**Dear Parents,**

Greetings!!

As the lazy days of August dwindle away, the fall months are drawing closer. And while it's sad to say goodbye to summertime living, the month of September offers the perfect intermediary between the hot days of summer and the chill of winter. It's a transition time in school as well as Term I will end and we will move towards Term II of the session.

The month of August was full of patriotism and celebration, as we not only celebrated India's 76th Independence but also Chandrayaan -3 stands as India's resplendent emblem, etching its name in history with indomitable spirit. This month also signifies a major milestone for Imperial Heritage School as it hosted its 3rd Annual Inter School Competition, MAADHYAM, on 12th August 2023 where students from over 25 schools across Gurgaon participated. The theme was Over the Ages- Past, Present and Future, where participants were given an opportunity to recognize this change over the ages and to dwell deeper on the advantages and disadvantages. They got a chance to understand that all objects in the world are subject to change; however, the ideals, virtues and values established in human hearts remain as a perennial source of inspiration to the world. The students showcased their exceptional skills and talents across a range of competitions, leaving an indelible mark on the event. From spirited story narration and rhythmic rhymes to dazzling performances in dance, music, and art, the participants exhibited their true mettle. Keeping with the true spirit of healthy competition, IHS Team only participated and was not part of the judgment, gracefully passing on the position to the next team.

Different activities were organized to celebrate the Heritage Week. Students took active interest and participated in each activity with great enthusiasm and zeal.

- **Fashion show – Tribals:** In this activity students came dressed up in attire of different tribes and they spoke a few lines about it .
- **Inter House Competition- Historic Heritage Drawing Competition :** The Drawing Competition provided a platform for our young students to express their creativity, showcase their talent and knowledge about the historical places of India.

III	Vivan Saxena and Shashwat	Arohi Khandodiya	Garvita and Vihaan Bansal

The value of the month was **Patriotism**. As the word refers to the passionate love one has for their country, students showcase their love by making National Symbols, Thank You Card for Veterans, National Flag with origami and pulses. Discussions were done about the freedom fighters and their struggle. They were shown videos related to the same.

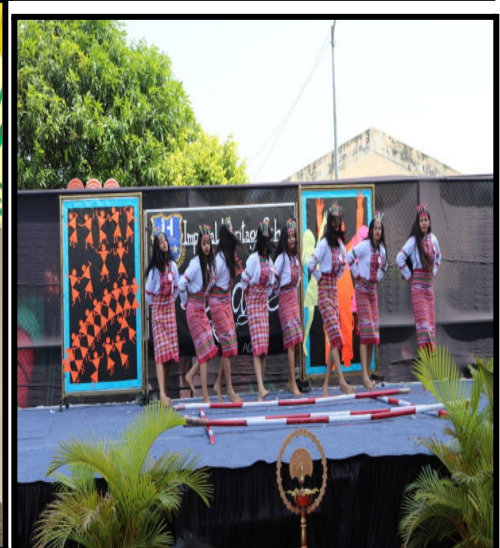

Play is our brain's favourite way of learning. Students also did a lot of hands-on activities in different subjects to understand various concepts which were introduced to them. In English students played roles of different characters of Jungle Book, as role play gives children a chance to practice what they are learning. Students also had fun in flower making activity in which they wrote different pronouns with examples. They enjoyed doing this activity and understood the concept thoroughly as activity leads to fun learning. In E.V.S, students made greeting cards with dry leaves related to the chapter – Leaves Around Us . To understand the parts better students traced the real leaves and labeled its parts.

Students made rakhis for the soldiers posted at the borders of the country to remind them that they are not alone on this auspicious day and that there are many who remember them and thank them as they do their duty.

In Mathematics students were introduced to the concept of Fractions through an activity in which students made a spinning wheel of fractions and learned the different types of fractions. Students also had fun learning about fractions by doing fraction pizza activity.
