MONTHLY PLANNER FOR SEPTEMBER
GRADE I (2025-2026)

"Pride is not just a celebration—it's a reminder that every identity deserves to be seen, respected, and loved."

**Dear Parents,
Greetings!**

September ushers in a gentle transition—summer lingers, but the oppressive heat and humidity begin to fade. Warm days bathed in golden sunlight give way to crisp, cool nights, perfect for sleeping with the windows open and letting fresh air drift in.

As Benjamin Franklin wisely said, *"Tell me and I forget. Teach me and I remember. Involve me and I learn."* Embracing this philosophy, students explored academic concepts through hands-on activities, fostering deeper understanding and meaningful learning.

Building on the theme of learning through involvement, Grade I students dazzled in their first Class Presentation, centered around the fascinating world of animals. With infectious energy and creativity, they stepped into the roles of various animals—each representing important messages about cleanliness and environmental care. Their role-play not only entertained but also educated, leaving a lasting impression on the audience. The presentation came alive with a spirited dance performance that echoed the theme, blending movement and meaning in a delightful showcase of talent. Adding depth to the experience, students shared information about different professions in both English and Hindi, reflecting their growing linguistic skills and cultural awareness. Along with the presentations, the holiday homework of all the students was displayed in the corridor. This showcase highlighted their creativity and effort. It provided an opportunity for everyone to appreciate the hard work and talent of the children.

Heritage Week at school was a vibrant celebration of India's rich cultural tapestry, infused with patriotic spirit and pride. The month began with a heartfelt activity where students created a state map, adorning it with symbols representing the diverse culture, literature, and traditions of each region. Through *Integrated Arts*, students expressed their appreciation for heritage by using various artistic mediums to depict traditional art forms from across the country. The *Heritage Quiz* added a spark of curiosity, encouraging students to delve into India's history and achievements, deepening their admiration for their roots. A delightful *"Incredible Cuisine on a Plate"* craft session showcased the culinary diversity of India, allowing students to combine creativity with cultural exploration. Their artistic talents shone as they celebrated flavors from every corner of the nation. Embracing the ***Value of the Month—Pride***, students participated in a moving role-play, embodying the personas of national leaders. Their performances reflected heartfelt respect and a deep sense of national pride, keeping the patriotic spirit soaring throughout the week.

In **Mathematics**, students explored the concept of *subtraction* through a hands-on "taking away" activity using everyday objects. A visual presentation and abacus practice helped reinforce understanding, making numbers come alive in their minds. In **English**, the focus was on building grammatically correct sentences using *"is, am, are"* and discovering *opposite words*. Through interactive exercises, students began crafting simple yet meaningful sentences with growing confidence. In **EVS**, the theme *"Food We Eat"* came to life through sensory-rich activities like the *food-on-a-plate* and *taste bowl* explorations. Flashcards and lively

discussions deepened their understanding of food groups and community roles, helping them appreciate the importance of helpers in our daily lives. This integrated approach not only strengthened subject knowledge but also nurtured curiosity, empathy, and real-world connections.

To acknowledge overall excellence and to recognize the achievement of our brilliant students.
