

IMPERIAL HERITAGE SCHOOL, SECTOR-102, GURUGRAM
MONTHLY PLANNER FOR OCTOBER
UKG (2026-27)

"Tell me and I forget, teach me and I may remember, involve me and I learn."
~ Benjamin Franklin

**Dear Parents,
Greetings!**

September was a joyful month of learning, exploration, creativity, and discovery. Children enthusiastically participated in engaging activities, celebrations, and value-based discussions, developing confidence, collaboration, and a love for learning.

As we welcome October, we look forward to a month filled with festive cheer, togetherness, and beautiful traditions. The vibrant celebrations of Navratri and Dussehra bring opportunities to celebrate joy, devotion, family, and friendship, while reminding us of the timeless triumph of good over evil. May October be a month of happiness, learning, and cherished memories.

The highlight of the month was the Annual **Grandparents' Day (UTSAV)**. The Pre-Primary Wing celebrated its **Fifth Grandparents' Day** with immense warmth, joy, and splendour. With the soulful theme "**Bhakti Ki Shakti**," the celebration beautifully blended devotion, culture, creativity, and the precious bond shared between grandparents and grandchildren. The students captivated the audience with an expressive enactment depicting the inspiring story of **Bhagwan Narasimha defeating Hiranyakashyap**. Their confident expressions, graceful movements, and heartfelt performances brought the story to life, leaving everyone spellbound. This was followed by vibrant dance performances filled with rhythm, colour, energy, and devotion. The children's enthusiasm and cheerful smiles added a special sparkle to the festive atmosphere. The celebration was not only a showcase of the children's talent but also a meaningful tribute to the invaluable role grandparents play in shaping young lives. Their presence, blessings, love, and wisdom make childhood richer and more memorable. The event provided a beautiful platform for children to express their affection and gratitude towards their beloved grandparents. As a heartfelt gesture, the children lovingly created **beautiful photo frames for their grandparents**. These handmade keepsakes captured the innocence, creativity, and love of the little ones, making the moment truly special and emotional. The celebration concluded with hearts full of happiness and cherished memories. **UTSAV** was a beautiful reminder that the bond between grandparents and grandchildren is a treasure that grows stronger with love, laughter, blessings, and shared moments.

On the academic front, students explored various topics with great enthusiasm, actively participating in discussions, asking insightful questions, and demonstrating a keen interest in deepening their understanding. Their curiosity and engagement reflected a strong commitment to learning, making each session both productive and enjoyable.

In **EVS**, under the theme *Animals*, children learned about herbivores, omnivores, and carnivores, along with animal patterns, homes, and young ones. To make learning engaging, they took part in class discussions, shared prior knowledge, and connected it with real-life experiences. They also enjoyed hands-on craft activities related to animals. The children enjoyed 3D giraffe themed craft. This hands-on activity sparked their creativity and helped improve their fine motor skills.

In **Numeracy**, students practiced oral counting from 1 to 100 and engaged in exercises focusing on before, after, in-between, and missing numbers to strengthen their number sense. They also learned the number names from (1-6), developing both recognition and writing skills. All previously learned shapes were recapitulated through an enjoyable and interactive activity, helping reinforce their understanding in a fun and engaging way. Their enthusiasm and active participation reflected a growing confidence in handling numbers and basic mathematical concepts.

In **Literacy**, students explored the vowel ‘a’ and practiced various words from the ‘a’ vowel family, including **at, an, ag, ad, ab, and am**, enhancing both their reading and pronunciation skills. They engaged in interactive activities such as word games, matching exercises, and storytelling to reinforce these concepts in an enjoyable way. In addition, students learned and revised **sight words** to build their vocabulary, improving their recognition and usage in sentences. Through these activities, they not only strengthened their reading and writing abilities but also developed confidence in using new words while expressing themselves creatively.

Teachers’ Day was celebrated with warmth and enthusiasm, as children learned about the significance of this special day. They were taught that Teachers’ Day is celebrated on the birthday of **Dr. Sarvepalli Radhakrishnan**, a great philosopher and educator. Through a captivating story, students understood the important role teachers play in shaping lives. To express their respect and gratitude, the little ones joyfully honored their teachers with love, heartfelt wishes, and cheerful participation in classroom activities. **Class VII-B** hosted a vibrant **Teachers’ Day Special Assembly** on 3rd September, celebrating teachers with a fun quiz, heartfelt poetry, soulful messages and an energetic rap dedicated to their teachers. The Student Council added to the celebrations with a lively presentation featuring music, dance, and a cheerful ramp walk, creating moments of joy and togetherness. The day concluded with a special lunch, giving teachers an opportunity to unwind, connect, and celebrate the occasion beyond the school environment.

Special assembly on the occasion of **Hindi Diwas** conducted by **Grade IV-A**. The students presented a soulful prayer, a graceful dance performance, and an engaging skit highlighting the importance of Hindi as our national language. Through their performances, they spread awareness about the richness of Hindi and inspired everyone to take pride in using it. The assembly was filled with enthusiasm and showcased the students’ talent and respect for the language.

