

IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR OCTOBER
NURSERY (2026-27)

October is a month of inspiration and blessings.

Dear Parents,

Greetings!

We warmly welcome the beautiful month of October—a season filled with joy, festivities, togetherness, and countless blessings. With its crisp air and golden charm, October transforms the world into a breathtaking canvas of red, orange, and yellow, reminding us of the beauty and abundance of Nature. It is a month that brings hearts together through the vibrant celebrations of Navratri, the devotion of prayers and dance, and the spirit of Dussehra, which reminds us of the triumph of good over evil. Above all, October is a time to cherish traditions, create beautiful memories, and celebrate the warmth of family and friendship.

September was a memorable month for our little ones as they celebrated **Grandparents' Day** with a joyful Utsav programme. The children expressed their love, gratitude, and respect through a special performance based on the theme **“Bhakti Ki Shakti”**, inspired by the story of Bhakt Prahlad, which they dedicated to their beloved grandparents. Along with the performance, the children joyfully created beautiful crafts using paper cut-outs and pasting activities, making each gift unique and personal. The celebration was filled with happiness, love, and touching moments as the children offered a heartfelt tribute to their dear grandparents, making the occasion truly special and memorable.

On the **academic** front, students participated in a range of enriching activities aimed at teaching letters Yy, Kk, Zz, and Mm, as well as numbers 6 and 7 and the shape of a rectangle. They engaged in tracing and writing exercises to master the letters and played interactive games to enhance their letter recognition. Counting activities focused on numbers 6 and 7 while drawing and craft activities helped them explore and understand the concept of a rectangle. These varied approaches made the learning experience both engaging and educational, allowing students to grasp new ideas in a fun and effective way.

The **theme of the month** was Animals. Our little learners explored different types of animals, such as land, wild, and water animals. They enjoyed fun discussions, picture cards, and stories that helped them learn about animal habitats and their features. As a hands-on activity, the children made a snake using paper plates and enjoyed a fun sponge dabbing activity on the paper plate. It was a fun and creative way to learn about animals.

The **value of the month** was **Hard Work**, and our students embraced this important lesson through the inspiring story of “The Ant and the Grasshopper.” The story helped them understand the importance of being hardworking, responsible, and prepared. The children put this value into practice by arranging their materials and setting up their classroom independently. They took responsibility for keeping everything in its proper place, demonstrating their understanding of the importance of effort, discipline, and organization. This hands-on approach reinforced their learning and encouraged them to develop a strong sense of responsibility, independence, and pride in their classroom environment.

In the **Colour Burst** activity, our little learners explored the magic of colours by mixing red, blue, and white to create beautiful shades of purple. They had lots of fun creating adorable purple eye masks and experimenting with different shades of purple through a creative dabbing activity on paper. colourful, hands-on experience filled with creativity, exploration, and joyful learning!

This month, our school celebrated **Teachers' Day** with great enthusiasm through a special assembly presented by the students of Class VII-B. The programme was dedicated to honouring the commitment, guidance, and invaluable contributions of our teachers. Adding a special touch to the celebration, several teachers were felicitated with certificates featuring thoughtful titles that beautifully recognised their unique qualities and achievements. As a token of love and gratitude, the teachers were also presented with pens, making the occasion even more memorable. The assembly was a heartfelt expression of the deep respect and affection our students hold for their teachers, who continually inspire, support, and guide them on their journey of learning and growth. The Student Council made Teachers' Day truly special with a wonderful presentation that beautifully combined music, dance, and a lively ramp walk, making every teacher feel valued and appreciated. The celebrations continued with a special lunch, giving teachers a wonderful opportunity to relax, connect, and enjoy a joyful day together outside the school environment.

Janmashtami was a joyful and memorable celebration for our little ones. The children dressed up as Radha and Krishna and enjoyed a beautiful dance performance on a Krishna song. They also decorated Matkis using colourful paints and mirrors. To add a creative touch, they did earbud painting on the Matki, creating beautiful patterns with great enthusiasm. The celebration was filled with joy, creativity, and festive spirit. A special assembly was thoughtfully presented by the students of Class VII-A, who showcased a vibrant and captivating programme portraying the life, teachings, and divine leelas of Lord Krishna. The celebration created an atmosphere of devotion and happiness, while beautifully reflecting the richness of our cultural heritage and traditions.

