

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR SEPTEMBER
GRADE I (2023-2024)

"Responsibility is not only the ability to respond to what is given, but the willingness to go above and beyond to shape what can be."

Dear Parents,

September indicates that summer isn't over but most of the hot and humid weather is gone. Hello to warm days filled with sunshine and cool nights when open windows bring in fresh air for restful sleeping.

"Tell me and I forget. Teach me and I remember. Involve me and I learn." On the academic front, students were taught concepts through activities for better understanding. In Mathematics, the concept of subtraction was introduced through a hands -on activity where students used various objects to grasp the concept of 'taking away'. They watched a presentation on the same and also used the abacus for better retention of the concept. In English students learnt about the concept of 'is, am, are' that will help them to frame basic grammatically correct sentences. In EVS, students learnt about Community Helpers through interactive tools like flash cards, board reading, hand puppets and engaging class discussions. This approach was aimed at familiarizing the students with various roles within the community and making them appreciate the importance of the helpers in our lives.

Continuing with the theme, Grade I presented its first Class Presentation centered around the theme of Community Helpers. They creatively engaged in role-playing activities, embodying various professions that contribute to the community's well-being. Additionally, they showcased their talents by performing a dance routine related to the same theme. Information on different professions was shared both in English and Hindi.

August buzzed with excitement as students engaged in a diverse array of activities that celebrated their patriotic spirit as Heritage Week was celebrated in the school. The month's commencement saw a heartfelt Veteran Craft, where students crafted symbols of gratitude for veterans, honoring their sacrifices. Integrated Arts combined artistic expression with heritage, as students used various mediums to creatively depict different artistic forms across the country. A stimulating Heritage Quiz encouraged students to explore their country's history and achievements, fostering admiration for their cultural roots. The Incredible Indian Craft session highlighted the nation's diversity, enabling students to showcase their artistic talents while celebrating India's unique heritage.

The value of the month was Patriotism and keeping the spirit high, students engaged in a roleplay, embodying the personas of national leaders, as a heartfelt display of patriotism.

Students made rakhis for the soldiers posted at the borders of the country to remind them that they are not alone on this auspicious day and that there are many who remember them and thank them as they do their duty.

Imperial Heritage School hosted its 3rd Annual Inter School Competition, MAADHYAM, on 12th August 2023 where students from over 25 schools across Gurgaon participated. The theme was Over the Ages- Past, Present and Future, where participants were given an opportunity to recognize this change over the ages and to dwell deeper on the advantages and disadvantages. They got a chance to understand that all objects in the world are subject to change; however, the ideals, virtues and values established in human hearts remain as a perennial source of inspiration to the world. The students showcased their exceptional skills and talents across a range of competitions, leaving an indelible mark on the event. From spirited story narration and rhythmic rhymes to dazzling performances in dance, music, and art, the participants exhibited their true

mettle. Keeping with the true spirit of healthy competition, IHS Team only participated and was not part of the judgment, gracefully passing on the position to the next team.