The **Colour Burst** activity for the month highlighted the color **Purple**, symbolizing imagination, dreams, and a spiritually calming effect on emotions. The children celebrated the day with great excitement, dressing beautifully in shades of purple. To complement the theme, they created a **Bloom and crumple craft** using tearing and pasting in leaves as well as pasting of leaves in the pot. This hands-on activity not only nurtured creativity but also helped students identify and connect with the color in a fun and meaningful way.

Janmashtami Celebration was a joyful and creative event for the students, filled with fun, tradition, and festive spirit. Centered around the theme of Lord Krishna, the children enthusiastically participated in a variety of engaging activities. To mark the occasion, the children dressed up beautifully as **Radha and Krishna**, bringing the festive celebration to life with their adorable traditional attire. They also participated in a creative **Dahi Handi craft activity**, where they made and decorated *matkis*—one of Lord Krishna's iconic symbols. Using simple materials such as pots made in pottery class, cotton, colourful stones, stickers, the children transformed their *matki* into beautiful **Dahi Handis**. The Janmashtami activities were more than just crafts and dress-up; they provided children with an opportunity to connect with the traditions, stories, and cultural significance of the festival. The celebration encouraged creativity, self-expression, and joyful learning while creating wonderful memories for the children. The beautifully decorated Dahi Handis and adorable Radha-Krishna avatars added a special charm to the celebration, making it a memorable and delightful Janmashtami for everyone. A special assembly was also conducted by the students of class **VII-A**, who presented a vibrant and meaningful programme highlighting the life, teachings, and divine leelas of Lord Krishna. The celebration filled the school with devotion, joy, and a strong sense of cultural pride.

On **World First Aid Day**, students participated in an engaging session led by the school nurse, who explained the importance of first aid and demonstrated simple, practical techniques. The children actively took part in the activities, gaining awareness about how first aid can be applied in everyday situations. The session helped instill a sense of responsibility and safety awareness among the young learners.

The **Value of the Month, Hard Work**, was highlighted through discussions and storytelling. Children explored how hard work, discipline, and perseverance are reflected in everyday life and in the lessons they learn from their families. To make the concept engaging, the teacher narrated the story of **The Ant and the grasshopper** through a role-play activity. This story helped students understand that even the smallest creatures, like ants, work patiently and tirelessly, demonstrating that consistent effort and dedication lead to success.

Bagless Day was celebrated with a joyful blend of fun, learning, and creativity. The children participated enthusiastically in a **Germination Portfolio Activity**, where they learned about the different stages of a seed's growth and developed an understanding of how plants grow from tiny seeds. They also created a colourful **Lady Finger Printing Portfolio**, exploring patterns and textures while enhancing their creativity, hand-eye coordination, and fine-motor skills. The **Hoopla Passing Activity on One Leg** added an element of fun while promoting balance, coordination, concentration, and physical fitness. Overall, Bagless Day provided a wonderful opportunity for children to learn beyond the classroom through experiential learning, creativity, movement, and joyful participation, making the day both enriching and memorable.

बैगलेस डे के अवसर पर बच्चों ने हिंदी विषय में एक रोचक 'म्यूज़िकल चेयर्स' गतिविधि में उत्साहपूर्वक भाग लिया। संगीत बजने पर बच्चे कुर्सियों के चारों ओर घूमे और संगीत रुकने पर स्वर या व्यंजन का कार्ड उठाकर उसकी पहचान की। इस मजेदार गतिविधि के माध्यम से बच्चों ने खेल-खेल में स्वरों और व्यंजनों की पहचान करना सीखा तथा अपनी सीखने की क्षमता को और बेहतर बनाया।

We proudly celebrated our **Star Performers** for the month of September, recognizing students who showed exceptional effort, enthusiasm, and excellence in academics and activities. Their hard work, positive attitude, and dedication truly shone, making them wonderful role models for their peers. Congratulations to all our shining stars! 🌸🌟

UKG A - Dira

UKG B- Advika Neema

Developing secure attachment : Separation anxiety peaks between ages 2 and 5. Working parents, returning to work after parental leave, need support in understanding that consistent, predictable, warm availability — even in smaller windows — is what builds secure attachment, not total physical presence.

Parent focus: Some themes that could be emphasized at this stage of development are outlined- Goodbye rituals; the importance of the caregiver being warm and consistent; not sneaking away; reunion quality matters as much as separation management.

IHS News –

Celebrating Excellence in Education!

Our Principal, **Ms. Neelu Sharma**, was conferred the prestigious **IIRF Education Impact Award** for leading the school towards *Best Learning Outcomes* and was honoured as **“Principal of the Year – 2026”** at the **2nd National Education Conclave**. The recognition celebrates her visionary leadership and unwavering commitment to creating a progressive and enriching learning environment.

Heartiest congratulations to **Ms. Deepa Sharma and Dr. Madhuri Panwar** on being felicitated with the **Guru Samman Award** on **12 September**. Our Principal Ms. Neelu Sharma congratulated both mentors and appreciated their dedication and invaluable contribution towards shaping young minds.

Building Global Connections

IHS is all set to welcome students from **Dongpae Middle School, South Korea**, as part of an exciting **student exchange programme**. This international collaboration will provide our students with opportunities to connect, learn, share cultures and build meaningful global friendships.

A month of pride, appreciation and new beginnings at IHS!

Syllabus for the month of October
