

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR OCTOBER
GRADE IV (2026-2027)

“Embrace new beginnings, cherish traditions, and celebrate the little moments that make life beautiful.”

Dear Parents,
Warm Greetings!

October arrives with the warmth of new beginnings, cherished traditions, and joyful togetherness. As nature transforms into beautiful shades of autumn, the month brings with it a sense of calm, celebration, and renewed hope. With the arrival of Dussehra, the festive spirit comes alive, reminding us of the timeless values of courage, truth, and righteousness. It is a time to celebrate the triumph of good over evil, while also pausing to reflect on the values that inspire and guide us in our everyday lives. Beyond the festivities, October invites us to embrace gratitude, cherish meaningful moments, and celebrate the bonds that bring us closer together. It is a beautiful time to honour our traditions, welcome new beginnings, and step into the season with positivity, happiness, and enthusiasm.

September was a month of gratitude and appreciation as we celebrated Teachers’ Day with warmth and enthusiasm. Our students expressed their love and respect through thoughtfully crafted cards, meaningful gestures, and heartfelt messages, celebrating the invaluable role of their teachers. Beyond imparting knowledge, teachers spark curiosity, nurture values, build confidence, and inspire children to grow into responsible, compassionate, and conscientious individuals. The month thus became a heartfelt tribute to the educators whose guidance, dedication, and inspiration leave a lasting impact on young minds and shape generations to come.

In **English** students explored Simple Present, Present Continuous, Simple Past and Past Continuous Tenses through engaging and interactive activities. After a quick recapitulation and concept-building session using PPTs and videos, students created colourful **Tense Caterpillars** with four sections representing the four tenses. The learning continued with a fun **Verb Card Activity**, where students framed sentences with given verbs and transformed them into different tenses. These hands-on activities helped students strengthen their grammar, speaking, thinking and sentence-building skills while making learning tenses enjoyable and meaningful.

In **Mathematics** class, in the chapter **Fractional Numbers**, students participated in a hands-on **Fraction Wall Activity** in which they created equal-length paper strips and divided them into halves, thirds, fourths, fifths, and other equal parts. The strips were arranged systematically one below the other to form a colourful fraction wall. Through this engaging activity, students visually explored the size and relationship between different fractions, compared fractions, and identified equivalent fractions with greater ease. The activity strengthened their conceptual understanding of fractions through learning by doing.

In **EVS** class, while learning the chapter “**Water for Living**,” students explored the importance of conserving water and keeping water sources clean. They watched an informative video on ways to **save water and prevent water pollution** and created creative posters carrying meaningful messages on “**Stop Water Pollution**.” Through these activities, students developed awareness about responsible water use and environmental protection. In **Chapter 8, “Staying Healthy, Safe and Happy,”** students learnt about the importance of **dental hygiene** through a practical demonstration using a denture model. They also discussed and wrote about essential **personal hygiene habits** that should be followed in daily life and learnt the correct **steps of handwashing**, reinforcing the importance of cleanliness and healthy practices.

This month, we joyfully celebrated **Teachers' Day** with a special assembly by class **VII-B** dedicated to honouring the dedication and invaluable contributions of teachers. The occasion was filled with heartfelt appreciation, as some teachers were felicitated with certificates bearing special titles that recognised their unique qualities and contributions. As a thoughtful token of gratitude, pens were also presented to the teachers, adding a warm and personal touch to the celebration. The assembly beautifully reflected the respect and affection our students hold for the educators who inspire, nurture, and guide them every day.

Janmashtami, the joyous festival celebrating the birth of Lord Krishna, was commemorated with creativity and enthusiasm by the students. They crafted beautiful handmade greeting cards featuring traditional symbols associated with Krishna, such as the matki, bansuri, and mor pankh. Through this engaging activity, students expressed their artistic skills while gaining a deeper appreciation of the cultural traditions and festive spirit of Janmashtami.

A special assembly was also conducted by the students of class **VII-A**, who presented a vibrant and meaningful programme highlighting the life, teachings, and divine leelas of Lord Krishna. The celebration filled the school with devotion, joy, and a strong sense of cultural pride.

To mark the occasion of **Literacy Day**, our students dove into the wonderful world of vocabulary! The students participated in a special vocabulary-building activity where they were given a set of new words. Armed with their pencils and paper, they carefully wrote down the meanings and then used their imaginations to frame their own creative sentences. Building a strong vocabulary is the key to confident reading and expressive writing.

World First Aid Day was observed with the aim of making children aware of essential life skills. Through an interactive presentation and a practical demonstration by the school nurse, students learned how to apply basic first aid. The activity emphasized the importance of staying calm and acting responsibly in emergencies, empowering students to handle unexpected situations with care.

