MONTHLY PLANNER FOR OCTOBER
GRADE-VI (2026-27)

“You can never cross the ocean until you have the courage to lose sight of the shore.” – Christopher Columbus

Dear Parents,

Welcome back to another exciting chapter at Imperial Heritage School!

As we wrap up a wonderful first term and step into the beginning of Second Term, the corridors are once again ready to fill with the familiar warmth, energy, and determination of our students. The first half of the year was truly unforgettable, highlighted by academic excellence, vibrant competitions, and stellar student performances in various events. As the renowned educationist **John Dewey** wisely stated:

"Education is not preparation for life; education is life itself."

With this profound truth guiding us, we are ready to welcome our students back for the second half of the academic session. Term II is not just a stepping stone to the next grade; it is an active, living journey filled with advanced concepts, engaging extracurricular activities, and deeper opportunities for personal growth.

The initial days of this term will focus on reconnecting with teachers, setting fresh goals, and aligning our focus for the months ahead. Our faculty has thoughtfully designed the upcoming weeks to seamlessly bridge previous knowledge with new, enriching challenges, ensuring every student feels confident, curious, and thoroughly supported.

Let us approach this second term with a unified focus on excellence, curiosity, and resilience, making every day of this learning journey count.

We look forward to a term filled with deeper learning, fresh inspirations, and shared achievements!

Teacher's Day Celebration: Teachers' Day holds special significance as it honours and appreciates the dedication and invaluable contribution of teachers. The celebration was organised with great enthusiasm by the Students' Council, featuring fun games, engaging activities, musical performances, and energetic dances. The programme reflected the students' confidence, creativity, and teamwork, creating joyful and memorable moments and celebrating the cherished bond between teachers and students.

International Literacy Day: Grade VI celebrated Literacy Day with enthusiasm through a creative word-centered activity. Students prepared fancy cut-outs featuring meaningful words in any language, explained their meanings, and used them in sentences. Their vibrant creations, proudly displayed, reflected self-expression, linguistic diversity, and joyful celebration.

First Aid Day: Students of grade VI were introduced to the importance of first aid through a video demonstration by the Science teachers. The video showcased a basic First Aid Kit and explained the function and importance of each item and how it can be useful during common emergencies.

Hindi Diwas Activity: हिंदी दिवस के उपलक्ष्य में कक्षा 6 के विद्यार्थियों के लिए रहीम के दोहों पर आधारित एक रचनात्मक एवं ज्ञानवर्धक गतिविधि का आयोजन किया गया। इस गतिविधि में विद्यार्थियों ने अपनी कल्पनाशीलता और कलात्मक प्रतिभा का सुंदर प्रदर्शन करते हुए रहीम के दोहों को चित्रों सहित प्रस्तुत किया। प्रत्येक विद्यार्थी ने चुने हुए दोहे के साथ उसका सरल एवं स्पष्ट अर्थ भी लिखा, जिससे दोहों में निहित जीवन-मूल्यों और संदेशों को सहजता से समझा जा

सके। रंगों और रचनात्मक चित्रों से सजी विद्यार्थियों की प्रस्तुतियों ने गतिविधि को बेहद आकर्षक बना दिया। इस माध्यम से विद्यार्थियों ने रहीम के साहित्य से परिचित होने के साथ-साथ प्रेम, विनम्रता, मधुर वाणी, परोपकार और मानवीय मूल्यों जैसे महत्वपूर्ण जीवन-संदेशों को आत्मसात किया। यह गतिविधि विद्यार्थियों में रचनात्मकता, अभिव्यक्ति-कौशल, साहित्यिक रुचि और हिंदी भाषा के प्रति प्रेम विकसित करने की दिशा में एक सार्थक प्रयास रही।

Assessment of Speaking and Listening Skills (ASL)- The ASL activity in English and Hindi offered students a dynamic platform to articulate ideas confidently. Through engaging tasks, they enhanced fluency, comprehension, and expression, showcasing creativity, linguistic ability, and communication skills in a vibrant, interactive environment.

Bagless Day: Learning Beyond the Classroom

Bagless Day was celebrated with an experiential, tech-driven approach during the Computational Thinking and AI period. Students stepped away from notebooks to revise MS Excel concepts through real-time quiz metrics, instantly identifying strengths and areas for improvement. The activity fostered healthy competition, digital collaboration, and highlighted how technology can make learning interactive and engaging. All the subject teachers have revised for Term-I through Worksheets or Quiz.

Term-I Examination: The Term-I Examinations were conducted from 14th to 26th September, providing students with an opportunity to showcase their learning and understanding achieved till mid-term. The assessments reflected their preparation, conceptual clarity, and progress across subjects, marking a significant milestone in the academic journey.

Value of the month: For September, **Hard Work** was embraced as the value of the month. Students diligently revised and prepared for their Term-I exams, showcasing discipline, persistence, and commitment. Their focused efforts reflected how hard work leads to meaningful learning and success.

Star Performer of the month: The Star Performer of the Month was honored for consistently maintaining excellence in academics and conduct. Evaluated on key parameters such as discipline, adherence to proper uniform, neat and timely submission of homework and assignments, effective English communication, and active participation in class activities, this recognition celebrates a student who truly sets a motivating example for peers.

PARENTING TIP EARLY ADOLESCENCE (Class 6 to Class 8 | Ages 11–13)

October — Raising Boys & Girls

Class 6–8 is when harmful gender norms either takes root or is interrupted. Boys at this age may navigate enormous pressure to perform toughness, suppress emotion, and prove themselves through dominance or humour. Early adolescent girls face the intersection of puberty, academic pressure, and social media comparison. This is an extraordinarily vulnerable window.

Parent focus: The father-son relationship as the single most important protective factor; naming emotions explicitly with sons. Body image conversations before the crisis hits; the mother-daughter relationship as anchor; the father's role in affirming a daughter's worth beyond appearance; safety conversations that are empowering rather than restricting.
