

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR SEPTEMBER
Grade III (2025-26)

“Tell me and I forget. Teach me and I remember. Involve me and I learn.” — Benjamin Franklin

Dear Parents
Warm greetings!

As we bid farewell to August, we welcome September with open arms.

The word *September* traces back to the Latin *septem*, meaning “seven,” as it originally held the place of the seventh month in the early Roman calendar. Today, it stands as a transitional month that marks the turning of seasons. In the northern hemisphere, September signals the soft descent into autumn — cooler breezes, golden leaves, and shorter days. Meanwhile, in the southern hemisphere, it welcomes the gentle awakening of spring, with blossoms beginning to unfurl. Often described as a month of balance, September carries the calm charm of change, offering some of the year’s most refreshing and delightful days.

A vibrant and engaging **Class Presentation** on the theme “**Sports**” was held, where students creatively connected the topic with various subjects. They highlighted the importance of physical fitness through Mathematics by calculating scores and averages, and learnt Subject and Predicate through sports. Through role plays, facts, and performances, the students showcased how sports not only promote health but also teamwork, discipline, and perseverance. Parents were delighted to see their children’s confidence, creativity, and depth of knowledge, and thoroughly enjoyed the presentation. The event truly reflected the students’ hard work, enthusiasm, and dedication. Kudos to both the students and teachers for making it a memorable and inspiring experience! Along with the presentations, the holiday homework of all the students was displayed in the corridor. This showcase highlighted their creativity and effort. It provided an opportunity for everyone to appreciate the hard work and talent of the children.

During the, the unfurling of the national flag became a moment of immense pride for the students. As the tricolor soared high against the sky, its vibrant hues stirred feelings of respect, gratitude, and devotion towards the nation. The ceremony served as a reminder of the countless sacrifices made by freedom fighters and instilled in the young hearts a deeper understanding of patriotism. It also emphasized the values of unity, responsibility, and commitment that every citizen must uphold for the progress of the country.

Students attended a special assembly on **Krishna Janmashtami**, where they learned about the life and teachings of Lord Krishna, including values like truth, kindness, and devotion. They enjoyed listening to stories and watching performances that brought the festival’s significance to life. After that, students expressed their creativity by making beautiful crafts inspired by the celebration, reflecting both their learning and artistic skills.

Students enthusiastically participated in **Heritage Week**, through a variety of engaging activities that celebrated India’s rich culture and traditions. They took part in various activities, showcasing their creativity and knowledge about the country’s heritage. These activities not only helped them appreciate the diversity of India’s history but also inspired them to preserve and respect cultural values for future generations.

Heritage Film Screening

Students attentively watched a documentary on heritage, exploring the rich traditions, historical landmarks, and cultural practices that shape communities. The film offered them a vivid glimpse into the past, deepening their appreciation for the values and stories passed down through generations.

Heritage Fashion Show

Following the film, they participated in a lively Heritage Fashion Show, dressing in the traditional attire of their home states. Each participant spoke about the textile traditions, fabrics, and popular styles unique to their region, sharing fascinating stories and insights.

Poster Design Intra Class Competition.

The week concluded with a **Poster Design competition**, where students drew monuments and shared thoughtful ideas on how to preserve them for future generations. The celebrations were not only colorful and fun but also an inspiring journey into the diversity and legacy of our nation.

The results of the Intra class Poster Making Competition are as follows:

POSITION	GRADE III A	GRADE III B	GRADE III C
First Position	Aadhya Singh	Anayra Bahl	Aashi
Second Position	Shanvi Sinha	Ansh Ravesh, Manik Sharma	Kaira
Third Position	Shivay Pandey, Aarudh Nivas	Anayat Kaur, Avanya Katoch	Nishka Thakur, Aarvi

Students enthusiastically participated in the **English Handwriting Competition**, showcasing their neatness, creativity, and dedication to improving their writing skills. Each participant worked diligently to present well-formed letters and clear, elegant handwriting. The event not only encouraged students to focus on the art of beautiful writing but also helped them develop patience, concentration, and pride in their work.