On the occasion of **Hindi Diwas**, an interesting and awareness-based activity on the theme “Swachh Bharat Abhiyan – A Message of Cleanliness” was organized for the students. The students presented creative slogans to spread the message of maintaining cleanliness, putting waste in dustbins, keeping the surroundings clean, and encouraging others to follow good hygiene and cleanliness practices. Through this activity, the children developed awareness about cleanliness, improved their expression and communication skills, gained confidence, and developed a sense of social responsibility. The activity also helped them understand that keeping our environment clean is everyone’s responsibility.

Grade IV-A conducted a special assembly on the occasion of **Hindi Diwas**. The students presented a soulful prayer, a graceful dance performance, and an engaging skit highlighting the importance of Hindi as our national language. Through their performances, they spread awareness about the richness of Hindi and inspired everyone to take pride in using it. The assembly was filled with enthusiasm and showcased the students’ talent and respect for the language.

On National Sports Day, students celebrated with great enthusiasm by participating in various races and athletic activities. The event encouraged team spirit, sportsmanship, and physical fitness, while giving students the opportunity to have fun, compete, and stay active. The winners of the Inter-Class Relay Race are as follows:

Position	IV-A	IV-B	IV-C
I	Meehul Medhansh, Ivan	-	Tanishka, Rasika Viraj, Devansh
II	Rudrakshi, Shanvi Arsh	Twisha, Trisha Nitin	Lakshayjeet

III	Gaurisha Aarudh, Shaurya	Lira, Avanya Ayansh	Drishana Keshav
-----	-----------------------------	------------------------	--------------------

On the occasion of **River Day**, students explored the importance of clean water through a simple and engaging classroom activity. Two bottles containing clean and polluted water were displayed side by side, allowing students to observe and identify the visible differences between them. Through discussion and observation, they learnt about the causes of water pollution and the need to keep our rivers and water bodies clean. The activity helped students understand the value of clean water and encouraged them to adopt responsible habits for protecting our water resources.

Students of Grades III and IV enthusiastically participated in a creative writing activity based on the CBSE theme “Balancing Academics, Play and Well-Being” for the NCERT E-Magazine **Sapnon Ki Udaan**. The activity encouraged students to express their thoughts and imagination through original stories and poems. They explored the importance of maintaining a healthy balance between studies, play, creativity and emotional well-being. The activity helped develop their creative thinking, writing skills, imagination and self-expression, while giving them a meaningful platform to showcase their originality and ideas. As part of the Seva Sankalp Abhiyan, commemorating Prime Minister Shri Narendra Modi’s 25 years in public life and service, students also participated in a Speech Competition on the theme “The Vision of a Developed India.” The campaign promotes the values of service, commitment, dedication and Jan Bhagidari (people’s participation) and encourages citizens to contribute towards the vision of Viksit Bharat 2047. Students prepared and delivered speeches expressing their thoughts, aspirations and ideas for India’s future. The activity provided them with a meaningful platform to develop their communication skills, confidence, public-speaking abilities and awareness of their role in the nation’s development.

Beyond celebrations, September also became a month of learning, creativity, and values. The spotlight was placed on the importance of **Hard Work**, dedication, and perseverance through an engaging hands-on activity. Students were provided with sheets of paper and encouraged to transform them into something creative using their imagination and skills. With enthusiasm and patience, they crafted colourful creations such as balls, chains, bracelets, and more. The activity beautifully demonstrated that meaningful outcomes are achieved through effort, persistence, and the willingness to keep trying, making learning both joyful and purposeful. Students participated in a fun and engaging **team-building activity** that highlighted the importance of hard work, collaboration and perseverance. Working in groups, they were provided with sticks and challenged to **construct the tallest and most stable tower** within a given time. The activity encouraged students to share ideas, work cooperatively, solve problems and keep trying even when their structures did not stand. It was a hands-on experience that reinforced the message that **teamwork, patience and perseverance can turn challenges into achievements**.

Bagless Day offered children a delightful break from their usual school routine, with learning taking place through play, exploration, and creative expression. They took part in storytelling, puzzles, craft work, team challenges, subject-based activities, and other interactive experiences. Special tasks based on Computational Thinking encouraged them to observe, connect ideas, and work out solutions independently. The celebration created a cheerful learning atmosphere while nurturing teamwork, imagination, communication, and self-confidence among the students.

Parenting Tip: Raising Boys and Girls Without the Script

The patterns being laid down now will shape adolescent identity profoundly.

Parent focus: Some themes that could be emphasized at this stage of development are outlined- Being mindful about the messages in your own household; toy choices, chore assignments, praise vocabulary, and emotional permission all should carry gender neutral content; equal emotional literacy for sons and daughters.

A wonderful **Hindi Handwriting Competition** was organised for the students of Class IV in our school. Beautiful handwriting not only enhances our concentration but also brings letters to life. The main objective of the competition was to encourage students to develop the habit of writing in a clear, neat, and correct manner.

