MONTHLY PLANNER FOR SEPTEMBER
Grade IX (2026-2027)

"Our greatest weakness lies in giving up. The most certain way to succeed is always to try just one more time." Thomas Edison

Dear Parents,

Greetings!

September, traditionally regarded as a month of transition between seasons, often brings pleasant and temperate weather. In India, the month holds special significance as we celebrate **Teacher's Day on September 5**, commemorating the birth anniversary of **Dr. Sarvepalli Radhakrishnan**, the nation's second President. A distinguished philosopher, teacher, and scholar, Dr. Radhakrishnan's life and vision continue to inspire generations.

Teachers' Day is not merely a commemoration of his birth anniversary; it is a celebration of the timeless bond between teachers and students and a tribute to the transformative power of education in shaping individuals and society.

At **Imperial Heritage School (IHS)**, September has been thoughtfully planned with a meaningful blend of academic pursuits, engaging activities, and enriching competitions, while ensuring the successful completion of the **Term I syllabus**. The preceding month of August resonated with a strong spirit of patriotism as the nation celebrated its **80th Independence Day**, providing students with opportunities to reflect upon the values of freedom, responsibility, and national pride.

School events and co-curricular activities form an integral part of a student's holistic development. Beyond academics, such experiences help students develop essential life skills, including collaboration, communication, time management, problem-solving, leadership, and self-confidence. Keeping this in mind, the students of **Grade IX** participated enthusiastically in a variety of activities and competitions during the month of July.

July Inter-House Competitions – Celebrating Expression, Innovation & Excellence- The **July Inter-House Competitions 2026–27** at Imperial Heritage School witnessed enthusiastic participation, vibrant house spirit, and a strong display of talent. Students showcased their **creativity, confidence, critical thinking, communication, and leadership skills** through a range of engaging events.