The result of English Handwriting Competition are as follows:

POSITION	GRADE III A	GRADE III B	GRADE III C
First Position	Aadhya Singh	Anayat Kaur, Anayra Bahl, Avanya Katoch	Nyra and Drishana
Second Position	Samaira Suman	Aarna Singhal, Ditya Gupta	Aashi and Viraj Saini
Third Position	Meehul Saini, Shivay Pandey	Mukul, Lira Khandodiya	Kaira and Aksh Janghu

Congratulations to the Winners!!!

As part of the CBSE activity under the aegis of ***Azadi Ka Amrit Mahotsav***, students enthusiastically participated in the ***Har Ghar Tiranga*** initiative, aimed at fostering patriotism and national pride. They enthusiastically hoisted the National Flag at their homes, ensuring it was displayed with dignity and in full compliance with the flag code. Families came together to embrace the spirit of Independence, and students proudly clicked photographs of the

occasion, later uploading them on the government portals as part of the nationwide campaign. This meaningful activity not only strengthened their bond with India's rich heritage but also gave them a sense of pride in contributing to a movement that connected citizens across the nation. Alongside this, students actively participated in the National Quiz, which broadened their understanding of India's freedom struggle, cultural diversity, and remarkable achievements, while nurturing civic responsibility and reinforcing the spirit of unity.

In **English**, related to **Chapter 5: Sniffles the Crocodile and Punch the Butterfly**, students enjoyed a creative activity where they made **origami butterflies and crocodiles** using colorful paper. This hands-on session helped them connect with the story in a fun way. After making the origami characters, students talked about the **special friendship** between Sniffles and Punch, learning how friends can be different yet still care for and understand each other. The activity highlighted the values of **friendship, kindness, and acceptance**.

In our **Mathematics class**, students participated in a '**Fair and Share**' activity to understand the concept of division in a fun and practical way. They were given objects such as pencils, sketch pens, beads, or colours to distribute equally among a set number of groups. As they worked, they observed that sometimes the items could be divided evenly, while at other times there were some left over, which introduced them to the idea of a remainder. Teachers encouraged discussions about why remainders occur and how they can be represented in division problems. Through hands-on sharing and group problem-solving, students not only practiced their division skills but also developed logical thinking, teamwork, and a clearer understanding of how division works in real-life situations. As part of a fun-filled Math learning experience, students participated in another exciting activity called '**Hop and Conquer**'. In this game, children were presented with division problems that they solved mentally. Once they arrived at the answer, they hopped along a colorful hopscotch grid and landed on the correct number. The activity turned division into an exciting challenge, blending physical movement with quick thinking. Students thoroughly enjoyed the energetic game, which not only sharpened their mental math skills but also promoted focus, agility, and confidence in solving division problems. The cheerful atmosphere of the class echoed with laughter and learning, making mathematics both enjoyable and memorable.

In the **EVS** chapter, as part of the theme '**Animals Our Friends**,' students enthusiastically took part in two meaningful activities that combined creativity with compassion. In the **Animal Habitat Exploration**, they designed and showcased different habitats such as forests, oceans, deserts, and polar regions, highlighting how each environment supports unique animal life. This hands-on activity helped them understand the importance of preserving natural habitats and protecting wildlife. Adding a heartfelt touch, students also participated in the **Animal Compassion Pledge**, where they promised to show love, care, and respect towards all animals. The pledge reminded them of their role as responsible citizens in ensuring the safety and well-being of every living being. Together, these activities not only enriched students' knowledge but also nurtured empathy, responsibility, and a deeper connection with the animal world. In our another chapter named '**Leaves Around Us**', students did activities like **Leaf Shading** where they shaded the different types of leaves on a paper with the help of colours and pencils and learned about the different features and parts of leaves. In another activity they did a **role play on the process of Photosynthesis** where children enacted the roles of different things that are required for the process of photosynthesis and its output.