World First Aid Day, celebrated on September 12, provided a valuable learning opportunity for our little ones. They were introduced to the basics of first aid, gaining essential knowledge about how to handle simple emergencies. The school nurse demonstrated various basic first aid equipment, which the children had the chance to see and use. This hands-on experience helped them understand the importance of first aid and how to respond to minor injuries with confidence.

Bagless Day was a fun and exciting day for our Pre-Primary students, filled with engaging and interactive learning activities. In the **Objects Hunting Maze**, students followed the correct path through a maze created on the floor to hunt for different objects related to a particular letter, helping develop their letter recognition, observation, and motor skills. In **Find and Circle**, students identified the given number and circled it using poster colour with the help of a paper roll, making number recognition enjoyable and creative. In **Follow the Animal Sound**, the teacher played different animal sounds one by one, and students listened carefully, identified the animal, searched for the chair with the corresponding animal picture, and sat on the correct chair. These activities provided our little learners with a joyful opportunity to learn through play while enhancing their listening, observation, concentration, and coordination skills.

To encourage students to try their best every day, the **Star Performer of the Month** award is given every month. To win, students should speak in English, follow the rules, wear full uniform, and take part in all class activities. **STAR PERFORMER** for the month of September is Devansh Toulk.

CBSE Parenting Calendar:

Parenting today is both deeply rewarding and increasingly complex. As children navigate a fast-changing world shaped by new learning environments, evolving expectations, and diverse influences, the role of parents becomes even more significant in providing stability, guidance, and emotional grounding. A child's development is most meaningful when supported consistently across both home and school. Recognising this, the CBSE Parenting Calendar for the academic session 2026- 2027 continues to build on its vision of strengthening the home-school partnership as a cornerstone of student success.

TIP FOR OCTOBER- Developing secure attachment Separation anxiety peaks between ages 2 and 5. Working parents, returning to work after parental leave, need support in understanding that consistent, predictable, warm availability — even in smaller windows — is what builds secure attachment, not total physical presence.

Parent focus: Some themes that could be emphasized at this stage of development are outlined- Goodbye rituals; the importance of the caregiver being warm and consistent; not sneaking away; reunion quality matters as much as separation management.

IHS NEWS

Celebrating Excellence in Education!

Our Principal, **Ms. Neelu Sharma**, was conferred the prestigious **IIRF Education Impact Award** for leading the school towards *Best Learning Outcomes* and was honoured as “**Principal of the Year – 2026**” at the **2nd National Education Conclave**. The recognition celebrates her visionary leadership and unwavering commitment to creating a progressive and enriching learning environment.

Heartiest congratulations to **Ms. Deepa Sharma** and **Dr. Madhuri Panwar** on being felicitated with the **Guru Samman Award** on **12 September**. Our Principal Ms. Neelu Sharma congratulated both mentors and appreciated their dedication and invaluable contribution towards shaping young minds.

Building Global Connections

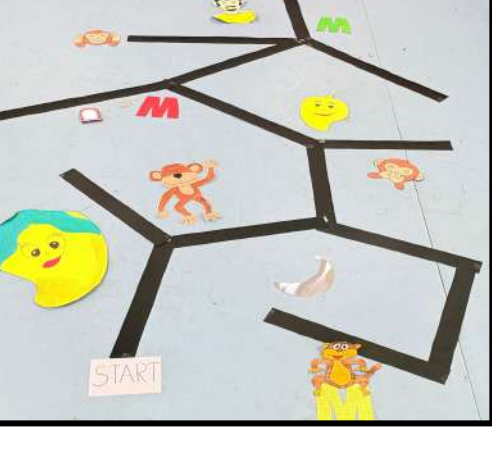

IHS is all set to welcome students from **Dongpae Middle School, South Korea**, as part of an exciting **student exchange programme**. This international collaboration will provide our students with opportunities to connect, learn, share cultures and build meaningful global friendships.

A month of pride, appreciation and new beginnings at IHS!
