

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR SEPTEMBER
GRADE XI COMMERCE (2026-27)

“Learning gives creativity. Creativity leads to thinking. Thinking provides knowledge. Knowledge makes you great.”
-Dr APJ Abdul Kalam

Dear Parents,

Greetings from Imperial Heritage School!

September marks the beginning of a focused and purposeful phase as children move ahead in their academic journey. After a vibrant month filled with co-curricular activities, celebrations, and festivals, students now shift their attention towards revision and examination preparation. This phase calls for patience, consistency, and sincere hard work from every child.

The support, encouragement, and understanding of parents can help children prepare with confidence, focus, and a positive mindset. Small words of appreciation and timely guidance can boost their confidence and motivation. Let September be a month of focused effort, positive support, and steady progress towards success.

Imperial Heritage School successfully hosted the **6th edition of MAADHYAM 2026 – AETHERON: The Future Minds Arena**, a grand inter-school extravaganza celebrating **innovation, creativity, technology and the limitless potential of young minds**.

The event witnessed an overwhelming participation of **30+ schools and 500+ students**, creating an energetic and inspiring atmosphere filled with creativity, talent and futuristic ideas. With a wide array of events and competitions, AETHERON provided students with a platform to **explore, innovate, collaborate and showcase their unique abilities**.

Our students participated enthusiastically in **all the events**, delivering **extraordinary performances** and leaving a lasting impression with their confidence, creativity and talent. While we did not compete for prizes, our participation reflected a deeper philosophy — we believe that true success lies not only in winning, but also in giving, sharing and creating opportunities for others to shine.

In keeping with the spirit of **“Give Away”**, our students participated with a generous heart, celebrating the achievements of fellow participants and making the event a true celebration of **sportsmanship, collaboration and collective success**.

MAADHYAM 2026 – AETHERON was a huge success and a memorable experience, reaffirming our belief that **when we give others the opportunity to shine, we shine even brighter together**.

Imperial Heritage School hosted the EDU TV – Destination Germany programme on 18 August 2026 for the students of Grades XI and XII. The session was organised to familiarise students with the diverse opportunities available for higher education and career development in Germany.

The programme was highly informative and enriching, offering students valuable insights into higher education, university options, career pathways, academic guidance, and global opportunities in Germany. The interaction also helped students understand the scope of pursuing undergraduate and higher studies in German universities and the possibilities available to them in an increasingly global academic environment. The session encouraged students to explore international educational opportunities with greater awareness and confidence. The expert interaction provided them with a broader perspective on making informed choices regarding their future academic and career aspirations.

Overall, the EDU TV – Destination Germany programme was an insightful and meaningful experience for the students. It successfully broadened their horizons and inspired them to explore global opportunities while planning their future academic journeys.

The **"Har Ghar Tiranga"** activity is an initiative launched by the Government of India as part of the "Azadi Ka Amrit Mahotsav" to celebrate India's 80th year of independence. Students were encouraged to hoist the national flag, the Tiranga, at their homes as a sign of patriotism and pride.

Disaster Risk Management Training & Mock Evacuation Drill- Imperial Heritage School conducted a Disaster Risk Management (DRM) Training and Mock Evacuation Drill for Floor In-Charges, teachers, and Student Council Members, who together form the school's Emergency Evacuation Team. Led by experts from Zone 4 Disaster Solutions Pvt. Ltd., the session focused on evacuation procedures, fire safety, first aid, and casualty management through practical demonstrations and hands-on training. The initiative equipped participants with essential skills and confidence to respond calmly, swiftly, and responsibly during emergencies, reinforcing the school's commitment to building a prepared, resilient, and safety-conscious community.

CBSE has clearly outlined the significance of speaking and listening skills as part of the co-scholastic areas of achievement for every learner. **Assessment of Speaking and Listening Skills** was conducted as a part of their subject enrichment activity to assess their proficiency level in the language, with the objective that they are able to interpret what is being said and are able to express themselves well.

