**MONTHLY PLANNER FOR SEPTEMBER**  
**GRADE IV (2023-2024)**

**The aim of education is knowledge, not of facts, but of values - William S. Burroughs**

Dear Parents,

Goodbye August and hello September!

September gets its name from the Latin word *septem*, meaning seven, because it used to be the seventh month of the year under the Roman calendar. It marks the beginning of autumn in the northern hemisphere and the start of spring in the southern. September is also traditionally considered the month that marks transitions between seasons and is often one of the most temperate weather-wise.

On the academic front, students were engaged in various activities that brought learning alive. In English, while studying the chapter The Samurai and the Tea Master, students drew characters from the story and described them, with emphasis on the usage of adjectives. In EVS, students made models related to chapter Animals Around Us with great enthusiasm and zeal, showcasing in depth information on various aspects of animals. In another chapter- Work Around Us, students speculated on the choice of their profession when they grow up and reasons for the same. They then shared their dreams with their peers and enjoyed listening to the others too.

Heritage Week was celebrated with great zest in the school. Various activities were carefully curated for the students to celebrate Heritage Week like a Fashion Show of Tribes of India, drawing famous monuments of India and making a booklet to present the culture and heritage of any state of India. These activities helped students understand the rich heritage of the country and also understand the meaning of Unity in Diversity.

While nationalism puts emphasis on the inheritance of language and cultural unity, patriotism puts more emphasis on values and beliefs and aims to achieve love for the country and nation. The people who selflessly sacrificed their blood and even their lives are known as freedom fighters. India is a country blessed with a large number of freedom fighters. The value of the month was Patriotism and students of Grade IV did an activity where they spoke about different freedom fighters and their role in the national freedom movement.

Students also made rakhis for the soldiers posted at the borders of the country to remind them that they were not alone on this auspicious day and that there were many who remember them and thank them as they do their duty.

Imperial Heritage School hosted its 3rd Annual Inter School Competition, MAADHYAM, on 12th August 2023 where students from over 25 schools across Gurgaon participated. The theme was Over the Ages- Past, Present and Future, where participants were given an opportunity to recognize this change over the ages and to dwell deeper on the advantages and disadvantages. They got a chance to understand that all objects in the world are subject to change; however, the ideals, virtues and values established in human hearts remain as a

perennial source of inspiration to the world. The students showcased their exceptional skills and talents across a range of competitions, leaving an indelible mark on the event. From spirited story narration and rhythmic rhymes to dazzling performances in dance, music, and art, the participants exhibited their true mettle. Keeping with the true spirit of healthy competition, IHS Team only participated and was not part of the judgment, gracefully passing on the position to the next team. Nishtha participated from Grade event 4- Changing Marketplace.
