**Never say, "I can't". Always say, "I'll try".**

Dear Parents,

In August, students of Nursery celebrated Friendship Day, a day dedicated to honour the significant bonds shared between friends. This occasion serves as a reminder to express gratitude to friends for their presence and support during both joyful and challenging times.

Celebrating Heritage week, students creatively crafted India Gate using sand and tried their hand at paper folding by making lotus flowers. Students participated with great enthusiasm in I am a Leader Intra class Competition, where they dressed up as inspiring Indian National Leaders.

On the occasion of World Family Day, the students made beautiful photo frames, showcasing their creativity and celebrating the importance of family bonds.

The theme for the month was Plants and students engaged in discussions during circle time to share their knowledge on what they like to eat and the importance of healthy food. They made real life connections when healthy and junk food was discussed. The students did an activity on what we get from plants to further enhance their knowledge.

Continuing with the theme, Nursery presented its first Theme Assembly on Food. This delightful event aimed to educate the parents and raise awareness about healthy eating habits. The assembly began with a colourful and vibrant display of various food items, including fruits, vegetables and grains. The students, using props, took turns explaining the nutritional benefits of each item. They also shared interesting facts about vitamins, minerals and other essential nutrients found in these foods. The parents actively participated in the assembly, encouraging their wards, which added to the overall positive experience for both the students and the audience.

Imperial Heritage School hosted its 3rd Annual Inter School Competition, MAADHYAM, on 12th August 2023 where students from over 25 schools across Gurgaon participated. The theme was Over the Ages- Past, Present and Future, where participants were given an opportunity to recognize this change over the ages and to dwell deeper on the advantages and disadvantages. They got a chance to understand that all objects in the world are subject to change; however, the ideals, virtues and values established in human hearts remain as a perennial source of inspiration to the world. The students showcased their exceptional skills and talents across a range of competitions, leaving an indelible mark on the event. From spirited story narration and rhythmic rhymes to dazzling performances in dance, music, and art, the participants exhibited their true mettle. Keeping with the true spirit of healthy competition, IHS Team only participated and was not part of the judgment, gracefully passing on the position to the next team. Parina Ahuja of Nursery A and Mannat Khullar of Nursery B participated in Event 1- Rhyme o Rhyme.
