

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR OCTOBER
GRADE V (2026-2027)

“Acknowledging the good that you already have in your life is the foundation for all abundance.” — Eckhart Tolle

**Dear Parents,
Greetings!**

October unfolds with a wonderful mix of learning, reflection, and festive spirit. As students move forward with renewed energy after their assessments, they will engage in enriching experiences that encourage curiosity, creativity, and personal growth, while also embracing the colours and traditions of the festive season.

With a range of meaningful activities planned throughout the month, we look forward to creating an atmosphere where learning goes beyond the classroom. May October bring our students new experiences, joyful celebrations, and opportunities to grow, participate, and make lasting memories.

September was a month of focused learning, dedicated revision, and preparation for the Term I examinations. Our students demonstrated discipline, perseverance, and commitment as they revisited key concepts, strengthened their understanding, and confidently put their learning into practice.

Teachers’ Day was celebrated with great enthusiasm and heartfelt gratitude. Students decorated their classrooms and expressed their appreciation through warm wishes and thoughtful gestures. The Senior Students and School Council members presented a delightful performance filled with fun activities, games, and special surprises for the teachers. The teachers participated enthusiastically and enjoyed the celebrations, making the day truly memorable and joyful.

To mark the occasion of **Literacy Day**, our Grade V students dove into the wonderful world of vocabulary! The students participated in a special vocabulary-building activity where they were given a set of new words. Armed with their pencils and paper, they carefully wrote down the meanings and then used their imaginations to frame their own creative sentences. Building a strong vocabulary is the key to confident reading and expressive writing. We are so proud of the beautiful, thoughtful sentences our young writers came up with today!

In **Science** class, students were introduced to the importance of first aid through a video demonstration by the Science teachers. The video showcased a basic **First Aid Kit** and explained the function and importance of each item and how it can be useful during common emergencies.

Hindi is our beloved and simple language. Every year, **Hindi Diwas is celebrated on 14 September**. The purpose of this day is to understand the importance of the Hindi language and to inspire people to develop love and respect for it. On **14 September 1949**, Hindi was adopted as the official language of India. On the occasion of Hindi Diwas, the students of **Grade V** at our school presented the beautiful couplets (*Dohas*) of **Sant Kabirdas Ji** with great enthusiasm. Through this activity, the students developed a positive outlook and gained a deeper appreciation for the richness and values of the Hindi language.

“Respect Hindi and use the language as much as possible.”

Grade IV-A presented a special assembly to commemorate **Hindi Diwas** with great enthusiasm and pride. The students began with a soulful prayer, followed by a captivating dance and an engaging skit that beautifully conveyed the significance of the Hindi language. Through their performances, they highlighted the richness and cultural importance of Hindi while encouraging everyone to value and embrace the language. The assembly reflected the students' creativity, confidence, and deep appreciation for Hindi.

Janmashtami, celebrating the birth of Lord Krishna, was observed with great zeal and creativity by the students. They enthusiastically designed colourful handmade greeting cards adorned with traditional motifs such as matkis, bansuri, and morpankh, reflecting the festive essence of the occasion. The activity encouraged artistic expression while helping students connect with India's rich cultural heritage and traditions. A special assembly was presented by the students of Class VII-A, who showcased an engaging programme depicting the life, teachings, and divine leelas of Lord Krishna. The celebration created an atmosphere of devotion and happiness, while fostering a deep sense of cultural awareness and pride among the students.

As part of the Value of the Month, students were introduced to the importance of **hard work**. They watched an inspiring video that highlighted how determination, dedication, and consistent effort can help us achieve our goals. The video encouraged students to understand the value of perseverance and motivated them to develop a positive attitude towards hard work.

Students who consistently excel in academics, co-curricular activities, discipline, and overall participation are recognised with a **Star Performer of the month**. This initiative celebrates their hard work, dedication, and consistent efforts while inspiring other students to strive for excellence. The Star Performers for the month of September are Ridhaan Singh (V A) and Shivansh (V B).

Parenting Tip: Raising Boys and Girls Without the Script

The patterns being laid down now will shape adolescent identity profoundly.

