाषा में प्रस्तुत किया। इस गतिविधि के माध्यम से विद्यार्थियों में भाषा की शुद्धता, शब्द-चयन, तार्किक चिंतन तथा स्वतंत्र अभिव्यक्ति का विकास हुआ। साथ ही, विद्यार्थियों में हिंदी भाषा के प्रति सम्मान, गौरव एवं अपनत्व की भावना को भी प्रोत्साहन मिला।

The Value of the Month was “**Hard Work.**” In today’s fast-paced world, the younger generation often believes in smart work rather than hard work. To explore this idea, an open discussion was conducted in the class on the topic “**Hard Work vs. Smart Work.**” The students participated actively and expressed their views with confidence. Through the discussion, they concluded that both hard work and smart work are necessary for achieving success, and that a balanced combination of the two can produce the best results. However, while preparing for examinations, consistent effort, discipline, and perseverance—qualities associated with hard work—remain particularly important.

### **PARENTING TIP MID ADOLESCENCE (Class 9 to Class 10 |Ages 14–15)**

#### **October — Mental Health**

Self-harm risk in adolescents peaks in the Class 9–12 window in India. The pressure/perfectionism- isolation triangle is well understood but poorly addressed.

**Parent focus:** Some themes that could be emphasized at this stage of development are outlined- Warning signs specific to this age; the direct question —“Are you thinking about hurting yourself?” — does not plant the idea, it opens the door; crisis resources; the school counselor as partner; removing means from homes with at-risk adolescents. In addition, it is advisable to meet parents regularly for feedback and reflection.