In recognition of their consistent efforts, dedication, and positive attitude towards learning, the outstanding achievers were felicitated as the Star Performers of the Month. The *Star Performers* for the month of August across all sections are:

Month	Grade III A	Grade III B	Grade III C
August	-	Aadriha Prasad	-

IHS News –

- Term I examinations for Grade V and above will begin this month. Best wishes to all students!
- A heartfelt celebration of Teachers' Day awaits, honoring our mentors who inspire and guide us every day.

Achievements & Accolades

- Our Grade VIII–X students brought laurels to the school by securing the 1st Prize in the event “Rhythm of Peace” (Dance) at the Inter-School Competition.
- Eshaan Vikram Singh and Utsav Saroha of Grade XII proudly clinched the 2nd Position in **Sankalp Se Siddhi – Policy Pitch** Inter-School Competition.
- Adding to the achievements, in the Inter-School Competition “Comic Strip Challenge”, Sutanu Ghosh (Grade V-B) and Riya Dixit (Grade IV-B) made us proud by winning the 1st Position.
- We are proud to share that our students excelled in the **National Robotics and STEM Innovative Challenge 2025: INNOTECH**, held online on 24th August by Learn Tinkering. Kalp Srivastava (Grade IV A) and Hardik Narwal (Grade VIII) both secured 3rd positions in their respective categories for their creative and impactful projects.

These achievements stand as a testimony to our students' hard work, creativity, and dedication. 🌟

Beyond academics, September will also offer meaningful opportunities for students to develop important life skills such as resilience, teamwork, and self-reflection. Through collaborative activities, enrichment programs, and community involvement, we aim to nurture well-rounded individuals who are confident in their abilities and compassionate in their interactions. We are deeply grateful for your continued partnership in supporting your child's journey. Your involvement and encouragement play a vital role in creating a strong foundation for learning.

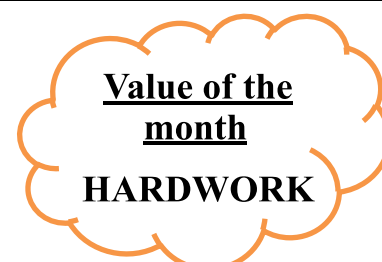

1. Syllabus of the Month

ENGLISH	HINDI	MATHS	E.V.S	COMPUTER
<p>Course book: Chapter-7 The Lantern and the Fan Chapter-8 The Letter to Grown Ups</p> <p>Literature: Chapter-5 Love</p> <p>Grammar: Chapter-11 a,an,the Chapter-8 Adjectives</p>	<p>रंगोली - पाठ - 7 मीतू की प्रतिज्ञा व्याकरण - पाठ - 8 सर्वनाम पाठ - 10 क्रिया</p>	<p>Chapter-6 Length</p>	<p>Chapter-9 Birds Around Us Chapter-10 Our Food</p>	<p>Chapter-5 Formatting a Document</p>

---------------------------------------	--	--	--	--

2. Activities of the Month

● International Literacy Day Creating Kindness with Magic Words	08-09-25
● First Aid Day First Aid Box	12-09-25
● विशेषण से संबंधित गतिविधि	15-09-25
● World River Day River Creatures	22-09-25
● World Tourism Day Colouring the Icons of History	26-09-25
● Gandhi Jayanthi Craft	26-09-25
● Dussehra Break	28-09-25 to 02-10-25

3. General Information

- School timing is 8.00 am – 2:30 pm. School gate will be closed at 8.05 am. No entry will be allowed post that.
- Students must adhere to the school timings (Refer Page 20 of the Almanac).
- Students must carry the Almanac to school daily.
- Parents should check the Almanac and ERP app regularly for any information.
- Students should be in proper school uniform. Kindly use only black rubber bands, clips or hair bands. Black shoes are to be worn everyday.
- Label your child's belongings like lunch box, water bottle, bag, shoes, etc.
- Students must wear ID cards daily.
- Leave application must be submitted to the class teacher, one -day prior in the case of pre-planned leave. In case of illness, a medical certificate must be submitted within three days of rejoining school. In case of long leave to attend important family functions, prior written permission of the Headmistress / Principal must be obtained.

We look forward to your cooperation in helping our students grow and learn together.
