

IMPERIAL HERITAGE SCHOOL, SEC-102, GURUGRAM
MONTHLY PLANNER FOR SEPTEMBER
GRADE-VII (2023-2024)

"Education is the key to unlocking the world. It is the passport to freedom."- Oprah Winfrey

Dear Parents,
Greetings!!

As we bid adieu to August and step into September, let's know a few interesting facts about September. It derives its name from the Latin word "Septem", meaning seven, as it was the seventh month in the Roman Calendar. The month of September marks the beginning of fall in the Northern Hemisphere with the Autumnal Equinox (when the sun is directly above the equator and days and nights are equal) on September 22nd.

The month of August is predominant, with flavour of patriotism amidst the raging monsoons and festivities. As we graduate towards the second half of the academic session, we shift gears on the academic front and adopt a focused approach. We look forward to a positive and collaborative alliance amongst the troika of teachers, students, and parents.

During the month of August, the Teaching-Learner fraternity celebrated **Hiroshima Day, the Investiture Ceremony, and Heritage Week**. A myriad of activities, viz., **Intra class competitions**, were organized with the aim of developing the well rounded personalities of the students. The students were engaged in numerous curricular and co-curricular activities. Students wholeheartedly participated in various class activities and competitions.

Hiroshima Day : The horror and devastation of twin cities of Hiroshima and Nagasaki reverberates "Choose life, not nuclear weapons"; "More bombs mean more destruction, not security" ; "Stop the Bomb, Stop the War" ; "Choose life, not nuclear weapons" ; "Invest in people, not in nuclear weapons". **Hiroshima Day is observed on August 6**. The day marks the anniversary of the nuclear attacks on the Japanese city of Hiroshima during World War II and aims to raise awareness of the devastating effects of nuclear bombs. The students of Imperial Heritage School were engaged in various activities to raise awareness about weapons of Mass Destruction (WMD) and spread the message of Universal Brotherhood and World Peace. Students in Grade VII made **Greeting Cards** to spread the message of Universal Brotherhood and World Peace.

Maadhyam: The Annual Inter-School Competition was held with great enthusiasm in the school campus. More than 25 schools participated in various competitions highlighting the theme of **Over the Ages - 'Past, Present, and Future'**. The students enjoyed a lovely Saturday in the company of their friends, showcasing their understanding of the theme.

Investiture Ceremony : Imperial Heritage School conducted the investiture ceremony, felicitating the proud Student Council Members for the Academic Year 2023-24. The following students were elected as the members of Editorial Board and Green Brigade.

Editorial Board - Samaira Khandelwal, Hazel Malik, and Jasmin.

Green Brigade - Archit Patel and Ashi Ojha.

Congratulations to all the Council Members!

Heritage Week Celebration : As we stride into Independence Week, we at Imperial Heritage School, relive and rekindle the heritage of India. We celebrated the myriad hues of India, encapsulated in a colorful rainbow of art, culture, architecture, festivals, languages, and dialects. The idea of "Unity in Diversity" is unique to India and was celebrated in the school. **A Quiz on the topic-** Identify the freedom fighters and an **Inter house collage making competition** on the topic-My country's rich heritage was celebrated, **and an**

intra-class tribal dance competition was also conducted. The students were also taken on an **Educational Trip** to Qutab Minar to promote and enjoy Indian heritage.

The Heritage Week Inter-House 'Collage Making' Competition Results (VI-VIII):

1st - CHAMPIONS

2nd - CHALLENGERS

3rd - WARRIORS

Plantation Drive : In commemoration of the 3rd Anniversary of NEP-2020, a **CBSE activity, - One Child, One Plant**, was conducted on the school premises, wherein the students planted saplings with a lot of zeal

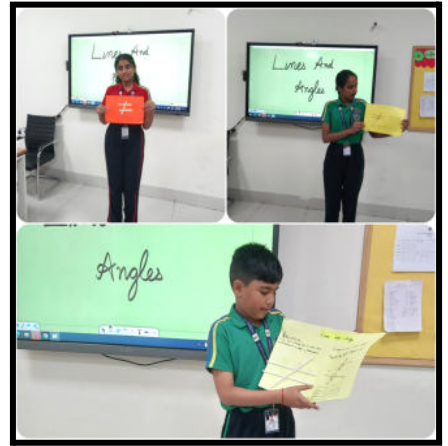

Subject-related activities: Students were introduced to various topics in the classroom. In **English**, students formed 3 groups—Dunham, Elaine, and Mrs. Pringle—to find out their traits as read and discussed in the hilarious play, Fourteen. The groups worked together to find out the qualities of the characters in under 2 minutes. A few new words, such as gold digger, pretentious, multitasker, dominating, and timid, were also discussed and attributed to the characters. The students also made cards for themselves, on which they wrote a motivational message. The poem read and discussed in class was It can't be done. The students had to write a message pertaining to the theme **I CAN DO IT!** In **Science**, to understand the topic of heat and its flow in a better way, an experiment was conducted in the **laboratory** to show how heat is conducted from the hotter to colder end, a video related to the topic was also shown in the class. To understand the thermometers, clinical and laboratory thermometers were shown in the laboratory. In **Math**, the students represented parallel lines and transversals using straws or match sticks and explained the properties of the angles.

Values are an integral part of the curriculum. The value of **Patriotism** for the preceding month was ingrained amongst the students through tales of freedom struggle and a documentary on Kargil Diwas. The value of the month for September is **"Family"**. The essence of Family is aptly depicted in the undermentioned quotes :-

"Family means nobody gets left behind or forgotten." David Ogden Stiers