In **Economics**, a classroom activity, **"The Candy Market,"** was conducted to help students understand the concept and features of a **Perfectly Competitive Market**. Students participated as buyers and sellers, observing how price is determined through market forces. The activity provided a practical and engaging understanding of price-taking behaviour, large number of buyers and sellers, and uniform pricing in a competitive market.

In **Business Studies**, Activity on "Traditional Business versus Modern Business" was conducted to help students understand the changing nature of business practices over time. Students actively participated in group discussions, comparing the features, advantages, and challenges of traditional and modern business models. They shared examples from real life and expressed their views on the impact of technology, globalization, and digitalization on businesses. The activity enhanced students' communication, critical thinking, and analytical skills while promoting collaborative learning and practical understanding of business concepts.

As part of the Subject Enrichment Activity in English, students of Grade XI designed a creative flowchart illustrating the family lineage of Pharaoh Tutankhamun. Through this activity, they explored the intricate relationships among the members of the Egyptian royal family, including Tutankhamun's parents, grandparents, wife, and successors. The flowchart combined historical facts with visual creativity, making the complex genealogy easier to understand and remember.

The activity encouraged students to conduct research beyond the textbook, organize information logically, and present it in an engaging visual format. It also enhanced their understanding of the chapter by linking historical evidence, archaeological discoveries, and the significance of DNA analysis in uncovering Tutankhamun's ancestry. This interdisciplinary activity integrated English, History, and Art, while fostering critical thinking, research skills, creativity, and effective presentation.

The value of the month was “**Pride**”. The Value of the Month, **Pride**, was reinforced through a video on the correct way to fold and respectfully dispose of the National Flag. The activity helped students understand the importance of respecting the National Flag and demonstrated responsible and dignified practices towards national symbols.

Term I Examination is barely a month away, and September month plays a pivotal role in consolidating the preparations and focusing on revision. We wish our students the best of luck for their upcoming Examination.

IHS NEWS:

An Inspirational Meeting – On 8th August, Mrs. Neelu Sharma, Principal of Imperial Heritage School, and Mr. Gaurav Kaushik, Cricket Coach, had a courtesy meeting with Hon’ble Shri Rajeev Shukla Ji, Member of Parliament, Vice-President of the BCCI, and Director of the Asian Cricket Council. The meeting focused on the future and cricketing aspirations of the school’s young athletes. Shri Rajeev Shukla Ji assured his support and guidance and expressed his willingness to visit the school and interact with the students. The inspiring interaction marked a meaningful step towards nurturing the students’ sporting dreams and future opportunities.

Sporting Triumphs

Our young athletes have brought great pride to **Imperial Heritage School** with their outstanding performances at various championships.

At the **National School Sports Skating Championship 2026**, organised by the **School Sports Education Association of India**, held from **31 July to 2 August 2026**, our skaters delivered an impressive performance:

- **Ira, Grade V-B** –  Gold in 500m and 1000m Inline Skating
- **Ekvira, Grade II-A** –  Silver in 500m and  Bronze in 1000m Inline Skating
- **Druvik, Grade I-A** –  Silver in 500m and  Bronze in 1000m Quads

At the **37th Delhi State ITF Taekwondo Championship**, held at Thyagraj Indoor Stadium, New Delhi, from **20–22 August 2026**, our students showcased remarkable skill and determination, securing **3 Gold, 4 Silver and 8 Bronze medals**.

Gold: Adama Chaudhary (III-A), Aarna Singhal (IV-B), Vaibhavi Lakhera (IX-A)

Silver: Naisha Bora (III-B), Aadya Shree (III-C), Keshav Tyagi (IV-C)

Bronze: Mayra Mishra (II-A), Sarthika Soni (III-B), Kashish Dahiya (III-B), Garvit Tyagi (III-C), Shivaay Chauhan (V-A), Bhuvii Verma (VIII-A), Krishvee Prasad (IX-A), Vidisha Rathore (X-A)

Adding another feather to our cap, **Priyanshu Janghu of Grade XII-HUM** secured a **Gold Medal** in the **SGFI Block-Level Judo Championship (U-19, below 55 kg category)**.
