MONTHLY PLANNER FOR SEPTEMBER
GRADE VI (2023-2024)

Citizenship is the highest form of service to the nation.
-Pandit Jawaharlal Nehru

Dear Parents,

Traditionally considered the month that marks transitions between seasons, September is often one of the most temperate weather-wise. This month has been planned for activities, competitions, and accomplishing the planned syllabus for Term I examination. The month of August resonated with the patriotism of independence and freedom as the country completed 76 years of freedom. Students commemorated the birth of a free nation after the relentless efforts of freedom fighters and revolutionaries against oppressive British rule.

Hiroshima Day was celebrated by all the students by drawing posters , creating greeting cards, and discussing the need for arms abolition around the world. This **Social Studies** activity was aimed at generating awareness about why dialogue is more important than resorting to arms to solve conflicts.

Value of the month **Patriotism** was also discussed as students watched an inspirational video.

The Annual Interschool Competition, **Maadhyam- Over the Ages**, was held with great enthusiasm. More than 25 schools participated in various competitions highlighting the theme of Over the Ages - Past, Present, and Future. Siddhi Porwal (VIA) took part in Masked Beauty, a competition to design Greek masks.

Heritage Week, wherein the students were engaged in various activities expressing love for Mother India. Students participated in a class quiz where they had to identify Indian freedom fighters. The students went for an **educational trip** to Qutab Minar, New Delhi. They were fascinated with the architecture , jotted down notes, and even tried to sketch the famous minaret.

A special assembly was held to mark the **Independence Day** celebrations. Students also grooved to the beat of independence amidst the cheers of Jai Hind and Vande Mataram!

The **Investiture Ceremony** was held, felicitating the proud student council members with their parents. The **Investiture Ceremony signifies** the reliance and confidence that the school consigns in the newly invested office bearers. Donning the mantle of accountability, students pledged to bestow their duties to the best of their abilities.

Student Council Members from Grade VI are:

Jaesha Sareen- Green Brigade

The **Inter House Competition** saw all four Houses compete against each other to create the best collage titled 'My Country's Rich Heritage.' The **Intra Class competition** made all students move to the beat of India! Students also planted a sapling under **One Child-One Plant** , a CBSE initiative.

On the academic front, in **English**, the students enjoyed communicating names in Sign Language. They opined on the characters from the poem Pied Piper of Hamelin. They showed their understanding of the poem through a short role play in class. In **Science**, experiments on the separation of constituents in a mixture by means of filtration and evaporation were exhibited. The students were familiarized with the apparatus used and the importance of the processes. In **Hindi**, they learned 'Vachan' through a class activity and classified the objects as singular or plural.

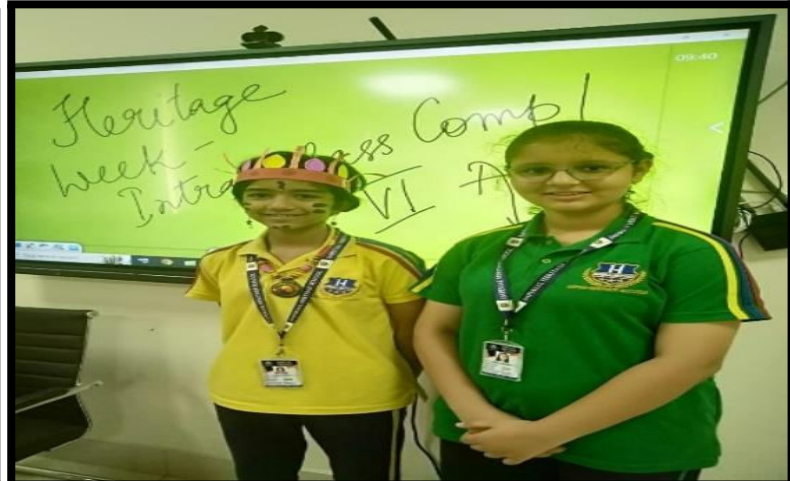

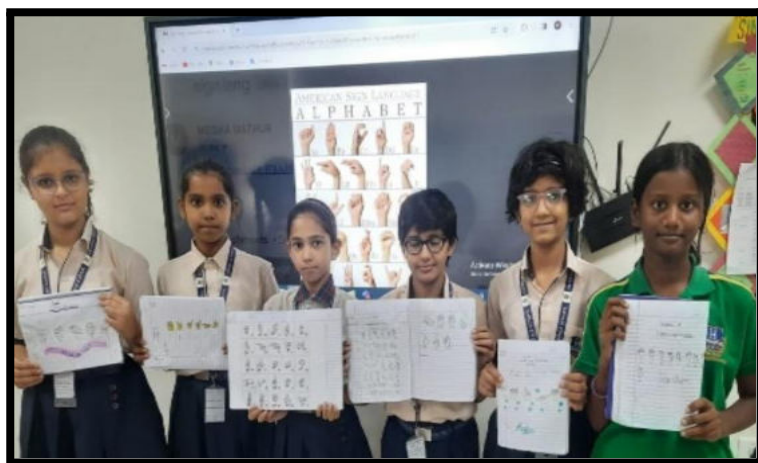

We are happy to announce the results of the **INTER HOUSE COLLAGE MAKING COMPETITION.**
