MONTHLY PLANNER FOR SEPTEMBER
NURSERY (2025-26)

“Early childhood education is the key to the betterment of society.”

**Dear Parents,
Greetings!**

September greets us with a gentle transition from the heavy monsoon showers to the calm and refreshing embrace of autumn. A cool breeze carries the lingering fragrance of rain-soaked earth, while the landscape glistens with the last touch of the season’s greenery. The month brims with festive cheer and anticipation, filling hearts with a sense of renewal, togetherness, and the joyous spirit of cultural celebrations.

August was a lively and eventful month, marked by Heritage Week, Janmashtami celebrations, and Theme Assembly. Students immersed themselves in hands-on learning experiences, exploring various concepts through interactive and creative activities that made learning both fun and meaningful.

In **academics**, students explored the letters N, V, W, and X, learned numbers 4 and 5, and discovered the shape of a square through a variety of fun and interactive activities. They practiced tracing and writing letters, played games to strengthen recognition skills, and counted objects to understand numbers. The concept of a square came alive through drawing and craft activities, making learning hands-on and enjoyable. Students also practiced writing the letters L, T, H, I, E, and F in their notebooks to reinforce their skills.

Heritage Week was an exciting and enriching experience for our young learners. They eagerly took part in the ‘I Am a Leader’ Intra-class Competition, showcasing their leadership abilities and experiencing a sense of pride and achievement. As part of the creative activities, students made a colorful cultural hand by first filling a cutout with rainbow colors, adding black accents, and then decorating it with beautiful drawings. They also crafted a stunning elephant wall hanging, symbolizing the richness of our culture and traditions. As part of the **‘Har Ghar Tiranga’** campaign under Azadi Ka Amrit Mahotsav, we encouraged our students to hoist the Indian National Flag at their homes to celebrate our nation’s independence. Our little ones proudly hosted the Tiranga with their parents and shared beautiful pictures of the flag proudly displayed at home. We sincerely appreciate the wholehearted efforts of the parents in making this initiative a meaningful and memorable experience.

Parents were warmly invited to watch the **Class Theme Assembly** on ‘Me and Myself,’ where our young learners shone with confidence. They shared fascinating facts about different body parts and their families, delivering their lines with enthusiasm and clarity. Children lively dance performance of added a splash of energy, making the assembly both engaging and memorable. Their collective effort, dedication, and excitement left the parents thrilled and made the event truly heartwarming. Along with the presentations, the holiday homework of all the students was displayed in the corridor. This showcase highlighted their creativity and effort. It provided an opportunity for everyone to appreciate the hard work and talent of the children.

The **value of the month** was pride, and our students brought it to life by learning the patriotic song ‘Sare Jahan Se Achha’ and performing an energetic dance to ‘Nanha Munna Rahi Hoon.’ Through these musical and rhythmic activities, they not only had fun but also developed a heartfelt sense of respect, love, and pride for their country.

During the **Colour Burst** celebration, students enthusiastically expressed their patriotism by wearing bright tri-colour outfits, radiating pride and joy. They also crafted creative 3D tri-colour cards by pasting cutouts, turning learning about national symbols into a hands-on, fun, and meaningful experience. This activity beautifully highlighted the importance of cultural awareness and national pride while letting their creativity shine.

Our little ones were overjoyed to celebrate **Friendship Day** and embraced the occasion with creativity and enthusiasm. They made adorable friendship bands for their friends, carefully decorating each one with love and thoughtfulness. Through this activity, the children not only expressed their affection but also learned the joy of giving and sharing. The excitement of exchanging these handmade tokens of friendship turned the day into a memorable and heartwarming celebration, filled with smiles, laughter, and cherished moments.

The **Janmashtami** celebration was filled with joy and excitement for our little ones. The children dressed up beautifully—boys as Lord Krishna and girls as elegant Radhas—and performed a lively dance to Krishna-themed songs. They also explored their creativity by making Lord Krishna’s feet and flutes using paper cutouts, colorful stones, and mirrors. Their charming crafts reflected their enthusiasm for the story and captured the playful spirit of Krishna, making the celebration a truly memorable and fun-filled experience.

As part of the **EVS theme** ‘Food,’ our little ones explored the difference between healthy and junk foods through fun and interactive activities. They learned the benefits of eating nutritious foods and the importance of avoiding junk food by tasting various items and expressing their opinions with a ‘thumbs up’ or ‘thumbs down’ on the display board. The children also showcased their creativity by making colorful and attractive healthy food charts with paper cutouts, turning learning into a hands-on and enjoyable experience.

Bagless Day was undoubtedly the highlight of the month for our little ones! They eagerly took part in fun-filled races on the playground, their faces lighting up with joy and excitement. Beyond the laughter and energy, these activities played an important role in strengthening their fine and gross motor skills, making the day both enjoyable and beneficial for their development.

To encourage students to try their best every day, the Star Performer of the Month award is given every month. To win, students should speak in English, follow the rules, wear full uniform, and take part in all class activities. **STAR PERFORMERS** for the month of August is Viyaansh Chaudhary.