Parent focus: Some themes that could be emphasized at this stage of development are outlined- Being mindful about the messages in your own household; toy choices, chore assignments, praise vocabulary, and emotional permission all should carry gender neutral content; equal emotional literacy for sons and daughters.

The **Term-I Examination** was conducted successfully for students of Grades V–XII in a well-organised and systematic manner. For Grade V, it marked their first formal Term-I examination, providing them with an important opportunity to familiarise themselves with the examination process and build confidence. The assessment enabled students to demonstrate their conceptual understanding and application of learning, while reflecting on their preparation, strengths, and areas for further improvement.

IHS News –IHS NEWS

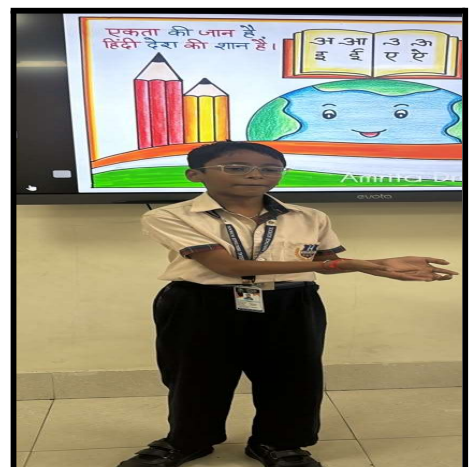

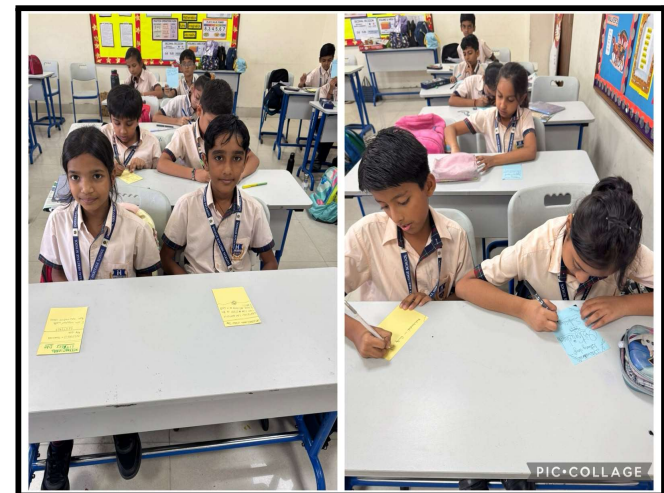

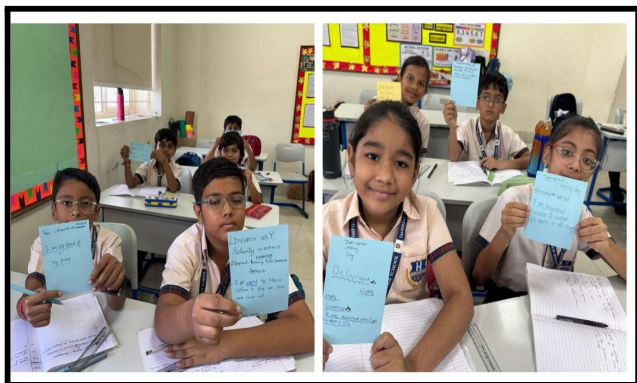

Our Principal, **Ms. Neelu Sharma**, was conferred the prestigious **IIRF Education Impact Award** for leading the school towards *Best Learning Outcomes* and was honoured as “**Principal of the Year – 2026**” at the **2nd National Education Conclave**. The recognition celebrates her visionary leadership and unwavering commitment to creating a progressive and enriching learning environment.

Heartiest congratulations to **Ms. Deepa Sharma and Dr. Madhuri Panwar** on being felicitated with the **Guru Samman Award** on **12 September**. Our Principal Ms. Neelu Sharma congratulated both mentors and appreciated their dedication and invaluable contribution towards shaping young minds.

Building Global Connections

IHS is all set to welcome students from **Dongpae Middle School, South Korea**, as part of an exciting **student exchange programme**. This international collaboration will provide our students with opportunities to connect, learn, share cultures and build meaningful global friendships.

A month of pride, appreciation and new beginnings at IHS!
