

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR OCTOBER
GRADE-VII (2026-2027)

“I am indebted to my father for living, but to my teacher for living well.”
— Alexander the Great

Dear Parents,

Greetings from Imperial Heritage School!

As we step into October, the air begins to change, bringing with it the gentle promise of winter. The month arrives wrapped in the warmth of Indian festivities, the aroma of delicious delicacies, the excitement of new clothes, beautifully decorated homes and, most importantly, opportunities for new beginnings. As our homes are cleaned and prepared for the festive season, October also reminds us to pause and reflect—to clean not just our surroundings, but also our actions, thoughts and minds, making space for kindness, gratitude and positivity. September was a vibrant and eventful month at school, filled with learning, creativity and celebration. Our students also prepped up the revision for the exams in September concluding Term 1. Among the many highlights, the Teachers’ Day celebrations truly stole the show! The day was filled with appreciation, laughter, gratitude and heartfelt moments as our students came together to celebrate the teachers who guide, inspire and encourage them every day.

Special Assembly - Jamanashtmi-

“Whenever righteousness declines and unrighteousness rises, I manifest Myself on Earth. I appear age after age to protect the righteous, destroy evil, and re-establish Dharma.”

With this profound message of Lord Krishna, the students of Grade VII-A presented a vibrant and meaningful Janmashtami Assembly, celebrating the timeless wisdom and divine spirit of Krishna. The celebration began with the auspicious Jhula ceremony of Laddoo Gopal, followed by a graceful group dance, soulful group song and an inspiring poem. Through a powerful enactment, students portrayed Lord Krishna’s wisdom and counsel to the Kauravas, urging them to choose peace and avert the devastating Mahabharata. The presentation then moved to the departure of Lord Krishna and the establishment of the Jagannath Temple, with students sharing fascinating facts about Lord Jagannath and his enduring legacy. Adding a contemporary touch to the celebration, the students presented the skit “The Krishna Within,” in which Lord Krishna visits IHS and guides students with the eternal teachings of the Bhagavad Gita, reminding them to choose courage, kindness, self-discipline and the right path in every situation. The assembly beautifully conveyed that Krishna is not merely a figure of the past, but a timeless source of wisdom and guidance.

Special Assembly - Teacher’s Day Teacher’s Day at school was a delightful celebration filled with appreciation, laughter and heartfelt emotions. The programme featured a soulful poetry recitation, Sanskrit and Hindi messages, and a fun satirical skit highlighting the invaluable role of teachers. The much-awaited Teachers’ Fun Awards brought cheer with quirky titles such as *Notebook Massacre Award*, *Free Period Snatcher Award*, *Human CCTV Award*, *All-Rounder Award*, and *Picasso Award*, *Xerox Machine Award* among others. Each winner was greeted with thunderous applause and a pen. A lively rap performance captured the students’ emotions through rhythmic beats. To express their gratitude, every teacher was presented with a pen, flowers, chocolates and handmade cards, making the celebration truly memorable.

Assessment of Speaking and Listening Skills - The ASL activity provided students with a vibrant platform to express their ideas confidently. They spoke with deep conviction on topics close to their heart such as ‘How To Say No’, ‘Importance of Family’, ‘Discipline and Students’ and much more. A few students also presented their thoughts in pairs and gave them an opportunity to collaborate on a single idea. They spoke on evolving fashion trends and changing politics in the world at large.

International Literacy Day : To celebrate International Literacy Day, our students explored the beauty and power of words in a wonderfully creative way. They were invited to choose one word from any language that held a special meaning for them. Each student then designed a colourful and creatively decorated paper cut-out featuring their chosen word, along with its meaning and a brief explanation of why it inspired them or what significance it held in their lives. The result was a vibrant collection of words, languages, ideas and emotions. The beautifully crafted cut-outs were brought together on a large display board, creating a colourful celebration of linguistic diversity and the power of expression. Literacy is not simply the ability to read and write; it is the ability to understand, communicate, express ideas and connect with the world around us. Through this activity, our students celebrated literacy in its most meaningful form—through words, language, knowledge, expression and personal connection. Each word became more than just a collection of letters; it became a reflection of an idea, a feeling or a value that mattered to its creator.

First Aid Day

Students of Grades VII were introduced to the importance of first aid through a video demonstration by the Science teachers. The video showcased a basic First Aid Kit and explained the function and importance of each item and how it can be useful during common emergencies.

The assessments reflected their preparation, conceptual clarity, and progress across subjects, marking a significant milestone in the academic journey.

Value of the Month:

The value of **Hard Work** was nurtured through a reflective activity for the students of Grade VII. They were asked to think about one academic area where they knew they had to work hard keeping in mind the Term 1 exams. They wrote their thoughts on a post-it and shared a solemn promise to work on that specific area.

Star Performer of the month: Each month, students who consistently excel in academics, co-curricular activities, discipline, and overall participation are recognised with a Star Performer Certificate. This initiative not only celebrates their hard work and dedication but also encourages others to strive for excellence. The star performers for the month of September are Saanvi (VII A) and Shreyanshi Naik (VII B).

PARENTING TIP EARLY ADOLESCENCE (Class 6 to Class 8 | Ages 11–13)

October — Raising Boys & Girls

Class 6–8 is when harmful gender norms either takes root or is interrupted. Boys at this age may navigate enormous pressure to perform toughness, suppress emotion, and prove themselves through dominance or humour. Early adolescent girls face the intersection of puberty, academic pressure, and social media comparison. This is an extraordinarily vulnerable window.

Parent focus: The father-son relationship as the single most important protective factor; naming emotions explicitly with sons. Body image conversations before the crisis hits; the mother-daughter relationship as anchor; the father's role in affirming a daughter's worth beyond appearance; safety conversations that are empowering rather than restricting.
