

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR OCTOBER
Grade VIII (2026-2027)

“The more that you read, the more things you will know. The more that you learn, the more

Dear Parents,

Greetings from Imperial Heritage School!

Welcome to another exciting month at IHS. We are thrilled to have you as an integral part of our school community. Your dedication and support play a crucial role in shaping our students' success and fostering a nurturing and enriching environment for them to thrive. As we step into October, the air begins to change, bringing with it the gentle promise of winter. The month arrives wrapped in the warmth of Indian festivities, the aroma of delicious delicacies, the excitement of new clothes, beautifully decorated homes and, most importantly, opportunities for new beginnings. As our homes are cleaned and prepared for the festive season, October also reminds us to pause and reflect—to clean not just our surroundings, but also our actions, thoughts and minds, making space for kindness, gratitude and positivity.

September was a vibrant and eventful month at school, filled with learning, creativity and celebration. In the month of September students participated in following activities and competitions.

Teacher's Day Celebration: Teachers' Day holds special significance as it honours and appreciates the dedication and invaluable contribution of teachers. The celebration was organised with great enthusiasm by the Students' Council, featuring fun games, engaging activities, musical performances, and energetic dances. The programme reflected the students' confidence, creativity, and teamwork, creating joyful and memorable moments and celebrating the cherished bond between teachers and students.

International Literacy Day : To celebrate International Literacy Day, our students explored the beauty and power of words in a wonderfully creative way. They were invited to choose one word from any language that held a special meaning for them. Each student then designed a colourful and creatively decorated paper cut-out featuring their chosen word, along with its meaning and a brief explanation of why it inspired them or what significance it held in their lives. The result was a vibrant collection of words, languages, ideas and emotions. The beautifully crafted cut-outs were brought together on a large display board, creating a colourful celebration of linguistic diversity and the power of expression. Literacy is not simply the ability to read and write; it is the ability to understand, communicate, express ideas and connect with the world around us. Through this activity, our students celebrated literacy in its most meaningful form—through words, language, knowledge, expression and personal connection. Each word became more than just a collection of letters; it became a reflection of an idea, a feeling or a value that mattered to its creator.

The Assessment of Speaking and Listening Skills was conducted for the students to assess their proficiency in languages. The objective was to enhance their ability to comprehend and interpret spoken language and express their thoughts, ideas, and opinions confidently and effectively.

First Aid Day : First Aid Day is observed to spread awareness about the importance of first aid, safety, emergency preparedness, and timely assistance. It encourages students to develop the knowledge and confidence needed to respond responsibly during emergencies until professional medical help is available. As

part of First Aid Day, the students were introduced to the importance of first aid through a video demonstration by the Science teachers. The video showcased a basic First Aid Kit and explained the function and importance of each item and how it can be useful during common emergencies.

Hindi Diwas Activity: हिंदी दिवस के अवसर पर कक्षा 8 के विद्यार्थियों के लिए 'हिंदी भाषा एवं शिक्षण' पर आधारित रचनात्मक विज्ञापन लेखन गतिविधि आयोजित की गई। इस गतिविधि में विद्यार्थियों ने अपनी कल्पनाशीलता एवं सृजनात्मक अभिव्यक्ति का परिचय देते हुए आकर्षक विज्ञापन तैयार किए। उन्होंने सुंदर एवं विषयानुकूल चित्रों, प्रभावशाली नारों और रोचक शब्दों का प्रयोग कर अपने विज्ञापनों को जीवंत रूप प्रदान किया। इस गतिविधि के माध्यम से विद्यार्थियों में भाषा-कौशल, लेखन क्षमता, कल्पनाशक्ति तथा प्रस्तुतीकरण कौशल का विकास हुआ। साथ ही, उन्होंने हिंदी भाषा के महत्व को रचनात्मक ढंग से समझा और उसके प्रति रुचि एवं सम्मान की भावना को और सुदृढ़ किया।

Term 1 Examination: The Term-I Examination was conducted successfully for students of Grades V–XII in a well-organised and systematic manner. It provided students with an opportunity to demonstrate their knowledge, understanding, and application of concepts learned during the term, while reflecting on their preparation and identifying areas for further improvement.

CBSE Young India Culinary Championship: As per CBSE guidelines, an inter-class 'Young India Culinary Championship (YICC) 2026–27' was organised at the school. In the School-Level Round – Non-Fire Cooking, the following students secured positions:

- First Position: Paridhi Tomar (VIII B)
- Second Position: Aditi Chaurasia (VIII A)

Sports Achievement: Aadrika Chauhan of Grade VIII-B represented the school in the CBSE North Zone Shooting Championship 2026 held at Sacred Souls School, Mohali, and participated in the 45th North Zone Shooting Championship 2026 held in Dehradun. She further participated in the All India Inter-School Shooting Championship 2026 held in Bhopal, where she qualified for the National Championship. Her consistent performance and dedication to the sport brought pride and recognition to the school.

Star Performer: Each month, students who consistently excel in academics, co-curricular activities, discipline, and overall participation are recognised with a Star Performer Certificate. This initiative not only celebrates their hard work and dedication but also encourages others to strive for excellence. The star performers for the month of September from Grade VIII A and VIII B are **Aditi Chaurasia** and **Ayaan Pathak** respectively.

Subject Enrichment Activities: In CT and AI, students tackled the classic mathematical and computational puzzle, the Tower of Hanoi. The activity challenged students to move a stack of disks from one peg to another following strict logical constraints.

Value of the month: As part of the Value Education programme, the value of Hardwork was covered in September. Students engaged in thorough revision for the Term 1 Examination through peer study and collaborative learning. The importance of hard work and consistent effort was reinforced by encouraging students to remain focused, practise regularly, and strive to achieve their best possible results.

PARENTING TIP EARLY ADOLESCENCE (Class 6 to Class 8 | Ages 11–13)

October — Raising Boys & Girls

Class 6–8 is when harmful gender norms either takes root or is interrupted. Boys at this age may navigate enormous pressure to perform toughness, suppress emotion, and prove themselves through dominance or humour. Early adolescent girls face the intersection of puberty, academic pressure, and social media comparison. This is an extraordinarily vulnerable window.

Parent focus: The father-son relationship as the single most important protective factor; naming emotions explicitly with sons. Body image conversations before the crisis hits; the mother-daughter relationship as

anchor; the father's role in affirming a daughter's worth beyond appearance; safety conversations that are empowering rather than restricting.

IHS NEWS: Celebrating Excellence in Teaching

Our Principal, **Ms. Neelu Sharma**, was conferred the prestigious **IIRF Education Impact Award** for leading the school towards *Best Learning Outcomes* and was honoured as **“Principal of the Year – 2026”** at the **2nd National Education Conclave**. The recognition celebrates her visionary leadership and unwavering commitment to creating a progressive and enriching learning environment.

Heartiest congratulations to **Ms. Deepa Sharma and Dr. Madhuri Panwar** on being felicitated with the **Guru Samman Award** on **12 September**. Our Principal Ms. Neelu Sharma congratulated both mentors and appreciated their dedication and invaluable contribution towards shaping young minds.

Building Global Connections

IHS is all set to welcome students from **Dongpae Middle School, South Korea**, as part of an exciting **student exchange programme**. This international collaboration will provide our students with opportunities to connect, learn, share cultures and build meaningful global friendships.

A month of pride, appreciation and new beginnings at IHS!