The result of the **Hindi Handwriting Competition** is as follows:

Position	IV-A	IV-B	IV-C
I	Aadhya	Anayat Kaur	Aashi
II	Meehul	Ditya	Prince
III	Shanvi	Lira	Samruddhi

In acknowledgment of their consistent hard work, dedication, and positive approach towards learning, the outstanding achievers were honored as the **Star Performers of the Month**. The Star Performers for the month of September from all sections are as follows:

Month	Grade IV A	Grade IV B	Grade IV C
September	—	Anayat Kaur	Aashi

IHS News

Celebrating Excellence in Education!

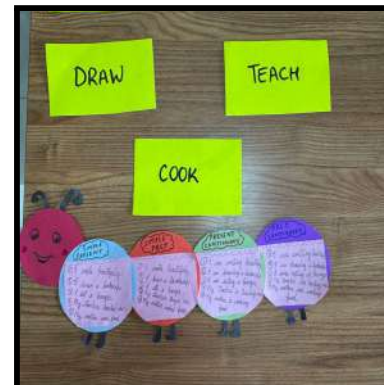

Our Principal, **Ms. Neelu Sharma**, was conferred the prestigious **IIRF Education Impact Award** for leading the school towards *Best Learning Outcomes* and was honoured as “**Principal of the Year – 2026**” at the **2nd National Education Conclave**. The recognition celebrates her visionary leadership and unwavering commitment to creating a progressive and enriching learning environment.

Heartiest congratulations to **Ms. Deepa Sharma** and **Dr. Madhuri Panwar** on being felicitated with the **Guru Samman Award** on **12 September**. Our Principal Ms. Neelu Sharma congratulated both mentors and appreciated their dedication and invaluable contribution towards shaping young minds.

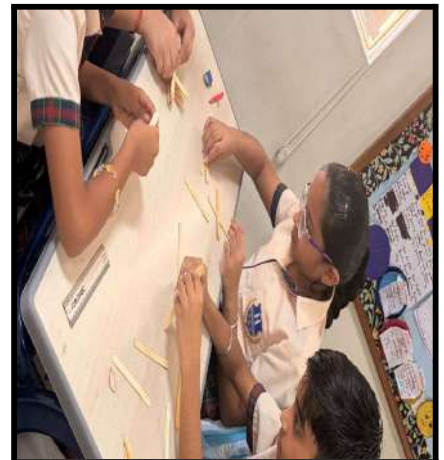

Building Global Connections

IHS is all set to welcome students from **Dongpae Middle School, South Korea**, as part of an exciting **student exchange programme**. This international collaboration will provide our students with opportunities to connect, learn, share cultures and build meaningful global friendships.

A month of pride, appreciation and new beginnings at IHS!

1. Syllabus for October

ENGLISH	HINDI	MATH	E.V.S	COMPUTER
MCB-Chapter-5 Liza and the Lost Letter Literature Reader-Lesson-8 The Captain's Daughter Grammar-Chapter-11 Articles Chapter-17 Agreement of Subject and Verb Chapter-18 Adverbs	रंगोली - पाठ-9 (सच्चा मनुष्य) व्याकरण - पाठ-10 (क्रिया) अपठित गद्यांश	Chapter-10 Decimal Numbers	Chapter-10 How are things made? Chapter-11 Houses then and now	Chapter-6 Working with slides

2. Activities for October

Value of the month

Gratitude

- **Olympiad Date**
 - International General Knowledge Olympiad (IGKO) **06.10.26**
 - International Mathematics Olympiad (IMO) **22.10.26**
 - International English Olympiad (IEO) **27.10.26**
 - International Science Olympiad (ISO) **30.10.26**
- **Special Assembly on Gandhi Jayanti** **01.10.26**
- **World Animal Day** **03.10.26**
- **Court for Creatures– Mock Trials** **03.10.26**
- **World Post Office Day** **09.10.26**

 - Waste to Worth – A Gift of Care **22.10.26**
- **Day Camp** **23.10.26**
- **Poetry Recitation Inter Class Competition** **28.10.26**
- **Bagless Day** **30.10.26**
- **Dussehra Break** **17.10.26 to 20.10.26**

3. General Information

- School timing is 8.00 am – 2:30 pm. The school gate will be closed at 8.05 am. No entry will be allowed post that.
- Students must adhere to the school timings (Refer to Page 20 of the Almanac).
- Students must carry the Almanac to school daily.
- Parents should check the Almanac and ERP app regularly for any information.
- Students should be in proper school uniform. Kindly use only black rubber bands, clips, or hair bands. Black shoes are to be worn every day.
- Label your child's belongings like a lunch box, water bottle, bag, shoes, etc.
- Students must wear ID cards daily.
- Leave application must be submitted to the class teacher, one-day prior in the case of pre-planned leave. In case of illness, a medical certificate must be submitted within three days of rejoining school. In case of long leave to attend important family functions, prior written permission from the Headmistress / Principal must be obtained.

We look forward to your cooperation in helping our students grow and learn together.

Headmistress

Principal
