MONTHLY PLANNER FOR OCTOBER
GRADE XII HUMANITIES (2026-2027)

"Education is not the learning of facts, but the training of the mind to think."
— *Albert Einstein*

Dear Parents,
Greetings!

October, being a festive month, will be full of celebrations as we will be celebrating Navratri, Dussehra, and a lot of engaging activities will keep our students engrossed throughout the month. Focus will be on the academic front as well to help them cope up with the scholastic subjects. September played a pivotal role in consolidating the preparations and focusing on revision for their mid-term examinations. A thorough recapitulation was done to help students prepare well for their exams.

The Teachers' Day Special Assembly was a heartfelt celebration of the invaluable role teachers play in shaping young minds and nurturing future generations. The students beautifully expressed their gratitude through a vibrant blend of dance, music and heartfelt messages. Adding a fun and nostalgic touch, students organised engaging games for the teachers, filling the assembly with laughter and joy. A special "Guess the Teacher" segment featuring childhood photographs of the teachers brought back cherished memories and created plenty of excitement as everyone tried to identify their teachers. The celebration concluded on a warm note of gratitude, love and appreciation, reminding everyone that behind every successful student is a teacher who inspires, guides and believes in them. It was truly a memorable celebration of the bond between teachers and students.

The student council members organised a **CPR Awareness and Training Session** in Grades IX to XII. The session introduced students to the importance of CPR in responding to certain emergencies and highlighted the need to act quickly, seek professional help, and follow trained guidance. Students learnt the basic steps of CPR through a PPT presentation.

CBSE has clearly emphasised the significance of "Learning by Doing" as an integral part of the learning process and co-scholastic development of every learner. To develop a practical approach and enhance students' understanding of mathematical concepts, various activities were conducted in the classroom. An assessment was conducted as part of the **Subject Enrichment Activity** with the objective of evaluating students' mathematical skills, conceptual understanding, and ability to apply their knowledge in practical situations.

In English, ASL (Assessment of Speaking and Listening Skills) was conducted to evaluate and enhance students' practical communication, comprehension, and verbal expression proficiency.

History and Political Practical examination to assess specific, distinct competencies related to each discipline through dedicated project work, research, and viva-voce evaluations

AI practical examination was conducted successfully, providing students an opportunity to demonstrate their practical skills and application of concepts.

PE practical examination was conducted successfully, with students showcasing their physical fitness, skills, and understanding of the subject.

Term 1 examination was conducted successfully with a smooth and well-organised process.

We appreciate the cooperation and support of our students, parents, and teachers in ensuring the successful completion of the examinations.

The value of the month was '**Hard Work**'. Students were encouraged to put in their hard work in term examinations, which will play a critical role in achieving success and reaching academic goals

IHS NEWS

Celebrating Excellence in Education!

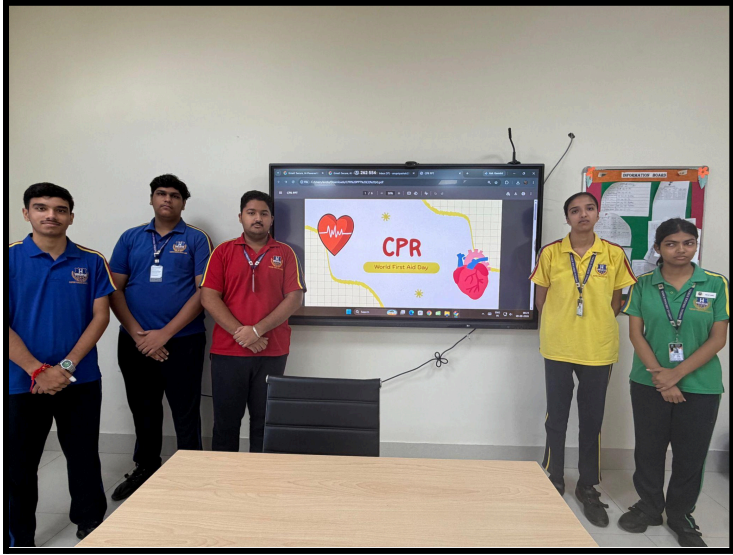

Our Principal, **Ms. Neelu Sharma**, was conferred the prestigious **IIRF Education Impact Award** for leading the school towards *Best Learning Outcomes* and was honoured as "**Principal of the Year – 2026**" at the **2nd National Education Conclave**. The recognition celebrates her visionary leadership and unwavering commitment to creating a progressive and enriching learning environment.

Heartiest congratulations to **Ms. Deepa Sharma and Dr. Madhuri Panwar** on being felicitated with the **Guru Samman Award** on **12 September**. Our Principal Ms. Neelu Sharma congratulated both mentors and appreciated their dedication and invaluable contribution towards shaping young minds.

Building Global Connections

IHS is all set to welcome students from **Dongpae Middle School, South Korea**, as part of an exciting **student exchange programme**. This international collaboration will provide our students with opportunities to connect, learn, share cultures and build meaningful global friendships.

A month of pride, appreciation and new beginnings at IHS!
